The Ascent of Humanity by Charles Eisenstein is a bold and passionate attempt to explain and remedy the pathology of modern life, where technology and culture have enabled us to rise above our animal origins, but in doing so we have created a human realm of alienation from nature and from our true selves.

The Ascent of Humanity by Charles Eisenstein

The Ascent of Humanity February 2007 More than any other species, human beings are gifted with the power to manipulate their environment and the ability to accumulate and transmit knowledge across generations. The first of these gifts we call technology; the other we call culture.

The Ascent of Humanity | Charles Eisenstein

Charles Eisenstein is extremely intelligent, empathic and humble and manages to look at life from a holistic perspective that is rarely encountered. Reading it has restored my faith into humanity (and life in general) and for this I remain forever grateful. I've since

bought all Eisenstein's books and cannot speak highly enough of them.

The Ascent of Humanity: Civilization and the Human Sense ...

The Ascent of Humanity illuminates this dense shadow via an incredibly rich retelling of human history through the lens of Separation VS Connectedness. Eisenstein shows how humanity's relatively new 'Story of Separation'—the ideology that says we're all separate, discrete beings—caused us to design a civilization that alienates us from ourselves, each other, and the planet.

Charles Eisenstein - Wikipedia

Ascent is the most honest and thorough inquiry into what it means to "trust

onself" that I have encountered. Trusting oneself appears simple enough until you realize that you have to contend with the tide of intellectual giants like Bacon, Descartes, Adam Smith, Marx--indeed, ten thousand years of civilized history to discover the contortions humanity has gone through to keep us from doing so.
