Primary Science Journal

Primary Science (PS) is a themed journal for all those involved in primary science education for children aged 3-12, including primary teachers,

primary science coordinators, primary schools, local authority advisers and inspectors and science teacher trainers and trainees. It is a forum for sharing information and ideas and includes articles about teaching, learning and assessing science.

Primary Science | www.ase.org.uk

Primary Science (PS) is the journal for primary members of the ASE and is published five times a year. Primary Science aims to share information and ideas that support effective practice in science education focused at the primary school level through transition to early secondary education. It includes articles about teaching, learning and assessing science for all children

in the 3 – 12 year age range.

Primary Science Magazine - SchoolScience.co.uk

The Journal of Emergent Science (JES) is an ‘open access’ biannual e-journal designed to bridge the gap between research and practice. It complements the ASE’s professional journal, Primary Science, and is supported by the Primary Science Teaching Trust (PSTT). JES focuses on research and the implications of research for practice and provision of science (including health, technology and engineering) for young children from birth to 11 years of age.

Primary Science Teaching Trust - PSTT

Background This paper compares the findings from a recent, large-scale UK-wide survey of primary teachers' confidence in teaching science with the results of a seminal report carried out 10 years ago by Wynne Harlen in Scotland. Recent reports from across the UK have indicated there are still serious

concerns relating to primary teachers' confidence and ability to teach science effectively.
