Great teachers possess good listening skills and take time out of their way-too-busy schedules for anyone who needs them. If this teacher is having a bad day, no one ever knows—the teacher leaves personal baggage outside the school doors. 4. A great teacher sets high expectations for all students.

Nine Characteristics of a Great Teacher - Faculty Focus

Listening is a two-way process: you, as the teacher do most of the talking but you must also learn to listen to the students; the students spend a lot of time listening to you, and will also benefit from improved listening skills. Both teacher and student must learn to respect each other, while students must comprehend that teachers are not the “fountain of all knowledge”.

Researcher shows that students perceive teachers as more effective when teachers listen to what they have to say (in class as well as outside the classroom at places like recess or the lunch room) 1. Listening helps build positive relationships and studies clearly identify that close teacher and student relationships have a positive effect on academic success as well as social and emotional learning.

Listening Skills for Teachers | Positive Discipline

Active listening involves holding eye contact, nodding, having good posture, and mirroring the speaker’s body language to show genuine interest in what they're saying. In addition to these nonverbal cues, you must also allow the speaker to finish their thought in its entirety.
