The White Tiger

A Novel *Simon and Schuster*

SOON TO BE A MAJOR MOTION PICTURE
The stunning Booker Prize-winning novel from the author of *Amnesty* and *Selection Day* that critics have likened to Richard Wright's *Native Son*, *The White Tiger* follows a darkly comic Bangalore driver through the poverty and corruption of modern India's caste society. "This is the authentic voice of the Third World, like you've never heard it before" (John Burdett, *Bangkok 8*). The white tiger of this novel is Balram Halwai, a poor Indian villager whose great ambition leads him to the zenith of Indian business culture, the world of the Bangalore entrepreneur. On the occasion of the president of China's impending trip to Bangalore, Balram writes a letter to him describing his transformation and

his experience as driver and servant to a wealthy Indian family, which he thinks exemplifies the contradictions and complications of Indian society. Recalling *The Death of Vishnu* and *Bangkok 8* in ambition, scope, *The White Tiger* is narrative genius with a mischief and personality all its own. Amoral, irreverent, deeply endearing, and utterly contemporary, this novel is an international publishing sensation—and a startling, provocative debut.

Fatal Shadows *Justjoshin*

Someone's out to get Los Angeles bookseller Adrien English. His best friend has been viciously murdered, now he's getting weird phone calls and sinister gifts from a mysterious "admirer." The cops think he's trying to divert suspicion

from himself—with the exception of sexy and homophobic homicide detective Jake Riordan. Is his offer to help Adrien on the level or is he out to nail his favorite suspect—to the wall?

American King *Sierra Simone*

They say that every tragic hero has a fatal flaw, a secret sin, a tiny stitch sewn into his future since birth. And here I am. My sins are no longer secret. My flaws have never been more fatal. And I've never been closer to tragedy than I am now. I am a man who loves, a man whose love demands much in return. I am a king, a king who was foolish enough to build a kingdom on the bones of the past. I am a husband and a lover and a soldier and a father and a president. And I will survive this. Long live the king.

Beneath the Stain

In a town as small as Tyson, CA, everybody knew the four brothers with the four different fathers--and their penchant for making good music when they weren't getting into trouble. For Mackey Sanders, playing in Outbreak Monkey with his brothers and their friends--especially Grant Adams--made Tyson bearable. But Grant has plans for getting Mackey and the Sanders boys out of Tyson, even if that means staying behind. Between the heartbreak of leaving Grant and the terrifying, glamorous life of rock stardom, Mackey is adrift and sinking fast. When he's hit rock bottom, Trav Ford shows up, courtesy of their record company and a producer who wants to see what Mackey can do if he doesn't flame out first. But

cleaning up his act means coming clean about Grant, and that's not easy to do or say. Mackey might make it with Trav's help--but Trav's not sure he's going to survive falling in love with Mackey. Mackey James Sanders comes with a whole lot of messy, painful baggage, and law-and-order Trav doesn't do messy or painful. And just when Trav thinks they may have mastered every demon in Mackey's past, the biggest, baddest demon of all comes knocking.

A glimmer of lust from deep within his secretive, broken soul. And when we're thrown together under heinous

He's been a Navy SEAL for seven years, rapidly climbing the ranks and doing everything he can to put as much space between him and his childhood. Being locked tightly in the closet is wearing

him down, and seeing his best friend shamelessly flirting with a guy in a bar one night snaps something inside of him. Will staying in the closet end up pushing Declan's best friend, and the man he's loved for most of his life, away for good? Will Ty's sexy secret be too much for Declan to handle? The Understatement of the Year

An MM Hockey Romance *Tuxbury Publishing LLC*

What happened in high school stayed in high school. Until now. Five years ago, Michael Graham betrayed the only person who ever really knew him. Since then, he's made an art of hiding his

sexual preference from everyone. Including himself. So it's a shock when his past strolls right into the Harkness College locker room, sporting a bag of hockey gear and the same slow smile that had always rendered Graham defenseless. For Graham, there is only one possible reaction: total, debilitating panic. With one loose word, the team's new left wing could destroy Graham's life as he knows it. John Rikker is stuck being the new guy. Again. And it's worse than usual, because the media has latched onto the story of the only "out" player in Division One hockey. As the satellite trucks line the sidewalk outside the rink, his new teammates are not amused. And one player in particular looks sick every time he enters the room. Rikker didn't exactly expect a

warm welcome from Graham. But the guy won't even meet his eyes. From the looks of it, his former... best friend / boyfriend / whatever isn't doing so well. He drinks too much and can't focus during practice. Either the two loneliest guys on the team will self destruct from all the new pressures in their lives, or they can navigate the pain to find a way back to one another. To say that it won't be easy is the Understatement of the Year. Warning: unlike the other books in this series, this heartbreaking love story is about two guys. Contains sexual situations, dance music, snarky t-shirts and a poker-playing grandmother.
