Together We Will Go Simon and Schuster

The Breakfast Club meets The Silver Linings Playbook in this powerful, provocative, and heartfelt novel about twelve strangers who come together to make the most of their final days, from New York Times bestselling and award-winning author J. Michael Straczynski. Mark Antonelli, a failed young writer looking down the barrel at thirty, is planning a cross-country road trip. He buys a beat-up old tour bus. He hires a young army vet to drive it. He puts out an ad for others to join him along the way. But this will be a road trip like no other: His passengers are all fellow disheartened souls who have decided that this will be their final journey—upon arrival in San Francisco, they will find a cliff with an amazing view of the ocean at sunset, hit the gas, and drive out of this world. The unlikely companions include a young woman with a chronic pain sensory disorder and another who was relentlessly bullied at school for her size; a bipolar, party-loving neo-hippie; a gentle coder with a literal hole in his heart and blue skin; and a poet dreaming of a better world beyond this one. We get to know them through access to their texts, emails, voicemails, and the daily journal entries they write as the price of admission for this trip. By turns tragic, funny, quirky, charming, and deeply moving, Together We Will Go explores the decisions that brings these characters together, and the relationships that grow between them, with some discovering love and affection for the first time. But as they cross state lines and complications to the initial plan arise, it becomes clear that this is a novel as much about the will to live as it is the choice to end it. The final, unforgettable moments as they hurtle toward the outcomes awaiting them will be remembered for a lifetime.

Good Is the New Cool

Market Like You Give a Damn Simon and Schuster

“We are at a crossroads: either we can try to prop up the old, broken marketing model, or we can create a new model, one that is fit for the unique challenges of today.” —From Good Is the New Cool Marketing has an image problem. Media-savvy millennials, and their younger Gen Z counterparts, no longer trust advertising, and they demand increased social responsibility from their brands—while still insisting on cutting-edge products with on-trend design. As always, brands need to be cool—but now they need to be good, too. It’s a tall order, and with new technology empowering consumers to bypass advertisements altogether, it won’t be long before the old, advertising-based marketing model goes the way of the major label. If only there was a new model, one that allowed companies to address environmental, civic, and economic issues in a way that grew their brand and business, while giving back to society, and re-branding branding as a powerful force for good. Enter Good is The New Cool, a bold new manifesto from marketing experts Afdhel Aziz and Bobby Jones. In provocative, whip-smart, and streetwise style, they take aim at conventional marketing, posing the questions few have had the vision and courage to ask: If the system is broken, how can we fix it? Rather than sinking money into advertising, why not create a new model, in which great marketing optimizes life? With seven revolutionary new principles—from “Treat People as Citizens, Not Consumers,” to “Lead with the Cool”—and insights and interviews from a new generation of marketers, social entrepreneurs, and leaders of such brands as Zappos, Citibank, The Honest Company, as well as the culture creators working with artists like Lady Gaga, Pharrell, and Justin Bieber, this rule-breaking book is the new business model for the twenty-first century, and a call to action for anyone committed to building a better tomorrow. This visionary book won’t just change your business—it will change the world.

Think Like a Monk

Train Your Mind for Peace and Purpose Every Day Simon & Schuster

Jay Shetty, social media superstar and host of the #1 podcast On Purpose, distills the timeless wisdom he learned as a monk into practical steps anyone can take every day to live a less anxious, more meaningful life. When you think like a monk, you’ll understand: -How to overcome negativity -How to stop overthinking -Why comparison kills love -How to use your fear -Why you can't find happiness by looking for it -How to learn from everyone you meet -Why you are not your thoughts -How to find your purpose -Why kindness is crucial to success -And much more... Shetty grew up in a family where you could become one of three things—a doctor, a lawyer, or a failure. His family was convinced he had chosen option three: instead of attending his college graduation ceremony, he headed to India to become a monk, to meditate every day for four to eight hours, and devote his life to helping others. After three years, one of his teachers told him that he would have more impact on the world if he left the monk’s path to share his experience and wisdom with others. Heavily in debt, and with no recognizable skills on his résumé, he moved back home in north London with his parents. Shetty reconnected with old school friends—many working for some of the world’s largest corporations—who were experiencing tremendous stress, pressure, and unhappiness, and they invited Shetty to coach them on well-being, purpose, and mindfulness. Since then, Shetty has become one of the world’s most popular influencers. In 2017, he was named in the Forbes magazine 30-under-30 for being a game-changer in the world of media. In 2018, he had the #1 video on Facebook with over 360 million views. His social media following totals over 38 million, he has produced over 400 viral videos which have amassed more than 8 billion views, and his podcast, On Purpose, is consistently ranked the world’s #1 Health and Wellness podcast. In this inspiring, empowering book, Shetty draws on his time as a monk to show us how we can clear the roadblocks to our potential and power. Combining ancient wisdom and his own rich experiences in the ashram, Think Like a Monk reveals how to overcome negative thoughts and habits, and access the calm and purpose that lie within all of us. He transforms abstract lessons into advice and exercises we can all apply to reduce stress, improve relationships, and give the gifts we find in ourselves to the world. Shetty proves that everyone can—and should—think like a monk.

Think Again

The Power of Knowing What You Don't Know *Penguin*

#1 New York Times Bestseller “THIS. This is the right book for right now. Yes, learning requires focus. But, unlearning and relearning requires much more—it requires choosing courage over comfort. In Think Again, Adam Grant weaves together research and storytelling to help us build the intellectual and emotional muscle we need to stay curious enough about the world to actually change it. I’ve never felt so hopeful about what I don’t know.” —Brené Brown, Ph.D., #1 New York Times bestselling author of Dare to Lead The bestselling author of Give and Take and Originals examines the critical art of rethinking: learning to question your opinions and open other people's minds, which can position you for excellence at work and wisdom in life Intelligence is usually seen as the ability to think and learn, but in a rapidly changing world, there's another set of cognitive skills that might matter more: the ability to rethink and unlearn. In our daily lives, too many of us favor the comfort of conviction over the discomfort of doubt. We listen to opinions that make us feel good, instead of ideas that make us think hard. We see disagreement as a threat to our egos, rather than an opportunity to learn. We surround ourselves with people who agree with our conclusions, when we should be gravitating toward those who challenge our thought process. The result is that our beliefs get brittle long before our bones. We think too much like preachers defending our sacred beliefs, prosecutors proving the other side wrong, and politicians campaigning for approval--and too little like scientists searching for truth. Intelligence is no cure, and it can even be a curse: being good at thinking can make us worse at rethinking. The brighter we are, the blinder to our own limitations we can become. Organizational psychologist Adam Grant is an expert on opening other people's minds--and our own. As Wharton's top-rated professor and the bestselling author of Originals and Give and Take, he makes it one of his guiding principles to argue like he's right but listen like he's wrong. With bold ideas and rigorous evidence, he investigates how we can embrace the joy of being wrong, bring nuance to charged conversations, and build schools, workplaces, and communities of lifelong learners. You'll learn how an international debate champion wins arguments, a Black musician persuades white supremacists to abandon hate, a vaccine whisperer convinces concerned parents to immunize their children, and Adam has coaxed Yankees fans to root for the Red Sox. Think Again reveals that we don't have to believe everything we think or internalize everything we feel. It's an invitation to let go of views that are no longer serving us well and prize mental flexibility over foolish consistency. If knowledge is power, knowing what we don't know is wisdom.

Prophet of Purpose

The Life of Rick Warren *Image*

Rick Warren is arguably the most influential man in American religion today. Megachurch pastor, friend of world leaders, and trend-setting spiritual entrepreneur, he is widely recognized as the new public face of evangelical Christianity in America. No other modern churchman has matched his success as a leader and motivator of Christians. His book, The Purpose-Driven Life, is the bestselling nonfiction hardcover of all time, with more than 25 million copies sold. At a time when evangelicalism stands at a political and cultural crossroads, his stature continues to rise. But who is Rick Warren? What can be learned from the story of the man behind the message? And what does his life say about the state of Christianity today? Prophet of Purpose: The Life of Rick Warren traces the road Warren has traveled, the influences in his life, his trials and temptations, and the opposition he has encountered along the way. Honest, thorough, and insightful, it explores his spiritual coming of age during the turbulent 1960s, his principled determination to sit out the divisive battles between fundamentalists and moderates in the Southern Baptist Convention in the late 1970s, and his audacious endeavor in the 1980s to build a “church for people who hate church” in the suburbs of Los Angeles. From a handful of worshippers meeting in a tiny apartment, he grew a vibrant congregation of over 22,000 and a global network of pastors who follow his strategies for building churches and transforming lives. In this unofficial biography, Jeffery L. Sheler, who had unfettered access to Warren and those closest to him, presents an intimate portrait of Warren as a man of faith and vision but also of flesh and blood and human foibles—a pastor, communicator, philanthropist, and family man who is driven by a sense of divine purpose to complete the course his God has set before him. Prophet of Purpose brings Warren and his mission to life and provides a provocative glimpse into the potential future of Christianity in America.

The Care of Souls

Cultivating a Pastor's Heart

Drawing on a lifetime of pastoral experience, The Care of Souls is a beautifully written treasury of proven wisdom which pastors will find themselves turning to again and again. Harold Senkbeil helps remind pastors of the essential calling of the ministry: preaching and living out the Word of God while orienting others in the same direction. And he offers practical and fruitful adviceâ€”born out of his five decades as a pastorâ€”that will benefit both new pastors and those with years in the pulpit. In a time when many churches have lost sight of the real purpose of the church, The Care of Souls invites a new generation of pastors to form the godly habits and practical wisdom needed to minister to the hearts and souls of those committed to their care.

Most of us want to make a big impact with our lives, but struggle with questions like: How can I be sure I'm not missing God's will for me? What role do my unique gifts play in building God's kingdom? How do I make sure I live up to my God-given potential? Is my calling less significant if I'm not in "ministry"? How do I balance resting in God's grace with meaningful actions for His Kingdom? How do I break fear and move forward even when it feels uncertain and risky? In this profound book, best-selling author John Bevere relies on a careful exploration of Scripture and uses powerful stories to help you think differently about your calling and why it's so important to God.
