Therapist Shakuntala Modi discovered that past-life hypnotic therapy was beneficial for some of her persistent

cases. She learnt to clear their fields, and her patients recovered a few days later. This book tells the whole story, and urges modern science to examine this radical therapy.

In Remarkable Healings, Dr. Shakuntala Modi offers a revolutionary psychotherapeutic treatment that dips into the controversial realm of past-life regression and demonic possession. It might sound like she is straying outside the bounds of credible psychiatry, but compared with some of the methods her peers still employ, Modi's therapy is conspicuously humane, preserving the patients' physical health and concentrating on repairing their problems at a fundamental level.
