Tales of Berseria is a role-playing video game, where players navigate the game's world through the game's characters from a third-person perspective. As with previous Tales games, characters can interact through Skits, animated clips that play outside cutscenes and battle: characters are represented by head-and-shoulder portraits, and conversations can range from serious to comedic.

Tales of Berseria - Wikipedia

2017 Tesla Model X engine problems with 1 complaints from Model X owners. The worst complaints are unintended acceleration.
