25 Interesting Facts about Italy and the Italians ...

Italian migration outside Italy took place, in different migrating cycles, for centuries. A diaspora in high numbers took place after Italy's unification in 1861 and continued through 1914 with the beginning of the First World War. This rapid outflow and migration of Italian people across the globe can be attributed to factors such as the internal economic slump that emerged alongside Italy's unification, family, and the industrial boom that occurred in the world surrounding Italy.
