Week 3 - Number: Addition, Subtraction, Multiplication ...

The addition and subtraction of binary number systems are explained below in details. For understanding, the binary addition first considers the addition of two decimal numbers as shown below. When we added the one's column of the binary digit (i.e., $7+4$) we get the number which is greater than the base of the decimal number (the base of the number is 10 and the sum of the digit is 11).
