Social Work Research and Evaluation - Ebok - Richard M ...

So, research is important to social work because it helps us be effective! According to the NASW, research in social work helps us: Assess the needs and resources of people in their environments; Evaluate the effectiveness of social work services in meeting peoples needs; Demonstrate relative costs and benefits of social work services

So why is research important to social work? | Morgan Brenner

Evaluation is a methodological area that is closely related to, but distinguishable from more traditional social research. Evaluation utilizes many of the same methodologies used in traditional social research, but because evaluation takes place within a political and organizational context, it requires group skills, management ability, political dexterity, sensitivity to multiple stakeholders and other skills that social research in general does not rely on as much.
