**[Download] An Introduction to English Sentence Structure ...**

Most sentences that are longer than one word also need a noun

before the verb. This noun is the subject. With a subject plus a verb, you can make simple sentences like: He runs. She left.

They're working. You can see that the verb can be in different forms: past or present, simple or continuous. The verb form doesn't change the structure of the sentence.

### **English Sentence Structure - PowerPoint Slides**

This new edition of Andrew Radford's outstanding resource for students is a step-by-step, practical introduction to English syntax and syntactic principles, written by a globally-renowned expert in the field. Assuming little or no prior background in syntax, Radford outlines key concepts

and how they can be used to describe various aspects of English sentence structure.

### **An Introduction to English Sentence Structure by Andrew**

...

It's good to practice clean, crisp writing in general, but it's especially important in an opening paragraph to capture your reader's attention. Do consider eliminating your first sentence. Your first sentence (or even your first two or three) is often a sort of writer's warmup. Cut it and see if it makes the intro stronger.
