Support - Miller

End of December I bought a new Bobcat 250 from Praxair for \$2844 + tax. It was only about \$130 more than the 225, has slightly better performance. What sold me was the enclosed engine. It's about 30% quieter than the 225 or the 250NT. Since I do a lot or my welding in residential settings, that was a deal-maker for me.
