Learning from museums: visitor experiences and the making ...

Visitor experience is key to museum and heritage resilience. Colin Mulberg Consulting has worked across the museum and heritage sector on improving the visitor experience and believes there is much room for improvement. When it comes to visitors at museums and heritage attractions the facts speak for themselves: giving visitors a better experience increases visits, enhances the perception and value of an organisation and boosts sales.

Visitor experience is key to museum and heritage ...

Active learning occurs when people stretch their minds to interact with the information and experiences at hand. In art museums, visitors are learning actively when they do such things as: formulate their own questions about works of art, reflect on their own ideas and impressions, make their own discerning judgments, construct their own interpretations, and seek their own personal connections.
