Give Me Liberty
Pickle Partners Publishing

In her youth, Rose Wilder Lane supported the Russian Revolution, but a trip to Russia quickly dispelled her illusions. She realized that the mass politics

of socialism necessarily suppressed individual freedom. America was founded on a different principle: individuals should take responsibility for their own lives. On this principle, America became the wealthiest of all nations and the hope of the world. The New Deal of 1933 struck against American individualism, substituting for it the tired collectivist programs of Europe. In *Give Me Liberty*, originally published in 1936, Lane called for a return to American individualism and a repudiation of the New Deal.

The Habsburg Monarchy's Many-Languaged Soul

Translating and interpreting,
1848-1918 *John Benjamins Publishing Company*

In the years between 1848 and 1918, the Habsburg Empire was an intensely pluricultural space that brought together numerous “nationalities” under constantly changing – and contested – linguistic regimes. The

multifaceted forms of translation and interpreting, marked by national struggles and extensive multilingualism, played a crucial role in constructing cultures within the Habsburg space. This book traces translation and interpreting practices in the Empire's administration, courts and diplomatic service, and takes account of the "habitualized" translation carried out in everyday life. It then details the flows of translation among the Habsburg crownlands and between these and other European

languages, with a special focus on Italian-German exchange. Applying a broad concept of "cultural translation" and working with sociological tools, the book addresses the mechanisms by which translation and interpreting constructs cultures, and delineates a model of the Habsburg Monarchy's "pluricultural space of communication" that is also applicable to other multilingual settings.
