**Classification Paper**

This type of essay is an academic paper which classifies character, ideas, or even objects into specific categories or groups. This classification and division essay is quite common in high schools and colleges but can be present in other higher levels of education as well.

### **Classification Papers - Free Examples & Samples**

Classification is sorting things into groups or categories on a single basis of division. A classification paper says something meaningful about how a whole relates to parts, or parts relate to a whole. Like skimming, scanning, paraphrasing, and summarizing, classification requires the ability to group related words, ideas, and characteristics.
