Unter den Selbstpublizierten Superheldenromanen waren Super Powered's Year 1 und Year 2 auf meiner Lieblingsliste. Band 3 ist allerdings in my humble opinion deutlich schwächer. Die Helden bzw. Studenten aus den Bänden 1 und 2 sind inzwischen etwas auseinandergedriftet.

Super Powered's: Year Three Edit Junior year has come for the remaining students of Melbrook Hall, and it promises to be the most difficult one yet. With one of their own gone and another under serious investigation, none of the former Powered's knows how many days remain for them in the Hero Certification Program.

Welcome to Super Powered's, the story of five young people with abilities they cannot control, called "Powered's" by society. They are resigned to life with their personal hurdles, until one day each is approached by a company claiming they have a new procedure to turn Powered's into Supers, people who can control their abilities at will.

Super Powered's contains examples of: Act of True Love: Half way through the third year, the Melbrook powered's are prepared to sacrifice their memories with Nick. They don't, but the message they made was clear: One for all, and all for one. Adaptive Ability: Titan's power, as well as Hershel's actual power.

**Super Powereds Series Audiobooks | Audible.co.uk**

I think 'Super Powereds: Year 3' is the best in the series so far! The book has a ton of action from start to finish with more fascinating bouts than just one on one student matches. Add in a few twists and turns along with getting a longer look at some more peripheral characters and you got yourself a heck of a story.

**Super Powereds: Year 3 by Drew Hayes, Paperback | Barnes ...**

SP3 – and by extension, the whole Super Powereds series – is not a run-of-the-mill linear story. He can weave mysteries and plots that resolve themselves right there in the book with multiple overarching slow-burning storylines, and he does it with great finesse.

**Amazon.com: Super Powereds: Year 3 eBook: Hayes, Drew ...**

Hershel and Roy Daniels are one of the 5 "prototype" Powereds who underwent a mysterious operation in order to grant them control over their abilities. They were college students that attended Lander's Hero Certification Program (HCP).. After graduating from the HCP, they took the Hero name Ettin and interned under Titan in Brewster. In the future, he joins Titan's hero team, the Gentle Hammers.

Super Powereds: Year 1 Publisher's Summary Knowledge is power. That would be the motto of Lander University, had it not been snatched up and used to death by others long before the school was founded.

**Super Powereds Audiobooks | Audible.com**

Super Powereds TV Series/Movie Do you think it would be cool to see a Super Powereds series (HBO/Showtime) or maybe even a feature length film? I think the TV series would be much more enjoyable as more details could be in the show than in a movie but I also think that seeing this on the big screen would be awesome.
