There is no democracy in America apart from the multitude of struggles to bring in those who were previously excluded from political power by the system's very design. In other words, to speak of democracy in America is to recognize the slow and uneven process of democratizing what was originally an oligarchic, settler colonial, slaveholding republic — a political project that remains incomplete to this day.

The Struggle for Democracy in America Has Been One ...

India and the United States are not alone in their drift from the

ideals of liberal democracy. They are part of a global phenomenon in which freely elected leaders distance themselves from traditional elites and political norms, claim to speak for a more authentic popular base, and use the ensuing confrontations to justify extreme policies—against minorities and pluralism in particular.
