Library And Information Science

A
Library and information
science or "library and
information studies" is
a merging of library
science and
information science.
The joint term is
associated with schools
of library and
information science. In
the last part of the
1960s, schools of
librarianship, which
generally developed
from professional
training programs to

university institutions during the second half of the 20th century, began to add the term "information science" to their names. The first school to do this was at the Univers
