And "Cast in Honor" has more of those scenes than any other book in the series except "Cast in Sorrow." Bottom line: I love it the books, but the series would benefit from an editorial chopping-block session to help Sagara clarify and cut down the True Word/Name scenes, smooth out awkward transitions, fix odd word usage, and clarify identification during character dialog.

If you have not read the previous ten Chronicles of Elantra, Cast in Honor is not a good place to start. Honestly, the best place to start this series is with the first novella, called Cast in Moonlight (I think). Helen, Mandoran, Annarion, and the Emperor are quite delightful. Gilbert and Kattea are very touching and intriguing

characters.

Title: Cast in Honor (The Chronicles of Elantra) ... Usually, I like to
give a little summation of the story, but not a lot actually
happens in Cast in Honor. The characters move from one scene
to the next, but they end up discussing the same issues over and
over. Danger looms throughout the whole book, but nothing
really develops.
