Not the Life It Seems

The True Lives of My Chemical Romance *Da Capo Press*

The definitive biography of emo rock band My Chemical Romance, based on hours of exclusive, unpublished interviews by the journalist who knows them best

Not the Life It Seems

The True Lives of My Chemical Romance *Da Capo Press*

My Chemical Romance is the most significant band in alternative rock in the last decade. Inspirational, original, and stunningly creative, they forged an extraordinary connection with their fans. Not the Life It Seems: The True Lives of My Chemical Romance is their definitive biography. Author Tom Bryant has been given unparalleled access to the band over the years, and now he draws on interviews with Gerard Way, his brother Mikey, Ray Toro, and Frank Iero, as well as friends and associates, to bring their stories to life. In this unauthorized biography, he takes us behind the scenes from their very first show in front of thirty kids in New Jersey-the Ways downing beer to calm their nerves-to international arena-storming superstardom. He sheds light on the personal demons the bandmates battled and the haunted recording sessions that resulted in the brilliance of The Black Parade. He also explores the genesis of their music, the constant reinvention that culminated in the visual splendor of Danger Days: The True Lives of the Fabulous Killjoys, and the strains that led to their split in 2013. Insightful and revealing, Not the Life It Seems presents one of the most adored rock bands of this century, their story an epic saga of self-belief and the pursuit of dreams.

The True Lives of My Chemical Romance *Sidgwick & Jackson*

My Chemical Romance are the most significant band in alternative rock for the last decade, selling 5 million albums and selling out arenas worldwide until their split after twelve years together. Author Tom Bryant has been given unparalleled access to the band over the course of their extraordinary career and has a unique archive of interviews with Gerard Way and his brother Mikey, Ray Toro and Frank Iero, as well as their friends and those closest to them, allowing him to go behind the scenes and bring their stories to life. From their New Jersey beginnings to international superstardom, from the demons they have battled to the power of their lyrics and their extraordinary connection with their fans, this is the definitive biography of the most adored rock band this century, a story of self-belief and the pursuit of dreams.

WTF! Life is Not Always What is Seems *New Generation Publishing*

David Clark has been on a bit of journey; in essence he has gone from the heights of success to the depths of depression, insanity and back into depression. He was a highly successful, career-oriented individual with a brain that enabled him to travel the world, teaching and sharing his knowledge, skills and experience. He has now written this book, his personal story, as a way of highlighting the importance of looking after your body, your mind and your soul to achieve.... .. above and beyond your wildest dreams!

A Little Life

A Novel *Anchor*

NATIONAL BESTSELLER • A stunning “portrait of the enduring grace of friendship” (NPR) about the families we are born into, and those that we make for ourselves. A masterful depiction of love in the twenty-first century. A NATIONAL BOOK AWARD FINALIST • A MAN BOOKER PRIZE FINALIST • WINNER OF THE KIRKUS PRIZE A Little Life follows four college classmates—broke, adrift, and buoyed only by their friendship and ambition—as they move to New York in search of fame and fortune. While their relationships, which are tinged by addiction, success, and pride, deepen over the decades, the men are held together by their devotion to the brilliant, enigmatic Jude, a man scarred by an unspeakable childhood trauma. A hymn to brotherly bonds and a masterful depiction of love in the twenty-first century, Hanya Yanagihara’s stunning novel is about the families we are born into, and those that we make for ourselves. Look for Hanya Yanagihara’s new novel, To Paradise, coming in January 2022.

Still Life *Penguin*

A Good Morning America Book Club Pick A captivating, bighearted, richly tapestried story of people brought together by love, war, art, flood, and the ghost of E. M. Forster, by the celebrated author of Tin Man. Tuscany, 1944: As Allied troops advance and bombs fall around deserted villages, a young English soldier, Ulysses Temper, finds himself in the wine cellar of a deserted villa. There, he has a chance encounter with Evelyn Skinner, a middle-aged art historian who has come to Italy to salvage paintings from the ruins and recall long-forgotten memories of her own youth. In each other, Ulysses and Evelyn find a kindred spirit amidst the rubble of war-torn Italy, and set off on a course of events that will shape Ulysses's life for the next four decades. As Ulysses returns home to London, reimmersing himself in his crew at The Stoat and Parot—a motley mix of pub crawlers and eccentrics—he carries his time in Italy with him. And when an unexpected inheritance brings him back to where it all began, Ulysses knows better than to tempt fate, and returns to the Tuscan hills. With beautiful prose, extraordinary tenderness, and bursts of humor and light, Still Life is a sweeping portrait of unforgettable individuals who come together to make a family, and a deeply drawn celebration of beauty and love in all its forms.

E. Schwab’s genre-defying tour de force. A Life No One Will Remember. A Story You Will Never Forget. France, 1714: in a moment of desperation, a young woman makes a Faustian bargain to live forever—and is cursed to be forgotten by everyone she meets. Thus begins the extraordinary life of Addie LaRue, and a dazzling adventure that will play out across centuries and continents, across history and art, as a young woman learns how far she will go to leave her mark on the world. But everything changes when, after nearly 300 years, Addie stumbles across a young man in a hidden bookstore and he remembers her name. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Life Isn't What It Seems

Poetry That's Based On A True Story

The Midnight Library

A Novel *Penguin*

The #1 New York Times bestselling WORLDWIDE phenomenon Winner of the Goodreads Choice Award for Fiction | A Good Morning America Book Club Pick | Independent (London) Ten Best Books of the Year "A feel-good book guaranteed to lift your spirits."—The Washington Post The dazzling reader-favorite about the choices that go into a life well lived, from the acclaimed author of How To Stop Time and The Comfort Book. Somewhere out beyond the edge of the universe there is a library that contains an infinite number of books, each one the story of another reality. One tells the story of your life as it is, along with another book for the other life you could have lived if you had made a different choice at any point in your life. While we all wonder how our lives might have been, what if you had the chance to go to the library and see for yourself? Would any of these other lives truly be better? In The Midnight Library, Matt Haig's enchanting blockbuster novel, Nora Seed finds herself faced with this decision. Faced with the possibility of changing her life for a new one, following a different career, undoing old breakups, realizing her dreams of becoming a glaciologist; she must search within herself as she travels through the Midnight Library to decide what is truly fulfilling in life, and what makes it worth living in the first place.

The Book Thief *Knopf Books for Young Readers*

#1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE’S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist-books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of I Am the Messenger, has given us one of the most enduring stories of our time. “The kind of book that can be life-changing.” —The New York Times “Deserves a place on the same shelf with The Diary of a Young Girl by Anne Frank.” —USA Today DON’T MISS BRIDGE OF CLAY, MARKUS ZUSAK’S FIRST NOVEL SINCE THE BOOK THIEF.

Should We Stay Or Should We Go *Harper Perennial*

When her father dies, Kay Wilkinson can't cry. Over ten years, Alzheimer's had steadily eroded this erudite man into a paranoid lunatic. Surely one's own father passing should never come as such a relief. Both medical professionals, Kay and her husband Cyril have seen too many elderly patients in similar states of decay. Although healthy and vital in their early fifties, the couple fears what may lie ahead. Determined to die with dignity, Cyril makes a modest proposal. To spare themselves and their loved ones such a humiliating and protracted decline, they should agree to commit suicide together once they've both turned eighty. When their deal is sealed, the spouses are blithely looking forward to another three decades together. But then they turn eighty. By turns hilarious and touching, playful and grave, Should We Stay or Should We Go portrays twelve parallel universes, each exploring a possible future for Kay and Cyril. Were they to cut life artificially short, what would they miss out on? Something terrific? Or something terrible? Might they end up in a home? A fabulous luxury retirement village, or a Cuckoo's Nest sort of home? Might being demented end up being rather fun? What future for humanity awaits--the end of civilization, or a Valhalla of peace and prosperity? What if cryogenics were really to work? What if scientists finally cure aging? Both timely and timeless, Lionel Shriver addresses serious themes--the compromises of longevity, the challenge of living a long life and still going out in style--with an uncannily light touch. Weaving in a host of contemporary issues, from Brexit and mass migration to the coronavirus, Shriver has pulled off a rollicking page-turner in which we never have to mourn perished characters, because they'll be alive and kicking in the very next chapter.

Life Is Not What It Seems to Be *Lulu.com*

This book is a collection of paragraphs and artwork. Written and drawn by hand by Pascal Wilson (Ompascalji). This is about a spiritual journey and the story of my struggle with drug addiction. Some of the paragraphs are letters sent to family and others are papers I wrote when I was in college. My intent for this book is to be a tool and guide to anyone who reads it. This is only one persons perception of this reality and it is in no way meant to put blame or to put anyone down. It is only a way for me to share with you the reader, a part of my journey in this life.

Life *Little, Brown*

The #1 New York Times bestselling autobiography of the guitarist, songwriter, singer, and founding member of the Rolling Stones. Ladies and gentlemen: Keith Richards. With The Rolling Stones, Keith Richards created the songs that roused the world, and he lived the original rock and roll life. Now, at last, the man himself tells his story of life in the crossfire hurricane. Listening obsessively to Chuck Berry and Muddy Waters records, learning guitar and forming a band with Mick Jagger and Brian Jones. The Rolling Stones's first fame and the notorious drug busts that led to his enduring image as an outlaw folk hero. Creating immortal riffs like the ones in "Jumping Jack Flash" and "Honky Tonk Women." His relationship with Anita Pallenberg and the death of Brian Jones. Tax exile in France, wildfire tours of the U.S., isolation and addiction. Falling in love with Patti Hansen. Estrangement

from Jagger and subsequent reconciliation. Marriage, family, solo albums and Xpensive Winos, and the road that goes on forever. With his trademark disarming honesty, Keith Richard brings us the story of a life we have all longed to know more of, unfettered, fearless, and true.

Fahrenheit 451

A Novel *Simon and Schuster*

A totalitarian regime has ordered all books to be destroyed, but one of the book burners suddenly realizes their merit.

Life After Life

A Novel *Reagan Arthur Books*

What if you could live again and again, until you got it right? On a cold and snowy night in 1910, Ursula Todd is born to an English banker and his wife. She dies before she can draw her first breath. On that same cold and snowy night, Ursula Todd is born, lets out a lusty wail, and embarks upon a life that will be, to say the least, unusual. For as she grows, she also dies, repeatedly, in a variety of ways, while the young century marches on towards its second cataclysmic world war. Does Ursula's apparently infinite number of lives give her the power to save the world from its inevitable destiny? And if she can -- will she? Darkly comic, startlingly poignant, and utterly original -- this is Kate Atkinson at her absolute best.

All the Light We Cannot See

A Novel *Simon and Schuster*

A cloth bag containing 20 paperback copies of the title that may also include a folder with sign out sheets.

Normal People

A Novel *Hogarth*

NOW AN EMMY-NOMINATED HULU ORIGINAL SERIES • NEW YORK TIMES BESTSELLER • “A stunning novel about the transformative power of relationships” (People) from the author of Conversations with Friends, “a master of the literary page-turner” (J. Courtney Sullivan). ONE OF THE TEN BEST NOVELS OF THE DECADE—Entertainment Weekly TEN BEST BOOKS OF THE YEAR—People, Slate, The New York Public Library, Harvard Crimson AND BEST BOOKS OF THE YEAR—The New York Times, The New York Times Book Review, O: The Oprah Magazine, Time, NPR, The Washington Post, Vogue, Esquire, Glamour, Elle, Marie Claire, Vox, The Paris Review, Good Housekeeping, Town & Country Connell and Marianne grew up in the same small town, but the similarities end there. At school, Connell is popular and well liked, while Marianne is a loner. But when the two strike up a conversation—awkward but electrifying—something life changing begins. A year later, they’re both studying at Trinity College in Dublin. Marianne has found her feet in a new social world while Connell hangs at the sidelines, shy and uncertain. Throughout their years at university, Marianne and Connell circle one another, straying toward other people and possibilities but always magnetically, irresistibly drawn back together. And as she veers into self-destruction and he begins to search for meaning elsewhere, each must confront how far they are willing to go to save the other. Normal People is the story of mutual fascination, friendship and love. It takes us from that first conversation to the years beyond, in the company of two people who try to stay apart but find that they can't. Praise for Normal People “[A] novel that demands to be read compulsively, in one sitting.”—The Washington Post “Arguably the buzziest novel of the season, Sally Rooney’s elegant sophomore effort . . . is a worthy successor to Conversations with Friends. Here, again, she unflinchingly explores class dynamics and young love with wit and nuance.”—The Wall Street Journal “[Rooney] has been hailed as the first great millennial novelist for her stories of love and late capitalism. . . . [She writes] some of the best dialogue I've read.”—The New Yorker

Four Thousand Weeks

Time Management for Mortals *Farrar, Straus and Giroux*

AN INSTANT NEW YORK TIMES BESTSELLER "Provocative and appealing . . . well worth your extremely limited time." —Barbara Spindel, The Wall Street Journal The average human lifespan is absurdly, insultingly brief. Assuming you live to be eighty, you have just over four thousand weeks. Nobody needs telling there isn't enough time. We're obsessed with our lengthening to-do lists, our overfilled inboxes, work-life balance, and the ceaseless battle against distraction; and we're deluged with advice on becoming more productive and efficient, and “life hacks” to optimize our days. But such techniques often end up making things worse. The sense of anxious hurry grows more intense, and still the most meaningful parts of life seem to lie just beyond the horizon. Still, we rarely make the connection between our daily struggles with time and the ultimate time management problem: the challenge of how best to use our four thousand weeks. Drawing on the insights of both ancient and contemporary philosophers, psychologists, and spiritual teachers, Oliver Burkeman delivers an entertaining, humorous, practical, and ultimately profound guide to time and time management. Rejecting the futile modern fixation on “getting everything done,” Four Thousand Weeks introduces readers to tools for constructing a meaningful life by embracing finitude, showing how many of the unhelpful ways we’ve come to think about time aren’t inescapable, unchanging truths, but choices we’ve made as individuals and as a society—and that we could do things differently.

Will *Penguin*

The instant #1 New York Times bestseller! “It's the best memoir I've ever read.” —Oprah Winfrey “Will Smith isn't holding back in his bravely inspiring new memoir . . . An ultimately heartwarming read, Will provides a humane glimpse of the man behind the actor, producer and musician, as he bares all his insecurities and trauma.” —USA Today Winner of the NAACP Image Award for Outstanding Literary Achievement One of the most dynamic and globally recognized entertainment forces of our time opens up fully about his life, in a brave and inspiring book that traces his learning curve to a place where outer success, inner happiness, and human connection are aligned. Along the way, Will tells the story in full of one of the most amazing rides through the worlds of music and film that anyone has ever had. Will Smith’s transformation from a West Philadelphia kid to one of the biggest rap stars of his era, and then one of the biggest movie stars in Hollywood history, is an epic tale—but it’s only half the story. Will Smith thought, with good reason, that he had won at life: not only was his own success unparalleled, his whole family was at the pinnacle of the entertainment world. Only they didn't see it that way: they felt more like star performers in his circus, a seven-days-a-week job they hadn't signed up for. It turned out Will Smith's education wasn't nearly over. This memoir is the product of a profound journey of self-knowledge, a reckoning with all that your will can get you and all that it can leave behind. Written with the help of Mark Manson, author of the

multi-million-copy bestseller *The Subtle Art of Not Giving a F*ck*, Will is the story of how one person mastered his own emotions, written in a way that can help everyone else do the same. Few of us will know the pressure of performing on the world's biggest stages for the highest of stakes, but we can all understand that the fuel that works for one stage of our journey might have to be changed if we want to make it all the way home. The combination of genuine wisdom of universal value and a life story that is preposterously entertaining, even astonishing, puts *Will* the book, like its author, in a category by itself.

The Giver *Houghton Mifflin Harcourt*

Living in a "perfect" world without social ills, a boy approaches the time when he will receive a life assignment from the Elders, but his selection leads him to a mysterious man known as the Giver, who reveals the dark secrets behind the utopian facade.

Beautiful World, Where Are You

A Novel *Farrar, Straus and Giroux*

AN INSTANT #1 NEW YORK TIMES BESTSELLER *Beautiful World, Where Are You* is a new novel by Sally Rooney, the bestselling author of *Normal People* and *Conversations with Friends*. Alice, a novelist, meets Felix, who works in a warehouse, and asks him if he'd like to travel to Rome with her. In Dublin, her best friend, Eileen, is getting over a break-up, and slips back into flirting with Simon, a man she has known since childhood. Alice, Felix, Eileen, and Simon are still young—but life is catching up with them. They desire each other, they delude each other, they get together, they break apart. They have sex, they worry about sex, they worry about their friendships and the world they live in. Are they standing in the last lighted room before the darkness, bearing witness to something? Will they find a way to believe in a beautiful world?

Accidentally Wes Anderson *Voracious*

A visual adventure of Wes Anderson proportions, authorized by the legendary filmmaker himself: stunning photographs of real-life places that seem plucked from the just-so world of his films, presented with fascinating human stories behind each façade. *Accidentally Wes Anderson* began as a personal travel bucket list, a catalog of visually striking and historically unique destinations that capture the imagined worlds of Wes Anderson. Now, inspired by a community of more than one million Adventurers, *Accidentally Wes Anderson* tells the stories behind more than 200 of the most beautiful, idiosyncratic, and interesting places on Earth. This book, authorized by Wes Anderson himself, travels to every continent and into your own backyard to identify quirky landmarks and undiscovered gems: places you may have passed by, some you always wanted to explore, and many you never knew existed. Fueled by a vision for distinctive design, stunning photography, and unexpected narratives, *Accidentally Wes Anderson* is a passport to inspiration and adventure. Perfect for modern travelers and fans of Wes Anderson's distinctive aesthetic, this is an invitation to look at your world through a different lens.

Falling Together

How to Find Balance, Joy, and Meaningful Change When Your Life Seems to be Falling Apart *She Writes Press*

There are times in life that shake us to our very foundations. We wish for things to get better, fast. But the truth is that moments of “falling apart” are also our most powerful catalysts for growth and change. In *Falling Together*, Donna Cardillo, a registered nurse, Dr. Oz blogger, and beloved public speaker, reflects on the overwhelming challenges that fall into every life, and the renewal that comes when we are able to meet them with courage. A funny, big-hearted self-help memoir that takes on issues like divorce, caregiving, and burnout—and many women’s biggest enemies of all, fear, insecurity, and self-doubt—*Falling Together* shows how to turn the challenges that threaten to knock us to the ground into the building blocks we need to become more successful, more joyful, and ultimately, more alive.

Everything I Never Told You

A Novel *Penguin*

The acclaimed debut novel by the author of *Little Fires Everywhere* and *Our Missing Hearts* “A taut tale of ever deepening and quickening suspense.” —O, the Oprah Magazine “Explosive . . . Both a propulsive mystery and a profound examination of a mixed-race family.” —Entertainment Weekly “Lydia is dead. But they don’t know this yet.” So begins this exquisite novel about a Chinese American family living in 1970s small-town Ohio. Lydia is the favorite child of Marilyn and James Lee, and her parents are determined that she will fulfill the dreams they were unable to pursue. But when Lydia’s body is found in the local lake, the delicate balancing act that has been keeping the Lee family together is destroyed, tumbling them into chaos. A profoundly moving story of family, secrets, and longing, *Everything I Never Told You* is both a gripping page-turner and a sensitive family portrait, uncovering the ways in which mothers and daughters, fathers and sons, and husbands and wives struggle, all their lives, to understand one another.

Rationality

What It Is, Why It Seems Scarce, Why It Matters *Penguin*

NEW YORK TIMES BESTSELLER “In our uncertain age, which can so often feel so dark and disturbing, Steven Pinker has distinguished himself as a voice of positivity.” – New York Times Can reading a book make you more rational? Can it help us understand why there is so much irrationality in the world? Steven Pinker, author of *Enlightenment Now* (Bill Gates’s “new favorite book of all time”) answers all the questions here Today humanity is reaching new heights of scientific understanding--and also appears to be losing its mind. How can a species that developed vaccines for Covid-19 in less than a year produce so much fake news, medical quackery, and conspiracy theorizing? Pinker rejects the cynical cliché that humans are simply irrational--cavemen out of time saddled with biases, fallacies, and illusions. After all, we discovered the laws of nature, lengthened and enriched our lives, and set out the benchmarks for rationality itself. We actually think in ways that are sensible in the low-tech contexts in which we spend most of our lives, but fail to take advantage of the powerful tools of reasoning we’ve discovered over the millennia: logic, critical thinking, probability, correlation and causation, and optimal ways to update beliefs and commit to choices individually and with others. These tools are not a standard part of our education, and have never been presented clearly and entertainingly in a single book--until now. Rationality also explores its opposite: how the rational pursuit of self-interest, sectarian solidarity, and uplifting mythology can add up to crippling irrationality in a society. Collective rationality depends on norms that are explicitly designed to promote objectivity and truth. Rationality matters. It leads to better choices in our lives and in the public sphere, and is the ultimate driver of social justice and moral progress.

Brimming with Pinker’s customary insight and humor, *Rationality* will enlighten, inspire, and empower.

Sari, Not Sari *Simon and Schuster*

This delightful debut rom-com follows the adventures of a woman trying to connect with her South Asian roots and introduces readers to a memorable cast of characters in a veritable feast of food, family traditions, and fun. Manny Dogra is the beautiful young CEO of Breakup, a highly successful company that helps people manage their relationship breakups. As preoccupied as she is with her business, she’s also planning her wedding to handsome architect Adam Jamieson while dealing with the loss of her beloved parents. For reasons Manny has never understood, her mother and father, who were both born in India, always wanted her to become an “All-American” girl. So that’s what she did. She knows next to nothing about her South Asian heritage, and that’s never been a problem—until her parents are no longer around, and an image of Manny that’s been Photoshopped to make her skin look more white appears on a major magazine cover. Suddenly, the woman who built an empire encouraging people to be true to themselves is having her own identity crisis. But when an irritating client named Sammy Patel approaches Manny with an odd breakup request, the perfect solution presents itself: If they both agree to certain terms, he’ll give her a crash course in being “Indian” at his brother’s wedding. What follows is days of dancing and dal, masala and mehndi as Manny meets the lovable, if endlessly interfering, aunties and uncles of the Patel family, and, along the way, discovers much more than she could ever have anticipated.

The Book with No Pictures *Penguin*

"In this book with no pictures, the reader has to say every silly word, no matter what"--

No One Is Talking About This

A Novel *Penguin*

FINALIST FOR THE 2021 BOOKER PRIZE & A NEW YORK TIMES TOP 10 BOOK OF 2021 WINNER OF THE DYLAN THOMAS PRIZE “A book that reads like a prose poem, at once sublime, profane, intimate, philosophical, witty and, eventually, deeply moving.” —New York Times Book Review, Editors’ Choice “Wow. I can’t remember the last time I laughed so much reading a book. What an inventive and startling writer...I’m so glad I read this. I really think this book is remarkable.” —David Sedaris From "a formidably gifted writer" (The New York Times Book Review), a book that asks: Is there life after the internet? As this urgent, genre-defying book opens, a woman who has recently been elevated to prominence for her social media posts travels around the world to meet her adoring fans. She is overwhelmed by navigating the new language and etiquette of what she terms "the portal," where she grapples with an unshakable conviction that a vast chorus of voices is now dictating her thoughts. When existential threats--from climate change and economic precariousness to the rise of an unnamed dictator and an epidemic of loneliness--begin to loom, she posts her way deeper into the portal's void. An avalanche of images, details, and references accumulate to form a landscape that is post-sense, post-irony, post-everything. "Are we in hell?" the people of the portal ask themselves. "Are we all just going to keep doing this until we die?" Suddenly, two texts from her mother pierce the fray: "Something has gone wrong," and "How soon can you get here?" As real life and its stakes collide with the increasingly absurd antics of the portal, the woman confronts a world that seems to contain both an abundance of proof that there is goodness, empathy, and justice in the universe, and a deluge of evidence to the contrary. Fragmentary and omniscient, incisive and sincere, *No One Is Talking About This* is at once a love letter to the endless scroll and a profound, modern meditation on love, language, and human connection from a singular voice in American literature.

The Outsiders *Pearson UK*

The struggle of three brothers to stay together after their parent's death and their quest for identity among the conflicting values of their adolescent society.

The Love Hypothesis *Penguin*

Includes an excerpt from *Love on the Brain*.

Front Desk (Scholastic Gold) *Scholastic Inc.*

Inside Out and *Back Again* meets *Millicent Min*, *Girl Genius* in this timely, hopeful middle-grade novel with a contemporary Chinese twist. Winner of the Asian / Pacific American Award for Children's Literature!* "Many readers will recognize themselves or their neighbors in these pages." -- Kirkus Reviews, starred reviewMia Tang has a lot of secrets.Number 1: She lives in a motel, not a big house. Every day, while her immigrant parents clean the rooms, ten-year-old Mia manages the front desk of the Calivista Motel and tends to its guests.Number 2: Her parents hide immigrants. And if the mean motel owner, Mr. Yao, finds out they've been letting them stay in the empty rooms for free, the Tangs will be doomed.Number 3: She wants to be a writer. But how can she when her mom thinks she should stick to math because English is not her first language?It will take all of Mia's courage, kindness, and hard work to get through this year. Will she be able to hold on to her job, help the immigrants and guests, escape Mr. Yao, and go for her dreams?Front Desk joins the Scholastic Gold line, which features award-winning and beloved novels. Includes exclusive bonus content!

The Man from the Future: The Visionary Life of John von Neumann *W. W. Norton & Company*

An electrifying biography of one of the most extraordinary scientists of the twentieth century and the world he made. The smartphones in our pockets and computers like brains. The vagaries of game theory and evolutionary biology. Nuclear weapons and self-replicating spacecrafts. All bear the fingerprints of one remarkable, yet largely overlooked, man: John von Neumann. Born in Budapest at the turn of the century, von Neumann is one of the most influential scientists to have ever lived. A child prodigy, he mastered calculus by the age of eight, and in high school made lasting contributions to mathematics. In Germany, where he helped lay the foundations of quantum mechanics, and later at Princeton, von Neumann’s colleagues believed he had the fastest brain on the planet—bar none. He was instrumental in the Manhattan Project and the design of the atom bomb; he helped formulate the bedrock of Cold War geopolitics and modern economic theory; he created the first ever programmable digital computer; he prophesized the potential of nanotechnology; and, from his deathbed, he expounded on the limits of brains and computers—and how they might be overcome. Taking us on an astonishing journey, Ananyo Bhattacharya explores how a combination of genius and unique historical circumstance allowed a single man to sweep through a stunningly diverse array of fields, sparking revolutions wherever he went. The Man from the Future is an insightful and thrilling intellectual biography of the visionary thinker who shaped our century.

Eleanor Oliphant Is Completely Fine

#1 NEW YORK TIMES BESTSELLER A REESE WITHERSPOON x HELLO SUNSHINE BOOK CLUB PICK A PENGUIN BOOK CLUB PICK "Beautifully written and incredibly funny. . . I fell in love with Eleanor; I think you will fall in love, too!" --Reese Witherspoon Smart, warm, uplifting, the story of an out-of-the-ordinary heroine whose deadpan weirdness and unconscious wit make for an irresistible journey as she realizes the only way to survive is to open her heart. No one's ever told Eleanor that life should be better than fine. Meet Eleanor Oliphant: She struggles with appropriate social skills and tends to say exactly what she's thinking. Nothing is missing in her carefully timetabled life of avoiding social interactions, where weekends are punctuated by frozen pizza, vodka, and phone chats with Mummy. But everything changes when Eleanor meets Raymond, the bumbling and deeply unhygienic IT guy from her office. When she and Raymond together save Sammy, an elderly gentleman who has fallen on the sidewalk, the three become the kinds of friends who rescue one another from the lives of isolation they have each been living. And it is Raymond's big heart that will ultimately help Eleanor find the way to repair her own profoundly damaged one.

My Chemical Romance

This Band Will Save Your Life *Plexus Publishing*

My Chemical Romance emerged from New Jersey in the aftermath of the 9/11 atrocity to become the standard bearers for a new fusion of punk, glam and emo. After steadily building a committed and enthusiastic following on the back of their first two albums, 'I Brought You My Bullets, You Brought Me Your Love' (2002) and 'Three Cheers For Sweet Revenge' (2004), MCR achieved global prominence in 2006 with the release of their platinum selling album 'Welcome To The Black Parade'. Followed by Danger Days: The True Lives of the Fabulous Killjoys (2010). Until their disbandment in 2013, MCR toured extensively throughout the world, adding to their widespread fan base with incendiary, sold-out live shows that established the quintet as the emerging force in alternative rock. 'This Band Will Save Your Life' tells the definitive story of the groundbreaking band; examining their influences and ethos and charting their rise from obscurity to the apex of the post millennial rock pantheon.

Strange As It Seems

The Impossible Life of Gordon Zahler *Vireo Book, A*

"Previously published in much different forms as Wheeler-dealer, and Wheeling the deal"--Title page verso.

Murphys Don't Quit

5 Keys to Unlocking Hope When Life Seems Hopeless

Life as We Knew it *Houghton Mifflin Harcourt*

Through journal entries, sixteen-year-old Miranda describes her family's struggle to survive after a meteor hits the moon, causing worldwide tsunamis, earthquakes, and volcanic eruptions.

A Man Called Ove

A Novel *Simon and Schuster*

When a new, chatty, young couple and their two daughters move in next door, Ove's well-ordered, solitary world turns upside down.

To Paradise

A Novel *Doubleday*

From the author of the classic A Little Life—a bold, brilliant novel spanning three centuries and three different versions of the American experiment, about lovers, family, loss and the elusive promise of utopia. In an alternate version of 1893 America, New York is part of the Free States, where people may live and love whomever they please (or so it seems). The fragile young scion of a distinguished family resists betrothal to a worthy suitor, drawn to a charming music teacher of no means. In a 1993 Manhattan besieged by the AIDS epidemic, a young Hawaiian man lives with his much older, wealthier partner, hiding his troubled childhood and the fate of his father. And in 2093, in a world riven by plagues and governed by totalitarian rule, a powerful scientist’s damaged granddaughter tries to navigate life without him—and solve the mystery of her husband’s disappearances. These three sections are joined in an enthralling and ingenious symphony, as recurring notes and themes deepen and enrich one another: A townhouse in Washington Square Park in Greenwich Village; illness, and treatments that come at a terrible cost; wealth and squalor; the weak and the strong; race; the definition of family, and of nationhood; the dangerous righteousness of the powerful, and of revolutionaries; the longing to find a place in an earthly paradise, and the gradual realization that it can’t exist. What unites not just the characters, but these Americas, are their reckonings with the qualities that make us human: Fear. Love. Shame. Need. Loneliness. To Paradise is a fin de siecle novel of marvelous literary effect, but above all it is a work of emotional genius. The great power of this remarkable novel is driven by Yanagihara’s understanding of the aching desire to protect those we love—partners, lovers, children, friends, family and even our fellow citizens—and the pain that ensues when we cannot.
