Fourth grade is a big step from third grade

and children will notice the increase in expectations of any program from third to fourth grades. It is important for them to be ready for it and for parents to be prepared for the increased challenge as well. The first step is to determine what you are required to teach at this level by your state.

Grade 4 English Curriculum & Pacing Guide

In 4th grade, students learn how to deeply think about and make connections in new material, and grasp more complex concepts across all subjects. They also write with clarity, flow, and structure similar to that of traditional essays. Fourth graders are encouraged to be more independent in how they learn, and depend less on their teacher's guidance.
