Sisters Of Sinai How Two

Sisters of Sinai tells an extraordinary tale of nineteenth century exploration; how two Scottish sisters made one of the most important ancient manuscript finds of the age. Hidden in a cupboard beneath the monastic library at St Catherine's in the Sinai desert the twins discovered what looked like a palimpsest: one text written over another. It was Agnes who recognized the obscured text for what it was - one of the earliest copies of the Gospels written in ancient Syriac. Once they had ...

"The Sisters of Sinai" is a fascinating portrayal of two brilliant and determined women who, through extraordinary circumstances and events, were uniquely poised to find and bring to light ancient manuscripts, especially Biblical texts, to advance the nascent "science" of Biblical scholarship, despite living in a time when women had such little access to academic pursuits.

The Sisters of Sinai: How Two Lady Adventurers Discovered ...

The idea of two sisters travelling without male escort in what was a wild part of the Turkish empire in the 19th century, is unusual to say the least. Their aim was to reach the then isolated St. Catherine's monastery in search of an ancient biblical manuscript that had been concealed under an equally ancient work on the lives of women saints.
