Fidelity Thomas Perry
Murder, money, and marriage pack a triple treat in this absorbing, character-driven crime novel from Thomas Perry. When Los Angeles P.I. Phil Kramer is shot dead on a deserted suburban street in the middle of the night, his wife, Emily, is left with an emptied bank account and a lot of questions.

Fidelity by Thomas Perry - Goodreads
Thomas Perry has a plot device that has worked well in almost every book: he has the characters travel. He has described more highways, byways and out-of-the-way places than any other writer I've read. With his famous character Jane Whitefield, the travel is completely integrated with the plot.

Fidelity: Perry, Thomas: 9780151012923: Amazon.com: Books
Perry writes very well and is a keen observer of the species. "Fidelity" is no exception. Perry captures the very essence of what it means to be "married" to someone, and as with his other works, Perry is able to coalesce the vapors, to bring words to the vague feelings that we all have but can't quite pin down.

Fidelity by Thomas Perry, Paperback | Barnes & Noble®
Thomas Perry is a GOOD writer and I've particularly enjoyed his "Butcher Boy" stories, but the quality of character development, dialogue, suspense, intrigue in Fidelity is lame by comparison. Not one character had enough redeeming qualities for me to care whether they lived or died in the end.

Fidelity: Thomas Perry: Amazon.com: Books
As they race to find the secret Phil Kramer so masterfully hid, both Hobart and Emily must question where their true loyalties lie and how much they owe those who have been unfaithful to them. In Fidelity, Thomas Perry delivers another riveting thriller.

When Phil Kramer is shot dead in the middle of the night, his wife is left with an emptied bank account and a lot of questions. Jerry Hobart has some questions of his own. Now that he's been ordered to take out Kramer's widow, he figures there's a bigger secret at work--and a bigger payoff

Fidelity book by Thomas Perry - ThriftBooks

Fidelity is rich, thick, and a sometimes gooey taffy. The characters are by Thomas Perry, so they're basically complex. Characters drive Perry stories. But here, the cast is pulled sometimes beyond its, um, stretchability.
