Book Review: The Collaboration Economy - Sources of Insight

The collaborative economy uses the internet to match people who want to share assets and services. Rather than buying a power drill that I only need for 15 minutes, for example, I can rent an idle one from someone else. A collaborative economy platform can help to

identify who is willing to offer their power drill and to initiate the transaction.

An economic review of the collaborative economy

In 2016, the European Commission published an ambitious communication aimed at spurring the development of Europe's Collaborative Economy. Ride-sharing, homesharing and other forms of task-sharing "creates new opportunities for consumers and entrepreneurs," the Commission began. It can "make an important contribution to jobs and growth in the European Union if encouraged and developed in a responsible manner."
