Rethinking Risk And The Precautionary

Executive Summary The book begins with an exploration of the development and meaning of the precautionary principle (PP). Definitions abound (at least 19 different versions exist in various international agreements and statements from different groups). At one extreme is the Greenpeace definition: “do not admit a substance until you have proof that it will do ... Continue reading "Rethinking ...

Rethinking Risk and the Precautionary Principle challenges the claim that the precautionary principle is an appropriate guide to public policy decision-making in the face of uncertainty. The precautionary principle is frequently invoked as a justification for regulating human activities. From bans on the use of growth hormones in cattle to restrictions on children's playground activities, precautionary thinking seems to be taking over our lives.
