After many rumors and much anticipation, the wait is over. The new Charger Boats 210 Elite has arrived. It is the by far the best bass boat I've ever been in. Between fishing tournaments and filming Fishing University for over 30 years, I have had plenty of time to compare bass boats.

I love mine. A 1992 Champion 190sc. It handles the water as well as any other boat I've been in. My buddy's 21' bass cat doesn't handle the Lake of the Ozarks waves as well as mine in my humble opinion. It fishes well and is an excellent rough water boat. I could probably fit over 100 rods in this boat if I wanted to.
