After You Left

After You Left is not just women's fiction (a woman's journey of self-discovery) but Mason added elements of Suspense and Mystery to this novel that had me turning pages well into the wee hours. A husband leaves his wife mid-honeymoon, forcing her to fly home alone and be plagued with a driving need for answers. Mason has hit the target square-on with this one giving it an edge that drives the ...

After You Left by Carol Mason - Goodreads

As the mystery of both storylines unfolds, *After You Left* provides a powerful exploration of the devastating nature of relationships. It reminded me of the immediate and enduring fallout of the heartbreaking choices we make for love. It's a story that, a year on, continues to resonate with me.

"After You Left" embraces the fine line between art and life-- between the story being told and the lives of those telling it. The result is a uniquely realistic and intimate portrait of love and loss, as well as a profoundly personal reflection of the

moment in which it was made. Written by Jef Taylor Plot Summary | Add Synopsis

GoldLink - After You Left Lyrics | Genius Lyrics

After You Left drew me in right from the beginning. I found the main characters to be very well developed, and I felt like I knew the two women; like they could be friends or acquaintances of mine. Just when I

thought I'd figured it out there were some twists and turns that made the book very enjoyable. It was a bittersweet story, and made me happy to have my "boring" life! I'll be ...

After You Left

After I Left You is one of those rare books that stays with you long after you have finished reading it. The author, Alison Mercer, is definitely one to watch. I was lucky enough to receive an advance proof copy (I also read her first novel Stop The Clock). I was enthralled by After I Left You from beginning to end. The secret at the heart of the book (I won't spoil it) kept me reading well ...
