Notes 1 Introduction to Communication. 1. INTRODUCTION TO COMMUNICATION. Your birth was a matter of great joy to your parents. With your first

cry you told everyone that you had arrived in this world. When you were hungry you cried and your mother understood that and gave you milk.

Notes

INTRODUCTION TO COMMUNICATION

Communication is the activity of conveying information.

Communication is usually a two-way process. It is not just giving information or signaling someone; it also involves the comprehension of the information or the signal by the receiver. Society moves on human interactions and exchange of ideas, thoughts, and feelings.

skills | IMRAN
ULHAQUE ...**

Effective communication skills are fundamental to good interactions between two or more people. This book, An Introduction to Communication Skills, is the first in the series. It starts by explaining more about the theory and nature of communication, then moves on to discuss effective spoken communication, the importance of body language and other aspects of non-verbal communication,

**Part 1 An
Introduction to
Communication
Skills**

· Communication is the sharing of information ·
Communication is the

giving and receiving of messages ·

Communication is the transfer of information from one or more people to one or more other people. The first of these three definitions is the simplest, and also the broadest.

**Introduction to
Communication -
Wanterfall eBooks**

Communication is the process of exchanging information, usually through a common system of symbols. It takes a wide variety of forms from two people having a face to face conversation to hand signals to messages sent over the global telecommunication networks. Common forms of communication include speaking, writing, gesturing and

broadcasting.
