Human Rights (Very Short Introductions): Andrew Clapham ...

Human rights is often a contentious issue and the application of human rights law always follows a dispute. The concept of a 'human rights culture' means different things to different people. To some, it means ensuring that everyone is treated with respect. For others, it is about the protection of rights at the expense of the

general population. Is the story of human rights simply a dispute between those who believe and those who doubt?
