Benelli Ultralight Manual - atcloud.com

My present chukar gun is a Benelli
Cordoba in 20 gauge which is about the
same weight as the 12 gauge (6.3 vs 6.1
pounds) Ultralight but has a 28" barrel,
sling swivels which I insist on for a
chukar gun, and a synthetic stock which
holds up well for chukar hunting and also
mitigates recoil well. I made a couple of

other changes. I put a Taran oversize safety on it and a Briley trigger.
