(Even if you're currently the world's clumsiest flirt.) Why you should tell her she looks fat in that dress And much, much more! To unlock her attraction... and her legs, click the BUY

button at the top of this page.

The Lost Book of Herbal Remedies

The Healing Power of Plant Medicine

Claude Davis

304 color pages, paperback, improved print quality, and a lot more plant identification details. This unique book is written by Dr. Nicole Apelian, an herbalist with over 20 years of experience working with plants, and Claude Davis, a wild west expert passionate about the lost remedies and wild edibles that kept previous generations alive. The Lost Book of Herbal Remedies has color pictures of over 181 healing plants, lichens, and mushrooms of North America (2-4 pictures/plant for easy identification).

Inside, you'll also discover 550 powerful natural remedies made from them for every one of your daily needs. Many of these remedies had been used by our forefathers for hundreds of years, while others come from Dr. Nicole's extensive natural practice. This book was made for people with no prior plant knowledge who are looking for alternative ways to help themselves or their families. This lost knowledge goes against the grain of mainstream medicine and avoids just dealing with symptoms. Instead, it targets the underlying root cause and strengthens your body's natural ability to repair itself. With the medicinal herbal reference guide included, it's very easy to look up your own condition and see exactly which herbs and remedies can help. Let me just offer you a small

glimpse of what you'll find inside: On page 145 learn how to make a powerful "relieving" extract using a common backyard weed. This plant acts directly on the central nervous system to help with all kinds of pain and discomfort. You'll also discover the most effective natural antibiotic that still grows in most American backyards (page 150). Turn to page 43 for the natural protocol Dr. Nicole is recommending for a wide range of autoimmune conditions, after falling prey to MS herself at age 29. I could go on and on because this book contains no less than 800+ other medicinal plants and natural remedies.

Bony-Legs

When a terrible witch vows to eat her for

supper, a little girl escapes with the help of a mirror and comb given to her by the witch's cat and dog.

The MotoLady's Book of Women Who Ride

Motorcycle Heroes, Trailblazers & Record-Breakers *Motorbooks International*

Alicia Mariah Elfving, founder of TheMotoLady.com and the Women's Motorcycle Show, dishes profiles of more than 70 women past and present who ride and wrench as well as anyone, and in the process have proven every bit as indispensable to maintaining and growing a positive motorcycling culture.

The Game

Penetrating the Secret Society of Pickup Artists *Harper Collins*

Hidden somewhere, in nearly every major city in the world, is an underground seduction lair. And in these lairs, men trade the most devastatingly effective techniques ever invented to charm women. This is not fiction. These men really exist. They live together in houses known as Projects. And Neil Strauss, the bestselling author and journalist, spent two years living among them, using the pseudonym Style to protect his real-life identity. The result is one of the most explosive and controversial books of the last decade—guaranteed to change the lives of men and transform the way women understand the opposite sex forever. On his journey from AFC (average frustrated

chump) to PUA (pick-up artist) to PUG (pick-up guru), Strauss not only shares scores of original seduction techniques but also has unforgettable encounters with the likes of Tom Cruise, Britney Spears, Paris Hilton, Heidi Fleiss, and Courtney Love. And then things really start to get strange—and passions lead to betrayals lead to violence. *The Game* is the story of one man's transformation from frog to prince to prisoner in the most unforgettable book of this generation.

The Art Of Seduction *Profile Books*

Which sort of seducer could you be? Siren? Rake? Cold Coquette? Star? Comedian? Charismatic? Or Saint? This book will show you which. Charm, persuasion, the ability to create illusions:

these are some of the many dazzling gifts of the Seducer, the compelling figure who is able to manipulate, mislead and give pleasure all at once. When raised to the level of art, seduction, an indirect and subtle form of power, has toppled empires, won elections and enslaved great minds. In this beautiful, sensually designed book, Greene unearths the two sides of seduction: the characters and the process. Discover who you, or your pursuer, most resembles. Learn, too, the pitfalls of the anti-Seducer. Immerse yourself in the twenty-four manoeuvres and strategies of the seductive process, the ritual by which a seducer gains mastery over their target. Understand how to 'Choose the Right Victim', 'Appear to Be an Object of Desire' and 'Confuse Desire

and Reality'. In addition, Greene provides instruction on how to identify victims by type. Each fascinating character and each cunning tactic demonstrates a fundamental truth about who we are, and the targets we've become - or hope to win over. The Art of Seduction is an indispensable primer on the essence of one of history's greatest weapons and the ultimate power trip. From the internationally bestselling author of *The 48 Laws of Power*, *Mastery*, and *The 33 Strategies Of War*.

How to Talk to Hot Women

The 9 Secrets to Getting and Keeping the Woman (Women) of Your Dreams *BenBella Books, Inc.*

You've seen those guys. The ones who

have all the right lines and the kind of charm women flock to — the guys who always seem to lead beautiful women out the door of the coffee shop or out of the club at the end of the night, time after time. The guys who know how to reel in women and keep them. Be one of those guys. You don't have to be young, attractive, or rich to get the woman of your dreams — you just have to know how to talk to her. Mehow®, legendary pickup artist and creator of Mehow, Inc., used to be that insecure schlub at the bar with no classic good looks or smooth moves to fall back on. Rejected repeatedly, Mehow always settled for the first woman who didn't turn him down. Sound familiar? Whether you're in need of major help or just need a little push, Mehow's lessons can improve any man's

game. Trained in the seduction fundamentals by the infamous pickup artists Mystery (The Game and VH1's The Pickup Artist) and Lovedrop, Mehow surpassed the masters in the pickup game, and in How to Talk to Hot Women, he shows how you can too. Provocative and entertaining, it's the definitive system for rescuing your sex life, your relationship status, and your swagger. In these pages, Mehow distills charm into a simple, easy-to-use formula that renders "dating tips" obsolete. Learn the nine essential secrets to building immediate chemistry with attractive women, along with practical, field-tested techniques that leave you with the knowledge to transform your dating reality from nonexistent to nonstop. Mehow's one-of-a-kind system shows you exactly how to

be yourself and succeed when you meet women, no matter how or where, or if you simply want the woman you already have to stay totally addicted to you. Packed with specific advice on what to do, examples of what to say, and tips on how to develop your own game, *How to Talk to Hot Women* will allow you to reach new levels of freedom and confidence to date the woman you really want — whether she is the "perfect 10" for the next hour, the night, or the rest of your life.

Body of Secrets

Anatomy of the Ultra-Secret National Security Agency *Anchor*

The National Security Agency is the world's most powerful, most far-reaching

espionage. Now with a new afterword describing the security lapses that preceded the attacks of September 11, 2001, *Body of Secrets* takes us to the inner sanctum of America's spy world. In the follow-up to his bestselling *Puzzle Palace*, James Banford reveals the NSA's hidden role in the most volatile world events of the past, and its desperate scramble to meet the frightening challenges of today and tomorrow. Here is a scrupulously documented account—much of which is based on unprecedented access to previously undisclosed documents—of the agency's tireless hunt for intelligence on enemies and allies alike. *Body of secrets* is a riveting analysis of this most clandestine of agencies, a major work of history and investigative journalism. A New York

Times Notable Book

Mammoth Book Of The World Cup

Hachette UK

An all-encompassing, chronological guide to football's World Cup, one of the world's few truly international events, in good time for the June 2018 kick-off in Russia. From its beginnings in 1930 to the modern all-singing, all-dancing self-styled 'greatest show on Earth', every tournament is covered with features on major stars and great games, as well as stories about some less celebrated names and quirky stats and intriguing essays. Holt's focus is very much on what takes place on the field, rather than how football is a mirror for economic corruption, or how a nation's style of play represents a profound

statement about its people, or how a passion for football can lift underpaid, socially marginalised people out of poverty. From the best World Cups, in 1958 and 1970, to the worst, in 1962 and 2010, he looks behind the facts and the technical observations to the stories: the mysterious sins of omission; critical injuries to key players; and coaching U-turns. He explains how England's World Cup achievements under Sven-Göran Eriksson, far from being a national disgrace, were actually quite impressive, and looks at why Alf Ramsey didn't take Bobby Charlton off in 1970, but this is no parochial, jingoistic account. The book also asks why Brazil did not contribute in 1966, despite having won the previous two tournaments and going on to win the next one? Why the greatest players

of their day did not always shine at the World Cup - George Best and Alfredo Di Stefano, for example, never even made it to the Finals. Why did Johann Cruyff not go to the 1978 World Cup? And why did one of Germany's greatest players never play in the World Cup? There are lots of tables, some filled with obvious, but necessary information, but others with more quirky observations. Alongside accounts of epic games, there are also brief biographies of all the great heroes of the World Cup.

Those Snake Island Kids *Storm Bay Books*

When Jake succeeds in persuading his family to embark on a sailing-camping holiday on a Tasmanian island, he is mostly interested in pirate fantasies and

his home-built Optimist dinghy. But he does not plan on the events which are to leave him alone with his brother and sister. The children's idealistic notions are challenged by several less-than-friendly visitors who introduce some serious concerns. Ultimately, after being forced to dig deep into their personal reserves, the treasures they all gain from their experiences are rather different from the ones Jake has set out to find.

The Guyde

How to Become an Attractive Man *Howard Reith*

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything

you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting

beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss

the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors

they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

The Silence of the Lambs *St. Martin's Press*

A serial murderer known only by a grotesquely apt nickname--Buffalo Bill--is stalking women. He has a purpose, but no one can fathom it, for the bodies are discovered in different states. Clarice Starling, a young trainee at the FBI Academy, is surprised to be summoned by Jack Crawford, chief of the Bureau's Behavioral Science section. Her assignment: to interview Dr. Hannibal Lecter--Hannibal the Cannibal--who is

kept under close watch in the Baltimore State Hospital for the Criminally Insane. Dr. Lecter is a former psychiatrist with a grisly history, unusual tastes, and an intense curiosity about the darker corners of the mind. His intimate understanding of the killer and of Clarice herself form the core of Thomas Harris' *The Silence of the Lambs*--and ingenious, masterfully written book and an unforgettable classic of suspense fiction.

The House of Kennedy *Little, Brown*

Now with an all-new bonus chapter—in the bestselling *The House of Kennedy*, “James Patterson applies his writerly skills to real-life history . . . re-telling the political clan’s rise and fall and rise again (and fall again) with novelistic style” (People). The Kennedys have always

been a family of charismatic adventurers, raised to take risks and excel, living by the dual family mottoes: “To whom much is given, much is expected” and “Win at all costs.” And they do—but at a price. Across decades and generations, the Kennedys have occupied a unique place in the American imagination: charmed, cursed, at once familiar and unknowable. The House of Kennedy is a revealing, fascinating account of America's most storied family, as told by America's most trusted storyteller.

Sonic Warfare

Sound, Affect, and the Ecology of Fear *MIT Press*

An exploration of the production,

transmission, and mutation of affective tonality—when sound helps produce a bad vibe. Sound can be deployed to produce discomfort, express a threat, or create an ambience of fear or dread—to produce a bad vibe. Sonic weapons of this sort include the “psychoacoustic correction” aimed at Panama strongman Manuel Noriega by the U.S. Army and at the Branch Davidians in Waco by the FBI, sonic booms (or “sound bombs”) over the Gaza Strip, and high-frequency rat repellants used against teenagers in malls. At the same time, artists and musicians generate intense frequencies in the search for new aesthetic experiences and new ways of mobilizing bodies in rhythm. In *Sonic Warfare*, Steve Goodman explores these uses of acoustic force and how they affect

populations. Traversing philosophy, science, fiction, aesthetics, and popular culture, he maps a (dis)continuum of vibrational force, encompassing police and military research into acoustic means of crowd control, the corporate deployment of sonic branding, and the intense sonic encounters of sound art and music culture. Goodman concludes with speculations on the not yet heard—the concept of unsound, which relates to both the peripheries of auditory perception and the unactualized nexus of rhythms and frequencies within audible bandwidths.

Facebook Nation

Total Information Awareness
Springer

Facebook's psychological experiments and Edward Snowden's NSA leaks epitomize a world of increasing information awareness in the social media ecosystem. With over a billion monthly active users, Facebook as a nation is overtaking China as the largest country in the world. President Barack Obama, in his 2011 State of the Union Address, called America "the nation of Edison and the Wright brothers" and "of Google and Facebook." U.S. Chief Information Officer Steven VanRoekel opines that America has become a "Facebook nation" that demands increased transparency and interactivity from the federal government. Ubiquitous social networks such as Facebook, Google+, Twitter, and YouTube are creating the technologies,

infrastructures, and big data necessary for Total Information Awareness - a controversial surveillance program proposed by DARPA after the 9/11 attacks. NSA's secret PRISM program has reinvigorated WikiLeaks founder Julian Assange's accusation that "Facebook is the most appalling spying machine that has ever been invented." Facebook CEO Mark Zuckerberg once said, "We exist at the intersection of technology and social issues." This book offers discourse and practical advice on the privacy issue in the age of big data, business intelligence in social media, e-government and e-activism, as well as personal total information awareness. This expanded edition also includes insights from Wikipedian Emily Temple-Wood and Facebook ROI experts Dennis Yu and

Alex Houg.

One More Day *Thomas Nelson*

The #1 country song "One More Day" is included on CD with this gift book about cherishing the people one loves.

Global Security, Safety, and Sustainability

6th International Conference, ICGS3 2010, Braga, Portugal, September 1-3, 2010. Proceedings *Springer Science & Business Media*

The annual International Conference on Global Security, Safety and Sustainability (ICGS3) is an established platform in which security, safety and sustainability issues can be examined from several global perspectives through dialogue

between academics, students, government representatives, chief executives, security professionals, and research scientists from the United Kingdom and from around the globe. The three-day conference focused on the challenges of complexity, rapid pace of change and risk/opportunity issues associated with modern products, systems, special events and infrastructures. The importance of adopting systematic and systemic approaches to the assurance of these systems was emphasized within a special stream focused on strategic frameworks, architectures and human factors. The conference provided an opportunity for systems scientists, assurance researchers, owners, operators and maintainers of large, complex and

advanced systems and infrastructures to update their knowledge on the state of best practice in these challenging domains while networking with the leading researchers and solution providers. ICGS3 2010 received paper submissions from more than 17 different countries in all continents. Only 31 papers were selected and were presented as full papers. The program also included a number of keynote lectures by leading researchers, security professionals and government representatives.

Moonfall *Harper Collins*

It's the 21st century, and all is right with the world. Or so it seems. Vice President Charlie Haskell, who will travel anywhere for a photo op, is about to cut the ribbon

for the just-completed American Moonbase. The first Mars voyage is about to leave high orbit, with a woman at the helm. Below, the world is marveling at a rare solar eclipse. But all that is right is about to go disastrously wrong when an amateur astronomer discovers a new comet. Named for its discover, Tomiko is a "sun-grazer," an interstellar wanderer with a hundred times the mass and ten times the speed of other comets. And it is headed straight for our moon. In less than five days, if scientists' predictions are right, Tomiko will crash into the moon, shattering it into a cloud of superheated gas, dust, and huge chunks of rock that will rain down on the earth, causing chaos and killer storms, possibly tidal waves inundating entire cities...or worse:

a single apocalyptic worldwide "extinction event." In the meantime, the population of Moonbase must be evacuated by a hastily assembled fleet of shuttle rockets. There isn't room, or time enough, for everyone. And the vice president, who rashly promised to be last off ("I will lock the door and turn off the lights"), is trying to figure out how to get away without eating his words. In *Moonfall*, McDevitt has created a disaster thriller of truly epic proportions, featuring a cast of unforgettable characters: the reluctant Russian rocket jockey entrusted with the lives of squabbling refugees; the woman chosen to be first on the moon; the scientist who must deflect the "possum" (POSSible IMpactors) knocked from orbit or witness the end science itself. And at the center

of it all is Charlie Haskell, the career politician who discovers his own unexpected reserves of only himself and his country, but for all humankind. *Moonfall*, is a spellbinding tale of heroism and hope, cowardice and passion played against the awesome spectacle of human history's darkest night.

How to Become an Alpha Male *Lulu.com*

Dubbed "The lazy man's way to easy sex and romance with 20 or more women a month," *How to Become an Alpha Male* is the no-risk, never-fail blueprint on how to 'magnetically' attract an endless flow of horny, ready-for-sex women to you... without ever having to play their games or deal with rejection. Sold as an ebook at AlphaMaleMethod.com, John

Alexander's guide is now available, for the first time ever, as a hardcopy book. You see, once you have these secrets all the 'work' of meeting women will be done for you... automatically! You can just 'flip on' your magnetic powers of attraction... so to speak... and instantly bring sex, romance and more roaring into your life! Why does the Alpha Male Method work so well? Because it's based on the same hush-hush psychological tactics advertisers have used for centuries to get filthy rich. They work for anyone, anywhere and at any time (no matter how desperate your situation is right now).

Living with the Stars

How the Human Body is Connected

to the Life Cycles of the Earth, the Planets, and the Stars *Oxford University Press, USA*

Living with the Stars describes the many fascinating connections between the universe and the human body, which range from the makeup of DNA and human cells, growth and aging, to stellar evolution and the beginning of the universe. This popular science book should be of interest to anyone who wonders about the processes going on in our human bodies that connect us to our environment on Earth, to the Solar System, to the stars in our Galaxy, and even to the origin of the universe.

Howard Hughes: The Secret Life *St. Martin's Griffin*

His wealth was legendary. His passions were bizarre. Now, the truth about the money, the madness, and the man behind the enigma. Howard Hughes is one of the best known and least understood men of our times--famed for

his wealth, his daring, and his descent into madness. Bestselling biographer Charles Higham goes beyond the enigma to reveal the incredible private life of Howard Hughes: * his romances with the great stars of Hollywood--Katharine Hepburn, Bette Davis, Cary Grant, Tyrone Power, and numerous others * his forays into sadomasochism * his involvement with Richard Nixon and Watergate * his bizarre final years This is a compelling portrait of a unique American figure--in a story as revealing as it is unforgettable.

Is Paris Burning?.**The Brain-Dead Megaphone** *A&C Black*

In this, his first collection of essays,

Saunders trains his eye on the real world rather than the fictional and reveals it to be brimming with wonderful, marvellous strangeness. As he faces a political and cultural reality saturated with lazy media, false promises and political doublespeak, Saunders invokes the wisdom of American literary heroes Twain, Vonnegut and Barthelme and inspires us to re-examine our assumptions about the world we live in, as we struggle to discover what is really there.

Lick by Lick - How to Go Down on a Woman and Have Her Begging for More

It can assist you to prevent break-ups due to sex related issues. This eBook will let your girl experience multiple

orgasms, full satisfaction and blissful climax. The lick by lick is a tailored step by step method that will surely assist you in giving your girl the most satisfying cunnilingus ever.

Get the Guy

Learn Secrets of the Male Mind to Find the Man You Want and the Love You Deserve *Harper Collins*

Most dating books tell you what NOT to

do. Here's a book dedicated to telling you what you CAN do. In his book, *Get the Guy*, Matthew Hussey—relationship expert, matchmaker, and star of the reality show *Ready for Love*—reveals the secrets of the male mind and the fundamentals of dating and mating for a proven, revolutionary approach to help women to find lasting love. Matthew Hussey has coached thousands of high-powered CEOs, showing them how to develop confidence and build relationships that translate into professional success. Many of Matthew's male clients pressed him for advice on how to apply his winning strategies not to just get the job, but how to get the girl. As his reputation grew, Hussey was approached by more and more women, eager to hear what he had learned about

the male perspective on love and romance. From landing a first date to establishing emotional intimacy, playful flirtation to red-hot bedroom tips, Matthew's insightfulness, irreverence, and warmth makes *Get the Guy: Learn Secrets of the Male Mind to Find the Man You Want and the Love You Deserve* a one-of-a-kind relationship guide and the handbook for every woman who wants to get the guy she's been waiting for.

Manufacturing Processes for Design Professionals *Thames & Hudson*

An encyclopaedic guide to production techniques and materials for product and industrial designers, engineers, and architects. Today's product designers are presented with a myriad of choices when creating their work and preparing

it for manufacture. They have to be knowledgeable about a vast repertoire of processes, ranging from what used to be known as traditional "crafts" to the latest technology, to enable their designs to be manufactured effectively and efficiently. Information on the internet about such processes is often unreliable, and search engines do not usefully organize material for designers. This fundamental new resource explores innovative production techniques and materials that are having an impact on the design industry worldwide. Organized into four easily referenced parts—Forming, Cutting, Joining, and Finishing—over seventy manufacturing processes are explained in depth with full technical descriptions; analyses of the typical applications, design opportunities, and

considerations each process offers; and information on cost, speed, and environmental impact. The accompanying step-by-step case studies look at a product or component being manufactured at a leading international supplier. A directory of more than fifty materials includes a detailed technical profile, images of typical applications and finishes, and an overview of each material's design characteristics. With some 1,200 color photographs and technical illustrations, specially commissioned for this book, this is the definitive reference for product designers, 3D designers, engineers, and architects who need a convenient, highly accessible, and practical reference.

How to Text a Girl

A Girls Chase Guide

"One of the world's most vaunted dating experts shows you what to text, when to text it, and why... So you can get the dates and girlfriends you deserve..." --

A Program For You

A Guide To the Big Book's Design for Living *Simon and Schuster*

You can't beat the basics in times of trouble. During the the coronavirus pandemic, take a fresh look at the twelve steps, and the Big Book's wisdom for healing and hope. A Program for You leads each of us--newcomer or old-timer--to a deeper understanding of recovery as a way of life. A Program for You clears our way for discovering positive, powerful answers to these questions. In

the years since 1939, the Big Book, Alcoholics Anonymous, has guided millions in their search for a design for healthy living free of addictive behaviors. Now, two program old-timers share their years of intensive study of the Big Book, revealing the vitality of its message for those of us reading it today. This celebration of the basic text of Twelve Step recovery breathes new life into the Big Book's timeless wisdom. Thoroughly annotated line and page, written with down-to-earth humor and simplicity, and providing a contemporary context for understanding, A Program for You helps us experience the same path of renewal that Bill W. and the first on hundred AA members did.

Capture His Heart

Becoming the Godly Wife Your Husband Desires *Moody Publishers*

A truly fulfilling marriage involves two people focusing on each others' needs rather than their own. Lysa TerKeurst, president of The Proverbs 31 Ministry, has written a practical guide for each spouse that will open their eyes to the needs, desires, and longings of the other. She offers eight essential criteria for capturing the heart of your spouse, with creative tips on how to accomplish them. Having a great marriage takes time, creativity, and willingness. Capture His Heart and Capture Her Heart are excellent tools to help spouses run this very worthwhile race. Husbands Need Their Wives To: 1. Support Them Spiritually 2. Encourage Them Emotionally 3. Enjoy Them Sexually 4.

Appreciate Them Vocationally 5. Engage Them Intellectually 6. Connect with Them Relationally 7. Affirm Them Physically 8. Stand by Them Permanently

Dictionary of Sports and Games Terminology *McFarland*

The specialized jargon of some sports can be quite esoteric. Non-Americans, for example, are likely puzzled by baseball terms such as bunt, cut-off man, and safety squeeze, while the non-British may pause over cricket's Chinaman, doosra, golden duck, off-break, popping crease, and yorker. This new dictionary gives the definitions of more than 8,000 terms used in sports and games from around the world, including mainstream sports like

basketball and billiards alongside the more obscure netball and snooker. Entries cover sports equipment, strategies, venues, qualifying categories, awards, and administrative bodies, while a comprehensive system of cross-references offers assistance and clarification when needed. An appendix lists standard abbreviations of sports ruling bodies and administrative organizations.

The First Mrs. Rothschild
AmazonCrossing

In this award-winning historical saga, passionate young lovers in a Jewish ghetto rise to become the foremost financial dynasty in the world. It is the turn of the eighteenth century in Frankfurt, Germany, and young Gutle

and Meir Amschel Rothschild struggle to establish themselves in the cramped and restricted Judengasse. But when Meir's talents as a novice banker catch the attention of a German prince, Meir is suddenly afforded entrée into the European world of finance and nobility, and the Rothschilds' lives are changed forever. As proud as Gutle is of her husband's success, she is also cautious--very much aware of the fact that her husband's rise is tied to his patrons' willingness to "see past" his Jewishness. As their family grows, and a dream of fortune comes true, so does their belief that money will ultimately bring the power needed to establish Jewish civil rights. Told through Gutle's intimate journals, revealed across decades--from the French Revolution through personal

tragedies and triumphs--The First Mrs. Rothschild paints a rich and intimate tapestry of family drama, world-changing history, and one woman's steadfast strength.

Twelve Years a Slave *Prabhat Prakashan*

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt
