Social Problems 12th Edition D

In summary, this twelfth edition of Social Problems improves on the earlier editions by focusing more deliberately on five themes: (1) the structural sources of social problems; (2) the role of the United States in global social problems; (3) the centrality of class,

race, gender, sexuality, and disability as sources of division, inequality, and injustice; (4) the critical examination of society; and (5) solutions to social problems.
