### Windrush Lessons Learned Review by Wendy Williams - GOV.UK

Review strategies are techniques for reengaging with information that you have already learned, so that it stays fresh in your mind. They're particularly valuable when you're learning for a specific purpose – for instance, revising for an assessment or exam. They can also be helpful for remembering information in general.

Book Description. This book introduces readers to the development of Lesson Study (LS) in the UK, making historical connections to the growth of Lesson Study in Japan, East Asia, the US and Europe. It explains how to conduct LS in schools and educational institutions, providing examples of compelling, externally evaluated impact outcomes for both primary learners and teacher learners, and vivid exemplars of LS in action across age ranges and curricular contexts.
