So Long, and Thanks for All the Fish *Del Rey*

Now celebrating the 42nd anniversary of The Hitchhiker's Guide

to the Galaxy, soon to be a Hulu original series! "A madcap adventure . . . Adams's writing teeters on the fringe of inspired lunacy."—United Press International Back on Earth with nothing more to show for his long, strange trip through time and space than a ratty towel and a plastic shopping bag, Arthur Dent is ready to believe that the past eight years were all just a figment of his stressed-out imagination. But a gift-wrapped fishbowl with a cryptic inscription, the mysterious disappearance of Earth's dolphins, and the discovery of his battered copy of The Hitchhiker's Guide to the Galaxy all conspire to give Arthur the sneaking suspicion that

something otherworldly is indeed going on. God only knows what it all means. Fortunately, He left behind a Final Message of explanation. But since it's light-years away from Earth, on a star surrounded by souvenir booths, finding out what it is will mean hitching a ride to the far reaches of space aboard a UFO with a giant robot. What else is new? "The most ridiculously exaggerated situation comedy known to created beings . . . Adams is irresistible."—The Boston Globe

So Long, and Thanks for All the Fish *Pan Macmillan*

So Long, and Thanks for All the Fish is the fourth installment in

Douglas Adams' bestselling cult classic, the Hitchhiker's Guide to the Galaxy 'trilogy'. This edition includes exclusive bonus material from the Douglas Adams archives, and an introduction by Neil Gaiman. There is a knack to flying. The knack lies in learning how to throw yourself at the ground and miss. It's not an easy thing to do, and Arthur Dent thinks he's the only human who's been able to master this nifty little trick – until he meets Fenchurch, the woman of his dreams. Fenchurch once realized how the world could be made a good and happy place. Unfortunately, she's forgotten. Convinced that the secret lies within God's Final

Message to His Creation, they go in search of it. And, in a dramatic break with tradition, actually find it . . . Follow Arthur Dent's galactic (mis)adventures in the last of the 'trilogy of five', Mostly Harmless.

So Long, and Thanks for All the Fish: Hitchhiker's Guide to the Galaxy Book 4

And Another Thing...

Hachette Books

And Another Thing ... will be the sixth novel in the now improbably named Hitchhiker's Guide to the Galaxy trilogy. Eight years after the death of its creator, Douglas Adams, the author's widow, Jane Belson, has given her approval for the project to be continued by the international number one bestselling children's writer, Eoin Colfer, author of the *Artemis Fowl* novels. Douglas Adams himself once said, 'I suspect at some point in the future I will write a sixth Hitchhiker book. Five seems to be a wrong kind of number, six is a better kind of number.' Belson said of Eoin Colfer, 'I love his books and could not think of a better person

to transport Arthur, Zaphod and Marvin to pastures new.' Colfer, a fan of Hitchhiker since his schooldays, said, 'Being given the chance to write this book is like suddenly being offered the superpower of your choice. For years I have been finishing this incredible story in my head and now I have the opportunity to do it in the real world.' Prepare to be amazed...

Hitchhiker

A Biography of Douglas Adams

Justin, Charles & Co.

A biography of the creator of "The Hitchhiker's Guide to the Galaxy" focuses on Adams's interests and influences, which include Monty Python, Dr. Who, and the

Beatles, as well as his numerous famous friendships.

The Ultimate Hitchhiker's Guide to the Galaxy

Five Novels in One Outrageous Volume

Del Rey

In one complete volume, here are the five classic novels from Douglas Adams's beloved Hitchhiker series. Now celebrating the pivotal 42nd anniversary of The Hitchhiker's Guide to the Galaxy, soon to be a Hulu original series! The Hitchhiker's Guide to the Galaxy (Nominated as one of America's best-loved novels by PBS's The Great American Read) Seconds before the Earth is demolished for a galactic freeway, Arthur Dent is saved by

Ford Prefect, a researcher for the revised Guide. Together they stick out their thumbs to the stars and begin a wild journey through time and space. The Restaurant at the End of the Universe The moment before annihilation at the hands of warmongers is a curious time to crave tea. It could only happen to the cosmically displaced Arthur Dent and his comrades as they hurtle across the galaxy in a desperate search for a place to eat. Life, the Universe and Everything The unhappy inhabitants of planet Krikkit are sick of looking at the night sky- so they plan to destroy it. The universe, that is. Now only five individuals can avert Armageddon: mild-mannered Arthur Dent and his stalwart crew. So Long, and Thanks for All the Fish Back on Earth, Arthur Dent is ready to believe that the past eight years were all just a figment of his stressed-out imagination. But a gift-wrapped fishbowl with a cryptic inscription thrusts him back to reality. So to speak. Mostly Harmless Just when Arthur Dent makes the terrible mistake of starting to enjoy life, all hell breaks loose. Can he save the Earth from total obliteration? Can he save the Guide from a hostile alien takeover? Can he save his daughter from herself? Includes the bonus story "Young Zaphod Plays It Safe" "With droll wit, a keen eye for detail and

heavy doses of insight . . . Adams makes us laugh until we cry.”—San Diego Union-Tribune “Lively, sharply satirical, brilliantly written . . . ranks with the best set pieces in Mark Twain.”—The Atlantic

Mostly Harmless
Hitchhiker's Guide to the Galaxy

Raised on a planet at the remote edge of the universe, the daughter of Arthur Dent sets out on a transgalactic quest to find the planet of her ancestors

The Hitchhiker's Guide to the Galaxy

42nd Anniversary Edition *Pan Macmillan*

'One of the greatest achievements in comedy. A work of staggering genius' - David Walliams An

international phenomenon and pop-culture classic, *The Hitchhiker's Guide to the Galaxy* has been a radio show, TV series, novel, stage play, comic book and film. Following the galactic (mis)adventures of Arthur Dent, *Hitchhiker's* in its various incarnations has captured the imaginations of curious minds around the world . . . It's an ordinary Thursday lunchtime for Arthur Dent until his house gets demolished. The Earth follows shortly afterwards to make way for a new hyperspace express route, and his best friend has just announced that he's an alien. At this moment, they're hurtling through space with nothing but their

towels and an innocuous-looking book inscribed, in large friendly letters, with the words: DON'T PANIC. The weekend has only just begun . . . This 42nd Anniversary Edition includes exclusive bonus material from the Douglas Adams archives, and an introduction by former Doctor Who showrunner, Russell T Davies. Continue Arthur Dent's intergalactic adventures in the rest of the trilogy with five parts: *The Restaurant at the End of the Universe*, *Life, the Universe and Everything*, *So Long, and Thanks for All the Fish*, and *Mostly Harmless*.

Don't Panic

Douglas Adams & The Hitchhiker's Guide to the Galaxy

Open Road Media

The #1 New York Times–bestselling author's “hilarious . . . idiosyncratic . . . delightful” and definitive companion to a global phenomenon (Publishers Weekly). Douglas Adams's “six-part trilogy,” *The Hitchhiker's Guide to the Galaxy* grew from a blip of a notion into an ever-expanding multimedia universe that amassed an unprecedented cult of followers and became an international sensation. As a young journalist, Neil Gaiman was given complete access to Adams's life, times, gossip, unpublished outtakes, and files (and became privy to his writing process, insecurities,

disillusionments, challenges, and triumphs). The resulting volume illuminates the unique, funny, dramatic, and improbable chronicle of an idea, an incredibly tall man, and a mind-boggling success story. In *Don't Panic*, Gaiman celebrates everything Hitchhiker: the original radio play, the books, comics, video and computer games, films, television series, record albums, stage musicals, one-man shows, the Great One himself, and towels. And as Douglas Adams himself attested: "It's all absolutely devastatingly true—except the bits that are lies." Updated several times in the thirty years since its original publication, *Don't Panic* is available for the first time in

digital form. Part biography, part tell-all parody, part pop-culture history, part guide to a guide, *Don't Panic* "deserves as much cult success as the Hitchhiker's books themselves" (Time Out).

The Hitchhiker's Guide to the Galaxy

Paw Prints

Chronicles the journeys, notions, and acquaintances of reluctant galactic traveler Arthur Dent, accompanied by never-before-published material from the late author's archives as well as commentary by famous fans.

So Long, and Thanks for All the Fish (The Hitchhiker #4).

Life, the Universe and Everything:

Hitchhiker's Guide to the Galaxy Book 3

Pan

Part three of the Hitchhiker's Guide to the Galaxy trilogy of five books. Featuring exclusive bonus material from the Douglas Adams archives, and an introduction from Simon Brett, producer of the original radio broadcast. In *Life, the Universe and Everything*, the third book in Douglas Adams' blockbuster sci-fi comedy series, Arthur Dent finds himself enlisted to prevent a galactic war. Following a number of stunning catastrophes, which have involved him being alternately blown up and insulted in ever stranger regions of the Galaxy, Arthur Dent is surprised to find

himself living in a cave on prehistoric Earth. However, just as he thinks that things cannot get possibly worse, they suddenly do. An eddy in the space-time continuum lands him, Ford Prefect, and their flying sofa in the middle of the cricket ground at Lord's, just two days before the world is due to be destroyed by the Vogons. Escaping the end of the world for a second time, Arthur, Ford, and their old friend Slartibartfast embark (reluctantly) on a mission to save the whole galaxy from fanatical robots. Not bad for a man in his dressing gown. Follow Arthur Dent's galactic (mis)adventures in the rest of the trilogy with five parts: *So Long*, *and Thanks for All the Fish*, and *Mostly*

Harmless.

So Long and Thanks for the Fish

Vishnu's Crowded Temple

India Since the Great Rebellion *Yale University Press*

As it enters its sixtieth year of independence, India stands on the threshold of superpower status. Yet India is strikingly different from all other global colossi. While it is the world's most populous democracy and enjoys the benefits of its internationally competitive high-tech and software industries, India also contends with extremes of poverty, inequality, and political and religious violence. This accessible and vividly written book

presents a new interpretation of India's history, focusing particular attention on the impact of British imperialism on Independent India. Maria Misra begins with the rebellion against the British in 1857 and tracks the country's advance to the present day. India's extremes persist, the author argues, because its politics rest upon a peculiar foundation in which traditional ideas of hierarchy, difference, and privilege coexist to a remarkable degree with modern notions of equality and democracy. The challenge of India's leaders today, as in the last sixty years, is to weave together the disparate threads of the nation's ancient culture, colonial

legacy, and modern experience.

Anatomy of Wonder

A Critical Guide to Science Fiction

Libraries Unltd Incorporated

Barron's classic work has been updated and reorganized to reflect changes in the genre over the past decade, and meet the needs and tastes of today's readers and those who work with them. Renowned experts in the field have provided authoritative historical and contemporary coverage of the best in science fiction. Users will find succinct, critical discussions of more than 1,400 science fiction novels, story collections, and anthologies, along with a comprehensive survey of the

"secondary" literature, chapters on teaching science fiction, titles appropriate for--or appealing to--teens, a directory of libraries containing significant collections of science fiction, and and award-winning titles and titles of literary merit. Author, title, and theme indexes provide additional points of access. An essential tool for collection development, research, and reference, this book also supports readers' advisory work.

The Salmon of Doubt

Hitchhiking the Galaxy One Last Time *Del Rey*

"A fitting eulogy to the master of wacky words and even wackier tales . . . Salmon leaves no doubt as to Adams's

lasting legacy.”—Entertainment Weekly With an introduction to the introduction by Terry Jones Douglas Adams changed the face of science fiction with his cosmically comic novel *The Hitchhiker’s Guide to the Galaxy* and its classic sequels. Sadly for his countless admirers, he hitched his own ride to the great beyond much too soon. Culled posthumously from Adams’s fleet of beloved Macintosh computers, this selection of essays, articles, anecdotes, and stories offers a fascinating and intimate portrait of the multifaceted artist and absurdist wordsmith. Join Adams on an excursion to climb Kilimanjaro . . . dressed in a rhino costume;

peek into the private life of Genghis Khan—warrior and world-class neurotic; root for the harried author’s efforts to get a Hitchhiker movie off the ground in Hollywood; thrill to the further exploits of private eye Dirk Gently and two-headed alien Zaphod Beeblebrox. Though Douglas Adams is gone, he’s left us something very special to remember him by. Without a doubt. “Worth reading and even cherishing, if only because it’s the last we’ll hear from the master of comic science fiction.”—The Star-Ledger

Mostly Harmless *Del Rey*

Now celebrating the 42nd anniversary of *The Hitchhiker’s Guide to the Galaxy*, soon to

be a Hulu original series! “Hitchhiker fans rejoice! . . . [Here’s] more of the same zany nonsensical mayhem.”—The New York Times Book Review It’s easy to get disheartened when your planet has been blown up and the woman you love has vanished due to a misunderstanding about space/time. However, instead of being disheartened, Arthur Dent makes the terrible mistake of starting to enjoy life a bit—and immediately all hell breaks loose. Hell takes a number of forms: there’s the standard Ford Prefect version, in the shape of an all-new edition of The Hitchhiker’s Guide to the Galaxy, and a totally unexpected manifestation in the form of a teenage girl

who startles Arthur Dent by being his daughter when he didn’t even know he had one. Can Arthur save the Earth from total multidimensional obliteration? Can he save the Guide from a hostile alien takeover? Can he save his daughter, Random, from herself? Of course not. He never works out exactly what is going on. Will you? “Douglas Adams is a terrific satirist. . . . He is anything but harmless.”—The Washington Post Book World

The Original Hitchhiker's Guide to the Galaxy Radio Scripts *Pan Macmillan*

March 1978 saw the first ever transmission of Douglas Adams' The Hitchhiker's Guide to the Galaxy on BBC

Radio 4; the beginning of a cult phenomenon. March 2020 marks the 42nd anniversary of that first transmission – 42 being the answer, of course, to the Ultimate Question of Life, the Universe, and Everything. To mark the occasion, Pan Macmillan are bringing back into print *The Hitchhiker's Guide to the Galaxy: The Original Radio Scripts* with an introduction from Simon Jones. The collection also includes the previously 'lost' Hitchhiker script from the 25th anniversary edition, 'Sheila's Ear' and the original introductions by producer Geoffrey Perkins and Douglas Adams. This collection, which is a faithful reproduction of the text as it was first published in 1985, features all twelve original radio scripts – Hitchhiker as it was written and exactly as it was broadcast for the very first time. They include amendments and additions made during recordings and original notes on the writing and producing of the series by Douglas Adams and Geoffrey Perkins. For those who have always loved Douglas Adams, as well as for his new generation of fans, these scripts are essential reading and a must-have piece of Adams memorabilia. This special anniversary edition will accompany reissued eye-catching editions of the five individual Hitchhiker books coming in March 2020: *The Hitchhiker's Guide to the Galaxy*, *The*

Restaurant at the End of the Universe, Life, the Universe and Everything, So Long, and Thanks for All the Fish and Mostly Harmless.

I'm Glad My Mom Died *Simon and Schuster*

#1 NEW YORK TIMES BESTSELLER #1 INTERNATIONAL BESTSELLER

A heartbreaking and hilarious memoir by iCarly and Sam & Cat star Jennette McCurdy about her struggles as a former child actor—including eating disorders, addiction, and a complicated relationship with her overbearing mother—and how she retook control of her life. Jennette McCurdy was six years old when she had her first acting audition. Her mother's

dream was for her only daughter to become a star, and Jennette would do anything to make her mother happy. So she went along with what Mom called “calorie restriction,” eating little and weighing herself five times a day. She endured extensive at-home makeovers while Mom chided, “Your eyelashes are invisible, okay? You think Dakota Fanning doesn’t tint hers?” She was even showered by Mom until age sixteen while sharing her diaries, email, and all her income. In *I’m Glad My Mom Died*, Jennette recounts all this in unflinching detail—just as she chronicles what happens when the dream finally comes true. Cast in a new Nickelodeon series

called iCarly, she is thrust into fame. Though Mom is ecstatic, emailing fan club moderators and getting on a first-name basis with the paparazzi ("Hi Gale!"), Jennette is riddled with anxiety, shame, and self-loathing, which manifest into eating disorders, addiction, and a series of unhealthy relationships. These issues only get worse when, soon after taking the lead in the iCarly spinoff Sam & Cat alongside Ariana Grande, her mother dies of cancer. Finally, after discovering therapy and quitting acting, Jennette embarks on recovery and decides for the first time in her life what she really wants. Told with refreshing candor and dark

humor, I'm Glad My Mom Died is an inspiring story of resilience, independence, and the joy of shampooing your own hair.

The Hitchhiker's Guide to the Galaxy

A Trilogy in Four Parts *Pan MacMillan*

A one-volume edition charting Arthur Dent's odyssey through space, comprising: "The Hitchhikers Guide to the Galaxy": One Thursday lunchtime the Earth gets demolished to make way for a hyperspace bypass. For Arthur, who has just had his house demolished, this is too much. Sadly, the weekend's just begun. "The Restaurant at the End of the Universe": When all issues of space, time,

matter and the nature of being are resolved, only one question remains: Where shall we have dinner? "The Restaurant at the End of the Universe" provides the ultimate gastronomic experience and, for once, there is no morning after. "Life, the Universe and Everything": In consequence of a number of stunning catastrophes, Arthur Dent is surprised to find himself living in a hideously miserable cave on prehistoric Earth. And then, just as he thinks that things cannot possibly get any worse, they suddenly do. "So Long, and Thanks for all the Fish": Arthur Dent's sense of reality is in its dickiest state when he suddenly finds the girl of his dreams. They go

in search of God's Final Message and, in a dramatic break with tradition, actually find it.

Philosophy and The Hitchhiker's Guide to the Galaxy *Springer*

The Hitchhiker's Guide to the Galaxy provides an excellent way of looking at some intriguing issues in philosophy, from vegetarianism and Artificial Intelligence to God, space and time. This is an entertaining yet thought provoking volume for students, philosophers and fans of The Hitchhiker's series.

Space-Girl Michelle So Long and Thanks For All the Coffee (#7) *Clinton Armer*

The seventh awesome book in the Space-Girl Michelle series,

Therese and her friends fight to never fight again as some of the Space-Girls travel back to the 1980's to save the galaxy.

Long Dark Tea-Time of the Soul *Simon and Schuster*

When a passenger check-in desk shoots through the roof of a terminal at Heathrow Airport in flames, Dirk Gently investigates the cosmic forces at play

Pinocchio, the Tale of a Puppet

Pinocchio, The Tale of a Puppet follows the adventures of a talking wooden puppet whose nose grew longer whenever he told a lie and who wanted more than anything else to become a real boy. As carpenter Master Antonio begins to carve a block of

pinewood into a leg for his table the log shouts out, "Don't strike me too hard!" Frightened by the talking log, Master Cherry does not know what to do until his neighbor Geppetto drops by looking for a piece of wood to build a marionette. Antonio gives the block to Geppetto. And thus begins the life of Pinocchio, the puppet that turns into a boy. Pinocchio, The Tale of a Puppet is a novel for children by Carlo Collodi is about the mischievous adventures of Pinocchio, an animated marionette, and his poor father and woodcarver Geppetto. It is considered a classic of children's literature and has spawned many derivative works of art. But this is not the story

we've seen in film but the original version full of harrowing adventures faced by Pinnocchio. It includes 40 illustrations.

The Hitchhiker's Guide to the Galaxy

The Quintland Sisters

A Novel *HarperCollins*

"A historical novel that will enthrall you... I was utterly captivated..." — Joanna Goodman, author of *The Home for Unwanted Girls* AN INTERNATIONAL BESTSELLER For fans of *Sold on a Monday* or *The Home for Unwanted Girls*, Shelley Wood's novel tells the story of the Dionne Quintuplets, the world's first identical quintuplets to survive birth, told from the perspective of a

midwife in training who helps bring them into the world. Reluctant midwife Emma Trimpany is just 17 when she assists at the harrowing birth of the Dionne quintuplets: five tiny miracles born to French farmers in hardscrabble Northern Ontario in 1934. Emma cares for them through their perilous first days and when the government decides to remove the babies from their francophone parents, making them wards of the British king, Emma signs on as their nurse. Over 6,000 daily visitors come to ogle the identical "Quints" playing in their custom-built playground; at the height of the Great Depression, the tourism and advertising dollars pour in. While the rest of the

world delights in their sameness, Emma sees each girl as unique: Yvonne, Annette, Cécile, Marie, and Émilie. With her quirky eye for detail, Emma records every strange twist of events in her private journals. As the fight over custody and revenues turns increasingly explosive, Emma is torn between the fishbowl sanctuary of Quintland and the wider world, now teetering on the brink of war. Steeped in research, *The Quintland Sisters* is a novel of love, heartache, resilience, and enduring sisterhood—a fictional, coming-of-age story bound up in one of the strangest true tales of the past century.

Verity *Grand Central Publishing*

New York Times Bestseller USA Today Bestseller The Globe and Mail Bestseller Publishers Weekly Bestseller Whose truth is the lie? Stay up all night reading the sensational psychological thriller that has readers obsessed, from the #1 New York Times bestselling author of *It Ends With Us*. Lowen Ashleigh is a struggling writer on the brink of financial ruin when she accepts the job offer of a lifetime. Jeremy Crawford, husband of bestselling author Verity Crawford, has hired Lowen to complete the remaining books in a successful series his injured wife is unable to finish. Lowen arrives at the Crawford home, ready to sort through years of Verity's notes

and outlines, hoping to find enough material to get her started. What Lowen doesn't expect to uncover in the chaotic office is an unfinished

autobiography Verity never intended for anyone to read. Page after page of bone-chilling admissions, including Verity's recollection of the night her family was forever altered. Lowen decides to keep the manuscript hidden from Jeremy, knowing its contents could devastate the already grieving father. But as Lowen's feelings for Jeremy begin to intensify, she recognizes all the ways she could benefit if he were to read his wife's words. After all, no matter how devoted Jeremy is to his injured wife, a truth this

horrifying would make it impossible for him to continue loving her.

The Seven Husbands of Evelyn Hugo

A Novel *Simon and Schuster*

The epic adventures Evelyn creates over the course of a lifetime will leave every reader mesmerized. This wildly addictive journey of a reclusive Hollywood starlet and her tumultuous Tinseltown journey comes with unexpected twists and the most satisfying of drama.

The Hitchhiker's Guide to the Galaxy
BBC Worldwide Publishing

Following Arthur Dent's many space adventures, this CD box set contains both

radio series (12 episodes) plus Douglas Adams' guide to The Hitchhiker's Guide to the Galaxy and interviews with cast members and the late Douglas Adams.

So Long and Thanks for All the Fish
Turtleback

Reluctant galactic wanderer Arthur Dent finds himself back on Earth, which has been restored after having been demolished for a hyperspace bypass, and again sets out on his travels with a girl who went mad at the Earth's destruction

Occupational Outlook Handbook

The Deeper Meaning of Liff

A Dictionary of Things There Aren't

Any Words for Yet--But There Ought to Be
Crown Archetype

A rollicking, thought-provoking dictionary for the modern age, featuring definitions for those things we don't have words for, from the New York Times bestselling author behind The Hitchhiker's Guide to the Galaxy, Douglas Adams, and TV producer John Lloyd. Does the sensation of Tingrith(1) make you yelp? Do you bend sympathetically when you see someone Ahenny(2)? Can you deal with a Naugatuck(3) without causing a Toronto(4)? Will you suffer from Kettering(5) this summer? Probably. You are almost certainly familiar with all these experiences but just didn't know that there are words for them.

Well, in fact, there aren't—or rather there weren't, until Douglas Adams and John Lloyd decided to plug these egregious linguistic lacunae(6). They quickly realized that just as there are an awful lot of experiences that no one has a name for, so there are an awful lot of names for places you will never need to go to. What a waste. As responsible citizens of a small and crowded world, we must all learn the virtues of recycling(7) and put old, worn-out but still serviceable names to exciting, vibrant, new uses. This is the book that does that for you: The Deeper Meaning of Liff—a whole new solution to the problem of Great Wakering(8)

1—The feeling of aluminum foil against your fillings. 2—The way people stand when examining other people's bookshelves. 3—A plastic packet containing shampoo, mustard, etc., which is impossible to open except by biting off the corners. 4—Generic term for anything that comes out in a gush, despite all your efforts to let it out carefully, e.g., flour into a white sauce, ketchup onto fish, a dog into the yard, and another naughty meaning that we can't put on the cover. 5—The marks left on your bottom and thighs after you've been sitting sunbathing in a wicker chair. 6—God knows what this means 7—For instance, some of this book was first published in Britain twenty-six years ago. 8—Look it up yourself.

iGen

Why Today's Super-Connected Kids Are Growing Up Less Rebellious, More Tolerant, Less Happy--and Completely Unprepared for Adulthood--and What That Means for the Rest of Us

Simon and Schuster

As seen in Time, USA TODAY, The Atlantic, The Wall Street Journal, and on CBS This Morning, BBC, PBS, CNN, and NPR, iGen is crucial reading to understand how the children, teens, and young adults born in the mid-1990s and later are vastly different from their Millennial predecessors, and from any other generation. With generational divides wider than

ever, parents, educators, and employers have an urgent need to understand today's rising generation of teens and young adults. Born in the mid-1990s up to the mid-2000s, iGen is the first generation to spend their entire adolescence in the age of the smartphone. With social media and texting replacing other activities, iGen spends less time with their friends in person—perhaps contributing to their unprecedented levels of anxiety, depression, and loneliness. But technology is not the only thing that makes iGen distinct from every generation before them; they are also different in how they spend their time, how they behave, and

in their attitudes toward religion, sexuality, and politics. They socialize in completely new ways, reject once sacred social taboos, and want different things from their lives and careers. More than previous generations, they are obsessed with safety, focused on tolerance, and have no patience for inequality. With the first members of iGen just graduating from college, we all need to understand them: friends and family need to look out for them; businesses must figure out how to recruit them and sell to them; colleges and universities must know how to educate and guide them. And members of iGen also need to understand themselves as they communicate with

their elders and explain their views to their older peers. Because where iGen goes, so goes our nation—and the world.

Dirk Gently's Holistic Detective Agency
Simon and Schuster

From Douglas Adams, the legendary author of one of the most beloved science fiction novels of all time, *The Hitchhiker's Guide to the Galaxy*, comes a wildly inventive novel—in trade paperback for the first time—of ghosts, time travel, and one detective's mission to save humanity from extinction. Quirky and bumbling private investigator Dirk Gently stumbles upon a ghost, millions of years old, wandering the earth and disturbing its people.

Dirk soon discovers this phantom yearns for more than a good haunting: it is desperately trying to go back in time to prevent its own death. But this ghost was no ordinary person, and helping it save itself just might change the modern world as we know it. And not in a good way... Endlessly entertaining, Dirk Gently's Holistic Detective Agency proves that, indeed, "few writers have had such an infectious prose style as Adams" (The Observer). As Dirk Gently tries to solve the mysteries of the universe and the human soul, readers will have their own mystery to solve: Where did the time go?

Doctor Who and The Pirate Planet (target

collection) *Random House*

This all-new Target novelisation is based on the televised version of The Pirate Planet. The hugely powerful Key to Time has been split into six segments, all of which have been disguised and hidden throughout time and space. Now the even more powerful White Guardian wants the Doctor to find the pieces. With the first segment successfully retrieved, the Doctor, Romana and K-9 trace the second segment of the Key to the planet Calufrax. But when they arrive at exactly the right point in space, they find themselves on exactly the wrong planet - Zanak. Ruled by the mysterious 'Captain', Zanak is a happy and

prosperous planet. Mostly. If the mines run out of valuable minerals and gems then the Captain merely announces a New Golden Age and they fill up again. It's an economic miracle - so obviously something's very wrong... For a much expanded version based on Douglas Adams' first draft scripts, check out BBC Books' hardback edition of *The Pirate Planet*".

It Ends with Us

A Novel *Pocket Books*

In this "brave and heartbreaking novel that digs its claws into you and doesn't let go, long after you've finished it" (Anna Todd, New York Times bestselling author) from the #1 New York

Times bestselling author of *All Your Perfects*, a workaholic with a too-good-to-be-true romance can't stop thinking about her first love. Lily hasn't always had it easy, but that's never stopped her from working hard for the life she wants. She's come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily's life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He's also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn't hurt.

Lily can't get him out of her head. But Ryle's complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his "no dating" rule, she can't help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is "a glorious and touching read, a forever keeper. The kind of book that gets handed down" (USA TODAY).

Atomic Habits

An Easy & Proven Way to Build Good Habits & Break Bad Ones *Penguin*

The #1 New York Times bestseller. Over 4 million copies sold! *Tiny Changes, Remarkable Results* No matter your goals, *Atomic Habits* offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves

again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-

winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to:

- make time for new habits (even when life gets crazy);
- overcome a lack of motivation and willpower;
- design your environment to make success easier;
- get back on track when you fall off course;

...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or

simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

The Anarchist Cookbook *Lulu Press, Inc*

The Anarchist Cookbook will shock, it will disturb, it will provoke. It places in historical perspective an era when "Turn on, Burn down, Blow up" are revolutionary slogans of the day. Says the author "This book... is not written for the members of fringe political groups, such as the Weatherman, or The Minutemen. Those radical groups don't need this book. They already know everything that's in here. If the real people of America, the silent majority, are going to

survive, they must educate themselves. That is the purpose of this book." In what the author considers a survival guide, there is explicit information on the uses and effects of drugs, ranging from pot to heroin to peanuts. There is detailed advice concerning electronics, sabotage, and surveillance, with data on everything from bugs to scramblers. There is a comprehensive chapter on natural, non-lethal, and lethal weapons, running the gamut from cattle prods to sub-machine guns to bows and arrows.

Doctor Who: Shada

The Lost Adventures by Douglas Adams *Penguin*

From the unique mind

of Douglas Adams, legendary author of *The Hitchhiker's Guide to the Galaxy*, comes *Shada*, a story scripted for the television series *Doctor Who* but never produced—and now transformed into an original novel. A little knowledge is a dangerous thing. Imagine how dangerous a LOT of knowledge is... The Doctor's old friend and fellow Time Lord, Professor Chronotis, has retired to Cambridge University, where among the other doddering old professors nobody will notice if he lives for centuries. He took with him a few little souvenirs—harmless things really. But among them, carelessly, he took *The Worshipful and Ancient*

Law of Gallifrey. Even more carelessly, he has loaned this immensely powerful book to clueless graduate student Chris Parsons, who intends to use it to impress girls. *The Worshipful and Ancient Law* is among the most dangerous artifacts in the universe; it cannot be allowed to fall into the wrong hands. The hands of the sinister Skagra are unquestionably the wrongest ones possible. Skagra is a sadist and an egomaniac bent on universal domination. Having misguessed the state of fashion on Earth, he also wears terrible platform shoes. He is on his way to Cambridge. He wants the book. And he wants the Doctor...
