Trigger Susan Vaught

About the Author Susan Vaught, author of other books for young readers including Stormwitch, is a full-time neuropsychologist who has helped many patients with difficulties like Jersey's. She lives with her family in Tennessee.

Amazon.com: Trigger (9781582349206): Vaught, Susan: Books

In Trigger, the author Susan Vaught, portrays this aspect very clearly. She also uses other tactics to put the reader into the mindset of 17-year-old Jersey Hatch, who attempted suicide and is now dealing with random outbursts and scars all over his body. The last trait of the novel is how much science is lying beneath the story

Trigger by Susan Vaught - Goodreads

Trigger by Susan Vaught is a story narrated by Jersey Hatch, a

high school senior who has suffered a brain injury and cannot remember the last year or so of his life. His story begins as he is being released from Carter Brain Injury Center after nearly a year of therapy and rehabilitation.

Amazon.com: Trigger eBook: Vaught, Susan: Kindle Store

Jersey Hatch can't remember why he tried to kill himself. Coming out of rehab for the first time in a year, broken in both mind and body, Jersey must piece his life back together, step by painful step—from relearning to tie his own shoelaces, to graduating high school, to repairing old friendships, to coming face...

9781599902302 - Trigger by Susan Vaught

Author Susan Vaught is a practicing neuropsychologist, and her sensitivity toward the subject brings a heartbreaking realism to the story. Trigger is not an easy novel to read its style and its dark subject matter make it most appropriate for mature teens but it is an important one.

Book Review - Trigger by Susan Vaught | BookPage

Trigger is about a teenager that has lost part of his memory. He

is trying to remember why his best friend isn't talking to him and why he even shot himself in the head. I really liked this book but some parts were kind of confusing, especially when he was talking to himself.

Read Trigger Online by Susan Vaught | Books

Summary Trigger is a non-fiction book about how 17 year old teenager tried to commit suicide by shooting himself in the head with a pistol. After a year later after medical treatment he is trying to figure out why best friend hates him. He doesn't know how to keep random words from flying out his mouth.

Trigger by Susan Vaught by andy ramirez

Trigger by Susan Vaught Plot Summary: Jersey Hatch seemed to have it all together—he played sports, was popular, had a great girlfriend, best friend, and supportive parents.

Writer Musings: Trigger by Susan Vaught

Teenager Jersey Hatch must work through his extensive brain damage to figure out why he decided to shoot himself

Trigger: Susan Vaught: Bloomsbury USA Childrens

Author Susan Vaught is a neuropsychologist who works mainly with young people with head trauma. Through her words, the reader experiences the reality of a failed suicide--the frustration of the individual, the ambivalence of his parents, the fury that erupts within the caretaker household, the curiosity of outsiders, and, ultimately, the decision that can only be made by Jersey: rebuild his life or finish the job?

Trigger by Susan Vaught. Members: Reviews: Popularity: Average rating: Mentions: 218: 17: 91,033 (4.29) 3: Teenager Jersey Hatch must work through his extensive brain damage to figure out why he decided to shoot himself. all members

Trigger by Susan Vaught | LibraryThing

Susan Vaught is a brilliant author who really manages to get readers inside of Jersey's (damaged) mind in a way that makes them sympathize completely with him, even believing (sometimes) his claims to himself that he wasn't really the one who pulled the trigger and blew apart not only his head and his life, but the lives of everyone who cared about him - it was J.B., who, really, we know, is just Jersey, the same Jersey who is trying to reconnect with his old life, which is rather difficult ...

Young adult book reviews -- *Trigger* by Susan Vaught ...

Trigger, by Susan Vaught, begins as teenager Jersey Hatch is preparing to leave rehab, a year after, so people tell him, he shot himself in the head. Jersey doesn't remember shooting himself, nor does he remember the year leading up to the shooting, but

he knows that he and the people around him have been scarred by it.
