Art Professor Critiques Your Art: Installation Art

Installation Art

Installation art is an artistic genre of three-dimensional works that are often site-specific and designed to transform the perception of a space. Generally, the term is applied to interior spaces, whereas exterior interventions are often called public art, land art or art intervention; however, the boundaries between these terms overlap.

Installation art - Wikipedia

Installation artworks (also sometimes described as 'environments') often occupy an entire room or gallery space that the spectator has to walk through in order to engage fully with the work of art. Some installations, however, are designed simply to be walked around and contemplated, or are so fragile that they can only be viewed from a doorway, or one end of a room.

Installation art - Art Term | Tate

Installation art is a term generally used to describe artwork located in three-dimensional interior space as the word "install" means putting something inside of something else. It is often site-specific - designed to have a particular relationship, whether temporary or permanent, with its spatial environment on an architectural, conceptual, or social level.
