The Politics of Reproduction, Annual Review of ...

Reproduction is a matter of politics, economics, law, culture and everything else that shapes daily life. Such roles are in need of constant reinforcement through our conjoined public and private beliefs and actions. The media and popular culture have a significant role to play in challenging and maintaining our social and political worlds.

The politics of reproduction | Otago Daily Times Online News

The Politics of Reproduction draws on a wide variety of sources, including debates in the British Parliament and the Barbados House of Assembly, the records of Barbadian plantations, tracts about plantation management published by doctors and plantation owners, and missionary records related to the island of Barbados.
