Beyond The Banality Of Evil

Beyond the Banality of Evil brings the crime of genocide into mainstream criminology with a provocative perspective that sheds new light on the mentality of its perpetrators. This work juxtaposes the mentality of the perpetrators with assumptions of criminal law, and raises important questions about the deterrent significance of the international legal responses to such crimes.

Augustine Brannigan's Beyond the Banality of Evil is a timely look at genocide and related state-initiated violence, including inter-ethnic conflict (p.2).

Beyond the Banality of Evil: Criminology and Genocide ...

Beyond the Banality of Evil represents an attempt to move criminology from its core (domestic crimes) to its periphery (international crimes). For those unaware, the phrase 'banality of evil' was first coined by the famous German-Jewish political theorist and philosopher Hannah Arendt while covering the 1961 trial of Adolf Eichmann in Jerusalem. Adolf Eichmann was a German Nazi SS-Obersturmbannführer (lieutenant colonel) who was tasked with, among other things, organizing the mass ...

BARRY CLARKE* Although the relevance o evif l to politics occupies a large part of the history of political thought few modern political theorists have paid sustained attention to the relationship between the political evils of our times and our understanding of the concept of evil.

Beyond 'The Banality of Evil' - Cambridge University Press

Carnahan and McFarland critique the situationist account of the Stanford prison experiment by arguing that understanding extreme action requires consideration of individual characteristics and the interaction between person and situation. Haslam and Reicher develop this argument in two ways. First, they reappraise historical and psychological evidence that supports the broader “banality of evil” thesis—the idea that ordinary people commit atrocities without awareness, care, or choice.

BEYOND THE BANALITY OF EVIL We must start by acknowledging that human evil is not banal in the sense of being simple. As shown above, people do not follow brutal leaders or enact brutal roles in groups unquestioningly and automatically. For those who eventually succumb, the journey to the

depths of depravity is conscious and demanding.

Beyond the Banality of Evil: Three Dynamics of an ...

In this way, old images of the Holocaust that sup- posedly illustrate the banality of evil are being chal- lenged by evidence that mass murder is not something that happens simply, easily, or mindlessly. Rather, it is the endpoint of a long and arduous journey of individ- ual socialization and social transformation.
