Nice Girls Don't Get Rich *Business Plus*

With the same frank advice and empowering information that made *Nice Girls Don't Get the Corner Office* a New York Times bestseller, Lois Frankel tackles the 75 financial mistakes that keep women from having the wealth they deserve. If you have

outstanding balances on your credit cards...don't have assets in your own name...are saving instead of investing, then chances are you're not rich and not living the life you want. Without your awareness, behaviors learned as a girl are preventing you from becoming a woman who is financially independent and free to follow her dreams. Lois Frankel isolates the messages about money given to little girls that little boys never hear. Then she helps you discover the financial thinking that is keeping you stuck in old patterns, dependent relationships, and jobs where you earn less than you deserve. Once you get to the root of the problem, Frankel helps you solve it-with fabulous results. Her coaching tips help you take control of your finances and make more money than you ever thought possible. Do you make these "nice girl" mistakes? Mistake #4: Not playing to win. Being polite, quiet, and fair to a fault is playing the financial game "like a girl." Mistake #10: Choosing to remain financially illiterate. Knowledge is power. Learn to manage your major purchases, investments, and banking. Mistake #20: Spending as an emotional crutch. Understand your emotions; don't make purchases just to lift your spirits. Mistake #45: Saving instead of investing. Fear can keep your funds in low-interest accounts. Get educated about investing. Get wealthy. Frankel gives you the financial savvy to change negative behaviors, make smart money choices, and embrace the life you want sooner than you think.

Nice Girls Just Don't Get It *Harmony*

Offering the same brand of practical, no-holds-barred, expert advice that made *Nice Girls Don't Get the Corner Office* an international million-copy bestseller, *Nice Girls Just Don't Get It*

teaches us the skills we need to turn from a nice girl into a winning woman, not just in our careers but in our relationships, families, and everyday lives. Have you ever felt invisible? Taken advantage of? Reluctant (or unable) to articulate what you really want? If so, join the club. The nice girls club. Nice girls—that's right, girls—are those more concerned with pleasing others than with addressing their own needs and haven't yet learned how to overcome the childhood messages cultural stereotypes keeping them from getting their voices heard, their needs met, and the lives they want. This book will turn those nice girls into winning women. That is, women who factor their own needs in with those of others, confront those who treat them disrespectfully, maintain healthy and mutually beneficial relationships with appropriate boundaries—and as a result, are happier and more successful in every area of their life. In 2004, Lois Frankel blew the lid off so many of our long-held ideas about gender and success with her bestselling *Nice Girls Don't Get the Corner Office*, which went on to become such a huge phenomenon, the term "nice girls" has secured a place in our cultural lexicon. Here, Frankel teams up with negotiation expert Carol Frohlinger to bring this bestselling advice out of the workplace and provide a broader set of skills that any woman—whether a CEO or stay-at-home mom—can use to win anywhere, with anyone. Presented in the straightforward, digestible format that helped make *Nice Girl's Don't Get the Corner Office* an instant hit, Frankel and Frohlinger outline seven practical strategies and 99 supporting tactics that every winning woman should know. By the time you've finished reading this book, you'll be able to:

- Get your husband to do his half of the household chores—without being made to feel like a nag.
- Stop

overextending yourself by taking on all the unpleasant tasks no one on your volunteer board, or your team at work will go near.

- Win an argument with your mother in law about who will be hosting Christmas dinner.
- Have the courage to send back a meal that isn't prepared the way you'd ordered it.
- Confront a colleague who is shirking responsibility or taking credit for your work.
- Convince a sales person to reduce a fee, waive a surcharge, or honor a store credit.
- Question a doctor's course or treatment or request a second opinion, instead of simply going along in order to be a "good" patient.
- Firmly but politely bow out of an extravagant vacation to celebrate a friend's birthday that you simply can't afford—without feeling guilty about it. And so much more.

A must-read for anyone who's ever felt taken advantage of by a friend or family member, unappreciated by a spouse or partner, or exploited by a vindictive neighbor or co-worker, *Nice Girls Just Don't Get It* offers women the indispensable knowledge and skills to get the things they want, the respect they've earned, and the success they deserve. From the Hardcover edition.

Nice Girls Don't Get the Corner Office Balance

Before you were told to "Lean In," Dr. Lois Frankel told you how to get that corner office. The New York Times bestseller, is now completely revised and updated. In this edition, internationally recognized executive coach Lois P. Frankel reveals a distinctive set of behaviors—over 130 in all—that women learn in girlhood that ultimately sabotage them as adults. She teaches you how to eliminate these unconscious mistakes that could be holding you back and offers invaluable coaching tips that can easily be

incorporated into your social and business skills. Stop making "nice girl" errors that can become career pitfalls, such as: Mistake #13: Avoiding office politics. If you don't play the game, you can't possibly win. Mistake #21: Multi-tasking. Just because you can do something, doesn't mean you should do it. Mistake #54: Failure to negotiate. Don't equate negotiation with confrontation. Mistake #70: Inappropriate use of social media. Once it's out there, it's hard to put the toothpaste back in the tube. Mistake #82: Asking permission. Children, not adults, ask for approval. Be direct, be confident.

Nice Girls Don't Speak Up or Stand Out *Grand Central Publishing*

Discover the "must-listen for every smart, capable woman who wants to succeed"-a guide on how to communicate with maximum impact in the workplace that's the new book in the New York Times bestselling Nice Girls Don't series (Anne Fisher, Fortune.com). How many times have you asked yourself why you didn't speak up in a meeting? Or pushed for the raise you deserved? Or agreed to take on someone else's task because you didn't want to rock the boat? Whether the answer is once or ten times or more, the reason is the same: It's because you're a nice girl who goes along to get along. But staying quiet and being ignored are not paths to achievement. Now, in Nice Girls Don't Speak Up or Stand Out, Dr. Lois Frankel shows you how to be an effective communicator and advocate for yourself. From the basics of speaking up to navigating sticky situations and mastering the art of influencing others, this audiobook provides step-by-step advice using real-life examples and powerful tools

such as: Be a broken record Choose powerful word Never say no Enlist advocates And many more -- in bonus materials for extra tools in your pocket Dr. Frankel chose the format of this new audio-first work carefully, with the mission of creating an interactive and impactful listen, interweaved with actionable recommendations, real-life anecdotes, and concrete examples of not only what to say in various scenarios, but how to say it. Nice Girls Don't Speak Up or Stand Out dives deeply into nearly one hundred everyday challenges women face related to communication. With Dr. Lois Frankel as your guide, you can learn how to express yourself confidently, courageously, and clearly -- and start taking charge of your career.

Play Like a Man, Win Like a Woman *Currency*

An honest and practical handbook that reveals important insights into relationships between men and women and work, Play Like a Man, Win Like a Woman, is a must-read for every woman who wants to leverage her power in the workplace. Women make up almost half of today's labor force, but in corporate America they don't share half of the power. Only four of the Fortune 500 company CEOs are women, and it's only been in the last few years that even half of the Fortune 500 companies have more than one female officer. A major reason for this? Most women were never taught how to play the game of business. Throughout her career in the super-competitive, male-dominated media industry, Gail Evans, one of the country's most powerful executives, has met innumerable women who tell her that they feel lost in the workplace, almost as if they were playing a game without knowing the directions. In this book, she reveals the

secrets to the playbook of success and teaches women at all levels of the organization--from assistant to vice president--how to play the game of business to their advantage. Men know the rules because they wrote them, but women often feel shut out of the process because they don't know when to speak up, when to ask for responsibility, what to say at an interview, and a lot of other key moves that can make or break a career. Sharing with humor and candor her years of lessons from corporate life, Gail Evans gives readers practical tools for making the right decisions at work. Among the rules you will learn are: • How to Keep Score at Work • When to Take a Risk • How to Deal with the Imposter Syndrome • Ten Vocabulary Words That Mean Different Things to Men and Women • Why Men Can be Ugly, and You Can't • When to Quit Your Job

How to Get Rich *Penguin*

Felix Dennis is an expert at proving people wrong. Starting as a college dropout with no family money, he created a publishing empire, founded Maxim magazine, made himself one of the richest people in the UK, and had a blast in the process. How to Get Rich is different from any other book on the subject because Dennis isn't selling snake oil, investment tips, or motivational claptrap. He merely wants to help people embrace entrepreneurship, and to share lessons he learned the hard way. He reveals, for example, why a regular paycheck is like crack cocaine; why great ideas are vastly overrated; and why "ownership isn't the important thing, it's the only thing."

Smart Women Finish Rich, Expanded and Updated *Currency*

THE MILLION-COPY NEW YORK TIMES, BUSINESS WEEK, WALL STREET JOURNAL AND USA TODAY BESTSELLER IS BACK - COMPLETELY UPDATED! With over ONE MILLION copies sold - Smart Women Finish Rich is one of the most popular financial books for women ever written. A perennial bestseller for over two decades, now Bach returns with a completely updated, expanded and revised edition, Smart Women Finish Rich, to address the new financial concerns and opportunities for today's women. Whether you are just getting started in your investment life, looking to manage your money yourself, or work closely with a financial advisor, this book is your proven roadmap to the life you want and deserve. With Smart Women Finish Rich, you will feel like you are being coached personally by one of America's favorite and most trusted financial experts. The Smart Women Finish Rich program has helped millions of women for over twenty years gain confidence, clarity and control over their financial well-being--it has been passed from generations to generation -- and it now can help you.

If I Were a Rich Girl *Sherri Renee*

Rindi has the right clothes, the right hair, the right makeup. She's snatched up by the popular crowd, and is dating the most sought after guy at her new school. So what's her problem? It's all a lie. She doesn't come from money and power like her friends do, and if it wasn't for the local Dollar Does It store, she wouldn't be able to hang with them and their ever changing wardrobes at all. Rindi thought the key to happiness was fitting in, and fitting in at this school means having money. But what will happen if people find out her parents are the hired help, and she's a big fat liar?

The Rich Girl *Simon and Schuster*

Fear Street -- Where Your Worst Nightmares Live... Emma and her best friend Sydney always share their secrets. And now they have a big one: They found a duffel bag filled with cash and swore never to tell anyone. But Sydney broke her promise -- she told her boyfriend, Jason. Now Emma is terrified. She doesn't trust Jason. She knows he would do anything to get the money for himself. Even if it means killing someone who gets in his way...

Women Don't Ask *Princeton University Press*

The groundbreaking classic that explores how women can and should negotiate for parity in their workplaces, homes, and beyond When Linda Babcock wanted to know why male graduate students were teaching their own courses while female students were always assigned as assistants, her dean said: "More men ask. The women just don't ask." Drawing on psychology, sociology, economics, and organizational behavior as well as dozens of interviews with men and women in different fields and at all stages in their careers, *Women Don't Ask* explores how our institutions, child-rearing practices, and implicit assumptions discourage women from asking for the opportunities and resources that they have earned and deserve—perpetuating inequalities that are fundamentally unfair and economically unsound. *Women Don't Ask* tells women how to ask, and why they should.

How to Get Filthy Rich in Rising Asia *Penguin*

"Mr. Hamid reaffirms his place as one of his generation's most inventive and gifted writers." -Michiko Kakutani, *The New York Times* "A globalized version of *The Great Gatsby* . . . [Hamid's] book is nearly that good." -Alan Cheuse, NPR "Marvelous and moving." -*TIME Magazine* From the internationally bestselling author of *The Reluctant Fundamentalist* and *Exit West*, the boldly imagined tale of a poor boy's quest for wealth and love His first two novels established Mohsin Hamid as a radically inventive storyteller with his finger on the world's pulse. *How to Get Filthy Rich in Rising Asia* meets that reputation—and exceeds it. The astonishing and riveting tale of a man's journey from impoverished rural boy to corporate tycoon, it steals its shape from the business self-help books devoured by ambitious youths all over "rising Asia." It follows its nameless hero to the sprawling metropolis where he begins to amass an empire built on that most fluid, and increasingly scarce, of goods: water. Yet his heart remains set on something else, on the pretty girl whose star rises along with his, their paths crossing and recrossing, a lifelong affair sparked and snuffed and sparked again by the forces that careen their fates along. *How to Get Filthy Rich in Rising Asia* is a striking slice of contemporary life at a time of crushing upheaval. Romantic without being sentimental, political without being

didactic, and spiritual without being religious, it brings an unflinching gaze to the violence and hope it depicts. And it creates two unforgettable characters who find moments of transcendent intimacy in the midst of shattering change.

A Very Nice Girl *Henry Holt and Company*

A bitingly honest, darkly funny debut about ambition, sex, power, and love, Imogen Crimp's *A Very Nice Girl* cracks open the timeless questions of what it is to be young, what it is to want to be wanted, and what it is to find your calling but lose your way to it. "Tender, devastating, witty. And deeply true. Sweetbitter meets *Normal People*."—Meg Mason, author of *Sorrow and Bliss* Anna doesn't fit in. Not with her wealthy classmates at the selective London Conservatory where she unexpectedly wins a place after university, not with the family she left behind, and definitely not with Max, a man she meets in the bar where she sings for cash. He's everything she's not—rich, tailored to precision, impossible to read—and before long Anna is hooked, desperate to hold his attention, and determined to ignore the warning signs that this might be a toxic relationship. As Anna shuttles from grueling rehearsals to brutal auditions, she finds herself torn between two conflicting desires: the drive to nurture her fledgling singing career, which requires her undivided attention, and the longing for human connection. When the stakes increase, and the roles she's playing—both on stage and off—begin to feel all-consuming, Anna must reckon with the fact that, in carefully performing what's expected of her as a woman, she risks losing sight of herself completely. Both exceedingly contemporary and classic, *A Very Nice Girl* reminds us that even

once we have taken possession of our destinies we still have the power to set all we hold dear on fire.

Trump: How to Get Rich *Random House*

First he made five billion dollars. Then he made *The Apprentice*. Now *The Donald* shows you how to make a fortune, Trump style. HOW TO GET RICH Real estate titan, bestselling author, and TV impresario Donald J. Trump reveals the secrets of his success in this candid and unprecedented book of business wisdom and advice. Over the years, everyone has urged Trump to write on this subject, but it wasn't until NBC and executive producer Mark Burnett asked him to star in *The Apprentice* that he realized just how hungry people are to learn how great personal wealth is created and first-class businesses are run. Thousands applied to be Trump's apprentice, and millions have been watching the program, making it the highest rated debut of the season. In *Trump: How To Get Rich*, Trump tells all—about the lessons learned from *The Apprentice*, his real estate empire, his position as head of the 20,000-member Trump Organization, and his most important role, as a father who has successfully taught his children the value of money and hard work. With his characteristic brass and smarts, Trump offers insights on how to

- invest wisely • impress the boss and get a raise • manage a business efficiently • hire, motivate, and fire employees • negotiate anything • maintain the quality of your brand • think big and live large

Plus, *The Donald* tells all on the art of the hair! With his luxury buildings, award-winning golf courses, high-stakes casinos, and glamorous beauty pageants, Donald J. Trump is one of a kind in American business. Every day, he lives the American

dream. Now he shows you how it's done, in this rollicking, inspirational, and illuminating behind-the-scenes story of invaluable lessons and rich rewards.

Machiavelli for Women *Simon and Schuster*

From the NPR host of The Indicator and correspondent for Planet Money comes an "accessible, funny, clear-eyed, and practical" (Sarah Knight, New York Times bestselling author) guide for how women can apply the principles of 16th-century philosopher Niccolò Machiavelli to their work lives and finally shatter the glass ceiling—perfect for fans of Feminist Fight Club, Lean In, and Nice Girls Don't Get the Corner Office. Women have been making strides towards equality for decades, or so we're often told. They've been increasingly entering male-dominated areas of the workforce and consistently surpassing their male peers in grades, university attendance, and degrees. They've recently stormed the political arena with a vengeance. But despite all of this, the payoff is—quite literally—not there: the gender pay gap has held steady at about 20% since 2000. And the number of female CEOs for Fortune 500 companies has actually been declining. So why, in the age of #MeToo and #TimesUp, is the glass ceiling still holding strong? And how can we shatter it for once and for all? Stacy Vanek Smith's advice: ask Machiavelli "with this delicious look at what we have to gain by examining our relationship to power" (Sally Helgesen, New York Times bestselling author). Using The Prince as a guide and with charm and wit, Smith applies Renaissance politics to the 21st century, and demonstrates how women can take and maintain power in careers where they have long been cast as second-best. "Machiavelli For Women is the ultimate battle guide for our times. Brimming with hard-boiled strategies, laced with wit, it's a must-read for every woman ready to wield power unapologetically" (Claire Shipman, coauthor of The Confidence Code).

Get Rich Or Lie Trying

Discover the truth about the billion-dollar online economy that made the internet's best known stars.

Rich Girl, Broke Girl *Simon and Schuster*

The bestselling author of *Talk Money to Me* teaches women how to feel confident about their money, save and spend wisely, and advocate for themselves. Do you want to know how to pay off that debt and start saving? Ready to negotiate a salary raise or better benefits? Do financial terms and options make your head spin? Here's the good news: we as women have more financial freedom and money now than ever before. Here's the bad news: when it comes to money, many women become paralyzed by financial management and sometimes even defer big decisions to other people, much to their detriment. What's the solution? Financial empowerment. In this handy guide, you will learn how to: -Discuss money with your partner -Determine realistic and attainable goals -Negotiate for the salaries and benefits you deserve -Splurge occasionally while still saving money - Understand financial risks and make good investments -Gain control of your financial destiny With years of experience as a personal finance educator, bestselling author Kelley Keehn will give you the tools you need to keep and grow your wealth, even if you don't have much to start from—yet. This unique book brings to life the most common financial conundrums women face, teaching you how to save, spend, invest, and plan for a strong financial future.

City of Girls *Penguin*

AN INSTANT NEW YORK TIMES BESTSELLER! From the # 1 New York Times bestselling author of *Eat Pray Love* and *The Signature of All Things*, a delicious novel of glamour, sex, and adventure, about a young woman discovering that you don't have to be a good girl to be a good person. "A spellbinding novel about love, freedom, and finding your own happiness." - PopSugar "Intimate and richly sensual, razzle-dazzle with a hint of danger." -USA

Today "Pairs well with a cocktail...or two." -TheSkimm "Life is both fleeting and dangerous, and there is no point in denying yourself pleasure, or being anything other than what you are." Beloved author Elizabeth Gilbert returns to fiction with a unique love story set in the New York City theater world during the 1940s. Told from the perspective of an older woman as she looks back on her youth with both pleasure and regret (but mostly pleasure), *City of Girls* explores themes of female sexuality and promiscuity, as well as the idiosyncrasies of true love. In 1940, nineteen-year-old Vivian Morris has just been kicked out of Vassar College, owing to her lackluster freshman-year performance. Her affluent parents send her to Manhattan to live with her Aunt Peg, who owns a flamboyant, crumbling midtown theater called the Lily Playhouse. There Vivian is introduced to an entire cosmos of unconventional and charismatic characters, from the fun-chasing showgirls to a sexy male actor, a grand-dame actress, a lady-killer writer, and no-nonsense stage manager. But when Vivian makes a personal mistake that results in professional scandal, it turns her new world upside down in ways that it will take her years to fully understand. Ultimately, though, it leads her to a new understanding of the kind of life she craves - and the kind of freedom it takes to pursue it. It will also lead to the love of her life, a love that stands out from all the rest. Now eighty-nine years old and telling her story at last, Vivian recalls how the events of those years altered the course of her life - and the gusto and autonomy with which she approached it. "At some point in a woman's life, she just gets tired of being ashamed all the time," she muses. "After that, she is free to become whoever she truly is." Written with a powerful wisdom about human desire

and connection, *City of Girls* is a love story like no other.

Think and Grow Rich *Sristhi Publishers & Distributors*

Ever wondered how life would be if we could condition our minds to Think and Grow Rich? Author Napoleon Hill claims to have based this book on twenty years of rigorous research on the lives of those who had amassed great wealth and made a fortune. Observing their habits, their ways of working and the principles they followed, Hill put together laws and philosophies that can be practiced in everyday life to achieve all-round success. The narrative is rich with stories and anecdotes, which not only inspire, but also show a way forward to take action. After all, riches are not just material, but also pertaining to the mind, body and spirit. Having sold more than fifteen million copies across the world, this book remains the most read self-improvement book of all times!

See Jane Lead *Business Plus*

The workplace is changing. From the boardrooms to non-profit organizations to the military, the typical male management style is now obsolete. There is a new generation of employees who reject hierarchical leadership and respond to the behaviors and characteristics that women traditionally exhibit. In other words, the time for women to take charge is now! In *SEE JANE LEAD*, Dr. Frankel provides a blueprint for women who want to tap their natural leadership abilities and manage with greater ease and confidence in the business world, on the soccer field, at home, and beyond. With the same sharp insight that she demonstrated in *Nice Girls Don't Get Rich* and *Nice Girls Don't Get the Corner*

Office, Dr. Frankel shows women how they can overcome sabotaging childhood behaviors that hold them back, while offering practical advice and real-life examples of strong female leaders who have succeeded--in male dominated fields--beyond their wildest dreams.

The Last Book in the Universe *Scholastic Inc.*

This fast-paced action novel is set in a future where the world has been almost destroyed. Like the award-winning novel *Freak the Mighty*, this is Philbrick at his very best. It's the story of an epileptic teenager nicknamed Spaz, who begins the heroic fight to bring human intelligence back to the planet. In a world where most people are plugged into brain-drain entertainment systems, Spaz is the rare human being who can see life as it really is. When he meets an old man called Ryter, he begins to learn about Earth and its past. With Ryter as his companion, Spaz sets off an unlikely quest to save his dying sister -- and in the process, perhaps the world.

Nice Girls Don't Get Rich *Business Plus*

If you have outstanding balances on your credit cards...don't have assets in your own name...are saving instead of investing, then chances are you're not rich and not living the life you want. Without your awareness, behaviors learned as a girl are preventing you from becoming a woman who is financially independent and free to follow her dreams. Now, with the same frank advice and empowering information that made *Nice Girls Don't Get the Corner Office* a bestseller, Lois Frankel tackles the 75 financial mistakes that keep women from having the wealth

they deserve. She isolates the messages about money given to little girls that little boys never hear. Then she helps you discover the financial thinking that is keeping you stuck in old patterns, dependent relationships, and jobs where you earn less than you deserve. Once you get to the root of the problem, Frankel helps you solve it--with fabulous results. Her coaching tips help you take control of your finances and make more money than you ever thought possible. Do you make these "nice girl" mistakes? * Mistake #4: Not playing to win. Being polite, quiet, and fair to a fault is playing the financial game "like a girl." * Mistake #10: Choosing to remain financially illiterate. Knowledge is power. Learn to manage your major purchases, investments, and banking. * Mistake #20: Spending as an emotional crutch. Understand your emotions; don't make purchases just to lift your spirits. * Mistake #45: Saving instead of investing. Fear can keep your funds in low-interest accounts. Get educated about investing. Get wealthy. Frankel gives you the financial savvy to change negative behaviors, make smart money choices, and embrace the life you want sooner than you think.

13 Things Mentally Strong Women Don't Do *HarperCollins*

In the time of the #MeToo and #TimesUp movement, international bestselling author and leading global expert on mental strength Amy Morin turns her focus to feminism, explaining what it means—and what it takes—to be a mentally strong woman. The emergence of the #MeToo and #TimesUp movements have awakened society and encouraged women to find their voice and claim their power. But to do this, women must learn to improve their own mental strength. Contending

with a host of difficult issues—from sexual assault on college campuses, to equal pay and pay gaps, to mastering different negotiation styles—demands psychological toughness. In this crucial book, prominent psychotherapist and licensed clinical social worker Amy Morin gives women the techniques to build mental muscle—and just as important, she teaches them what not to do. What does it mean to be a mentally strong woman? Delving into critical issues like sexism, social media, social comparison, and social pressure, Amy addresses this question and offers thoughtful, intelligent advice, practical tips, and specific strategies and combines them with personal experiences, stories from former patients, and both well-known and untold examples from women from across industries and pop culture. Throughout, she explores the areas women—and society at large—must focus on to become (and remain) mentally strong. Amy reveals that healthy, mentally tough women don't insist on perfection; they don't compare themselves to other people; they don't see vulnerability as a weakness; they don't let self-doubt stop them from reaching their goals. Wise, grounded, and essential, *13 Things Mentally Strong Women Don't Do* can help every woman flourish—and ultimately improve our society as well.

The 9.9 Percent *Simon and Schuster*

A “brilliant” (The Washington Post), “clear-eyed and incisive” (The New Republic) analysis of how the wealthiest group in American society is making life miserable for everyone—including themselves. In 21st-century America, the top 0.1% of the wealth distribution have walked away with the big prizes even while the

bottom 90% have lost ground. What's left of the American Dream has taken refuge in the 9.9% that lies just below the tip of extreme wealth. Collectively, the members of this group control more than half of the wealth in the country—and they are doing whatever it takes to hang on to their piece of the action in an increasingly unjust system. They log insane hours at the office and then turn their leisure time into an excuse for more career-building, even as they rely on an underpaid servant class to power their economic success and satisfy their personal needs. They have segregated themselves into zip codes designed to exclude as many people as possible. They have made fitness a national obsession even as swaths of the population lose healthcare and grow sicker. They have created an unprecedented demand for admission to elite schools and helped to fuel the dramatic cost of higher education. They channel their political energy into symbolic conflicts over identity in order to avoid acknowledging the economic roots of their privilege. And they have created an ethos of “merit” to justify their advantages. They are all around us. In fact, they are us—or what we are supposed to want to be. In this “captivating account” (Robert D. Putnam, author of *Bowling Alone*), Matthew Stewart argues that a new aristocracy is emerging in American society and it is repeating the mistakes of history. It is entrenching inequality, warping our culture, eroding democracy, and transforming an abundant economy into a source of misery. He calls for a regrounding of American culture and politics on a foundation closer to the original promise of America.

Luckiest Girl Alive *Simon and Schuster*

"In a riveting debut novel that reads like Prep meets Gone Girl, a young woman is determined to create the perfect life--husband, home, and career--until a violent incident from her past threatens to unravel everything and expose her most shocking secret of all. Twenty-eight-year-old New Yorker Ani FaNelli seems to have it all: she's a rising star at The Women's Magazine, impossibly fit, perfectly groomed, and about to marry Luke Harrison, a handsome blueblood. But behind that veneer of perfection lies a vulnerability that Ani holds close and buries deep--a very violent and public trauma from her past that has left her constantly trying to reinvent herself. And only she knows how far she would go to keep her secrets safe. When a documentary producer invites Ani to tell her side of the chilling incident that took place when she was a teenager at the prestigious Bradley School, she hopes it will be an opportunity for public vindication. Armed with the trappings of success--expensive clothes, high-powered byline, a massive engagement ring--she is determined to silence the whispers of suspicion and blame from her past, and prove once and for all how far she's come since Bradley. She'll even let them film her lavish wedding on Nantucket, the final step in her transformation. But perfection doesn't come without cost. As the wedding and filming converge, Ani's meticulously crafted facade begins to buckle and crack--until an explosive revelation offers her a final chance at redemption, even as it rocks her picture-perfect world. Equal parts glitz and darkness, and with a singular voice and twisting plot, Luckiest Girl Alive reads like Sex & the City--if Carrie Bradshaw had a closet full of skeletons instead of shoes. In Ani FaNelli, Jessica Knoll has created a complex and vulnerable heroine who you'll be rooting for to the very last

page"--

Nice Girls Don't Get Rich

Millions of women are underpaid - and they know it. What they don't know is that they may be responsible for their lack of wealth. Lois Frankel turns her attention to mistakes women make when when handling their money and will help women make more money than they thought possible. Edited for Australian tax and superannuation regimes.

How to Get Rich Before 30

Discover the proven path to wealth that anyone can follow... no matter how young you are. When you first start earning your own income, money is often tight and barely enough to cover the necessities. You worry about making rent, affording emergency repairs, or making your debt payments on time. Investing is probably the least of your concerns when you're struggling to meet your day-to-day needs. Why put your money into stocks and bonds that you don't get to use now when there are urgent things you need to take care of? But if you want to become rich and financially secure, investments are the only way to get there. Investing helps you continue to earn money -- even when you're not actively working for it. Eventually, when your investments become large enough, they can generate enough money to cover your living expenses -- no job required. If you want to reach this point by the time you're 30, you will have to take action while you're still in your 20s... the earlier, the better. In How to Get Rich Before 30, you'll learn what it takes to start building and growing wealth, regardless of where you're starting from. Inside, you will

discover: How to start investing money now, even if you only have a few dollars to spare How your erroneous beliefs about money are limiting your potential for wealth How to stay motivated and focused on building your nest egg (even when the temptation to splurge strikes) Why you're losing money by keeping it in a savings account The biggest advantage you have as a young adult -- and how to capitalize on it to grow your wealth Small lifestyle changes you can make today to increase the amount you can set aside for investing Beginner-friendly investing methods -- no need to be a finance expert! The #1 investment you need to make that is guaranteed to make a worthwhile return, no matter what happens to the stock market And much more. No matter how much or how little you're earning, setting money aside for investments should be part of your financial habits. Unlike money spent on material things, the money you put into your investments will keep working for you, even when you're no longer working. So don't make your income an excuse for not investing. Instead, make it your best resource to build your wealth on. By taking the small steps towards investing today, your finances will enjoy big leaps in the future. If you want to make the most of your hard-earned money so you won't have to keep working for it forever, then scroll up and click the "Add to Cart" button right now.

A Little Life *Anchor*

NATIONAL BESTSELLER • A stunning “portrait of the enduring grace of friendship” (NPR) about the families we are born into, and those that we make for ourselves. A masterful depiction of love in the twenty-first century. A NATIONAL BOOK AWARD

FINALIST • A MAN BOOKER PRIZE FINALIST • WINNER OF THE KIRKUS PRIZE A Little Life follows four college classmates—broke, adrift, and buoyed only by their friendship and ambition—as they move to New York in search of fame and fortune. While their relationships, which are tinged by addiction, success, and pride, deepen over the decades, the men are held together by their devotion to the brilliant, enigmatic Jude, a man scarred by an unspeakable childhood trauma. A hymn to brotherly bonds and a masterful depiction of love in the twenty-first century, Hanya Yanagihara’s stunning novel is about the families we are born into, and those that we make for ourselves. Look for Hanya Yanagihara’s new novel, *To Paradise*, coming in January 2022.

The Psychology of Money *Harriman House Limited*

Doing well with money isn’t necessarily about what you know. It’s about how you behave. And behavior is hard to teach, even to really smart people. Money—investing, personal finance, and business decisions—is typically taught as a math-based field, where data and formulas tell us exactly what to do. But in the real world people don’t make financial decisions on a spreadsheet. They make them at the dinner table, or in a meeting room, where personal history, your own unique view of the world, ego, pride, marketing, and odd incentives are scrambled together. In *The Psychology of Money*, award-winning author Morgan Housel shares 19 short stories exploring the strange ways people think about money and teaches you how to make better sense of one of life’s most important topics.

Think and Grow Rich for Women *Penguin*

Women are the future of American business. According to a recent Nielsen report, women will control two-thirds of American consumer wealth in less than a decade. And yet almost all business and success literature is still written for men—dispensing advice that doesn't take into account women's unique strengths or address the demands of family life on mothers. *Think and Grow Rich for Women* is a powerful new book—from the award-winning author of *Think and Grow Rich: Three Feet from Gold* and coauthor of the multimillion-selling *Rich Dad, Poor Dad*. It combines Hill's classic *Thirteen Steps to Success* with case studies of noteworthy women (including Sandra Day O'Connor, Maya Angelou, Katie Couric, Caroline Kennedy, Madonna, Oprah Winfrey, Margaret Thatcher, Condoleeza Rice, J. K. Rowling, Barbara De Angelis, Marianne Williamson Angela Merkel, Mary Kay Ash, IBM CEO Ginni Rometty and many more), outlining a master plan for success for all women.

Women with Money *Hachette UK*

Get paid what you're worth, build secure relationships, and make your money last with this valuable guide from a Today show financial editor and bestselling author. Ask successful women what they want from their money and they'll tell you: independence, security, choices, a better world, and--oh yes--way less stress, not just for themselves but for their kids, partners, parents, and friends. Through a series of HerMoney Happy Hour discussions (when money is the topic, wine helps) and one-on-one conversations, Jean Chatzky gets women to open up about the one topic we still never talk about. Then she flips the script

and charts a pathway to this joyful, purpose-filled life that today's women not only want but also, finally, have the resources to afford. Through Chatzky's candid three-part plan--formed through detailed reporting with the world's top economists, psychiatrists, behaviorists, financial planners, and attorneys, as well as her own two decades of experience in the field--readers will learn to: 1. Explore their relationships with money, 2. Take control of their money, and 3. Use their money to create the life they want. *Women With Money* shows readers how to wrap their hands around tactical solutions to get paid what they deserve, become inspired to start businesses, invest for tomorrow, make their money last, and then use that money to foster secure relationships, raise independent and confident children, send those kids to college, care for their aging parents, leave a legacy, and--best of all--bring them joy!

Lean In *Knopf*

The #1 international best seller *In Lean In*, Sheryl Sandberg reignited the conversation around women in the workplace. Sandberg is chief operating officer of Facebook and coauthor of *Option B* with Adam Grant. In 2010, she gave an electrifying TED talk in which she described how women unintentionally hold themselves back in their careers. Her talk, which has been viewed more than six million times, encouraged women to "sit at the table," seek challenges, take risks, and pursue their goals with gusto. *Lean In* continues that conversation, combining personal anecdotes, hard data, and compelling research to change the conversation from what women can't do to what they can. Sandberg provides practical advice on negotiation

techniques, mentorship, and building a satisfying career. She describes specific steps women can take to combine professional achievement with personal fulfillment, and demonstrates how men can benefit by supporting women both in the workplace and at home. Written with humor and wisdom, *Lean In* is a revelatory, inspiring call to action and a blueprint for individual growth that will empower women around the world to achieve their full potential.

You Are a Badass at Making Money *Penguin*

"A cheerful manifesto on removing obstacles between yourself and the income of your dreams." —New York Magazine From the #1 New York Times bestselling author of *You Are a Badass®*, a life-changing guide to making the kind of money you've only ever dreamed of. *You Are a Badass at Making Money* will launch you past the fears and stumbling blocks that have kept financial success beyond your reach. Drawing on her own transformation—over just a few years—from a woman living in a converted garage with tumbleweeds blowing through her bank account to a woman who travels the world in style, Jen Sincero channels the inimitable sass and practicality that made *You Are a Badass* an indomitable bestseller. She combines hilarious personal essays with bite-size, aha concepts that unlock earning potential and get real results. Learn to:

- Uncover what's holding you back from making money
- Give your doubts, fears, and excuses the heave-ho
- Relate to money in a new (and lucrative) way
- Shake up the cocktail of creation
- Tap into your natural ability to grow rich
- Shape your reality—stop playing victim to circumstance
- Get as wealthy as you wanna be

"This book truly

crystallizes the concept that financial abundance is an inside job—in that it all begins with your mindset—and Sincero gets serious (in the funniest ways possible) about helping you identify your particular limiting beliefs surrounding money." —PopSugar

Women, Anger & Depression *Simon and Schuster*

Women can empower themselves to fulfill their needs and aspirations without being strapped down by feelings that society has taught them to ignore. Finding the source of your anger can help you lose your depression.

Stop Sabotaging Your Career *Business Plus*

From entry-level employees to senior executives, no one is exempt from career derailment. According to internationally recognized business coach Dr. Lois Frankel, the most common sources of unexpected changes in career momentum are not your shortcomings but your strengths—an overdependence on the exceptional abilities that contributed to past success. It is the employee who exhibits the widest array of technical and interpersonal capabilities who will rise to the top. Now, in a guide for business people across all fields and professional levels, Dr. Frankel has identified the eight most effective strategies for overcoming career obstacles and becoming an invaluable member of any work environment. With self-tests and dozens of real world examples, *STOP SABOTAGING YOUR CAREER* helps readers identify their dominant professional behaviors and offers proven strategies to maximize their career potential—in spite of themselves.

Little Women

Chronicles the humorous and sentimental fortunes of the four March sisters as they grew into young ladies in the early nineteenth century.

Get Rich, Lucky Bitch *Hay House, Inc*

Are you ready to get rich? Learn how to break through your money blocks, attract more abundance and start earning what you're really worth. So you want to manifest more money this year. You're not alone. But why does it feel so freaking hard? It's weird and frankly bewildering that the most talented women in the world are often the ones struggling to make fabulous money from their talents. Too many female entrepreneurs sabotage their income and work too hard for too little. Why do most women settle for pennies instead of embracing true wealth? It's not

because you're not smart or ambitious enough. You've just been programmed to block your Universal right to wealth with guilt, shame or embarrassment. Even if you're unaware of these blocks and fears, you're probably not earning what you're worth. In *Get Rich, Lucky Bitch!* you'll learn how to unlock your hidden potential for abundance and upgrade your life forever. Join Lucky Bitch author Denise Duffield-Thomas on a journey of self-discovery so you can smash through your abundance blocks and join a community of women all around the world who are learning to live large and become truly lucky bitches.

Nice Girls Just Don't Get It *Harmony*

The best-selling authors of *Nice Girls Don't Get the Corner Office* go even further in their newest book to help women achieve their potential not only in their careers, by also in their relationships and everyday lives.
