Communion *HarperCollins*

"When truth teller and careful writer bell hooks offers a book, I like to be standing at the bookshop when it opens." -Maya Angelou
Renowned visionary bell hooks explored the meaning of love in American culture with the critically acclaimed bestseller *All About Love: New Visions*. She continued her national dialogue with the bestselling *Salvation: Black People and Love*. Now hooks culminates her triumphant trilogy of love with *Communion: The Female Search for Love*. Intimate, revealing, provocative,

Communion challenges every woman to courageously claim the search for love as the heroic journey we must all choose to be truly free. In her trademark commanding and lucid language, hooks explores the ways ideas about women and love were changed by the feminist movement, by women's full participation in the workforce, and by the culture of self-help, and reveals how women of all ages can bring love into every aspect of their lives, for all the years of their lives. Communion is the heart-to-heart talk every woman -- mother, daughter, friend, and lover -- needs to have.

Communion *William Morrow*

An acclaimed writer, cultural critic, and feminist theorist presents a provocative and revelatory work, filled with wisdom and intimacy, that discusses the place of love in a woman's life by examining women's full participation in the workforce, the culture of self-help, and the impact of the feminist movement on women and love.

Communion *Harper Collins*

Renowned visionary and theorist bell hooks began her exploration of the meaning of love in American culture with the critically acclaimed *All About Love: New Visions*. She continued her national dialogue with the bestselling *Salvation: Black People and Love*. Now hooks culminates her triumphant trilogy of love with *Communion: The Female Search for Love*. Intimate, revealing, provocative, *Communion* challenges every female to courageously claim the search for love as the heroic journey we must all choose to be truly free. In her trademark commanding and lucid language, hooks explores the ways ideas about women and love were changed by feminist movement, by women's full participation

in the workforce, and by the culture of self-help. *Communion* is the heart-to-heart talk every woman -- mother, daughter, friend, and lover -- needs to have.

All About Love *HarperCollins*

A New York Times bestseller and enduring classic, *All About Love* is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. *All About Love* reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in *All About Love*. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The *Utne Reader* declared bell hooks one of the "100 Visionaries Who Can Change Your Life." *All About Love* is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

Salvation *HarperCollins*

"A manual for fixing our culture...In writing that is elegant and penetratingly simple, [hooks] gives voice to some things we may know in our hearts but need an interpreter like her to process."—Black Issues Book Review

New York Times bestselling author, acclaimed visionary and cultural critic bell hooks continues her exploration of the meaning of love in contemporary American society, offering groundbreaking, critical insight about Black people and love. Written from both historical and cultural perspectives, *Salvation* takes an incisive look at the transformative power of love in the lives of African Americans. Whether talking about the legacy of slavery, relationships and marriage in Black life, the prose and poetry of Martin Luther King, Jr., James Baldwin, and Maya Angelou, the liberation movements of the 1950s, 60s, and 70s, or hip hop and gangsta rap culture, hooks lets us know what love's got to do with it. Combining the passionate politics of W.E.B. DuBois with fresh, contemporary insights, hooks brilliantly offers new visions that will heal our nation's wounds from a culture of lovelessness. Her writings on love and its impact on race, class, family, history, and popular culture will help us heal and create beloved American communities.

remembered rapture *Henry Holt and Company*

In *Remembered Rapture: The Writer at Work*, award-winning author and renowned academic "bell hooks reveals the heart of her writing life and the process through which she has come to be known as a 'visionary feminist'" (Essence). Born and raised in the rural South, bell hooks learned early the power of the written word and the

importance of speaking her mind. Her passion for words is the heartbeat of this collection of essays. *Remembered Rapture* celebrates literacy, the joys of reading and writing, and the lasting power of the book. With grace and insight, these essays reveal bell hooks's wide-ranging intellectual scope, untangling the complex personae of women writers, especially those whose work goes against the grain. "For anyone who writes, or seeks to understand the writing process, or wants to know more about the erudite and passionate mind of bell hooks, this is the book to read."—The Philadelphia Inquirer

Killing Rage *Macmillan*

Twenty-three essays ponder such topics as psychological trauma among African Americans, black anti-Semitism, and friendships between black women and white women. Reprint. 25,000 first printing. \$20,000 ad/promo.

We Real Cool *Psychology Press*

Discusses what black males fear most, their longing for intimacy, the pitfalls of patriarchy, and the destruction of oppression through redemption and love.

The Will to Change *Simon and Schuster*

Everyone needs to love and be loved—even men. But to know love, men must be able to look at the ways that patriarchal culture keeps them from knowing themselves, from being in touch with their feelings, from loving. In *The Will to Change*, bell hooks gets to the heart of the matter and shows men how to express the emotions that are a fundamental part of who they are—whatever their age, marital status, ethnicity, or sexual orientation. But toxic

masculinity punishes those fundamental emotions, and it's so deeply ingrained in our society that it's hard for men to not comply—but hooks wants to help change that. With trademark candor and fierce intelligence, hooks addresses the most common concerns of men, such as fear of intimacy and loss of their patriarchal place in society, in new and challenging ways. She believes men can find the way to spiritual unity by getting back in touch with the emotionally open part of themselves—and lay claim to the rich and rewarding inner lives that have historically been the exclusive province of women. A brave and astonishing work, *The Will to Change* is designed to help men reclaim the best part of themselves.

Appalachian Elegy *University Press of Kentucky*

A collection of poems centered around life in Appalachia addresses topics ranging from the marginalization of the region's people to the environmental degradation it has endured throughout history.

Bone Black *Women's Press (UK)*

A personal memoir, as well as a political polemic, *Bone Black* carries the additional appeal of providing a poignant and lyrical insight into the author's own life.

Rock My Soul *Simon and Schuster*

World-renowned scholar and visionary bell hooks takes an in-depth look at one of the most critical issues facing African Americans: a collective wounded self-esteem that has prevailed from slavery to the present day. Why do so many African-Americans—whether privileged or poor, urban or suburban, young or old—live in a state of chronic anxiety, fear, and shame? *Rock My Soul: Black*

People and Self-Esteem breaks through collective denial and dares to tell this truth—that crippling low self-esteem has reached epidemic proportions in our lives and in our diverse communities. With visionary insight, hooks exposes the underlying reality that it has been difficult—if not impossible—for our nation to create a culture that promotes and sustains healthy self-esteem. Without self-esteem people begin to lose their sense of agency. They feel powerless. They feel they can only be victims. The need for self-esteem never goes away. But it is never too late for any of us to acquire the healthy self-esteem that is needed for a fulfilling life. hooks gets to the heart and soul of the African-American identity crisis, offering critical insight and hard-won wisdom about what it takes to heal the scars of the past, promote and maintain self-esteem, and lay down the roots for a grounded community with a prosperous future. She examines the way historical movements for racial uplift fail to sustain our quest for self-esteem. Moving beyond a discussion of race, she identifies diverse barriers keeping us from well-being: the trauma of abandonment, constant shaming, and the loss of personal integrity. In highlighting the role of desegregation, education, the absence of progressive parenting, spiritual crisis, or fundamental breakdowns in communication between black women and men, bell hooks identifies mental health as the new revolutionary frontier—and provides guidance for healing within the black community.

Communion *Harper Collins*

Thus begins the most astonishing true-life odyssey ever recorded—one man's riveting account of his extraordinary

experiences with visitors from "elsewhere" . . . how they found him, where they took him, what they did to him, and why. Believe it. Or don't believe it. But read it—for this gripping story will move you like no other. It will fascinate you, terrify you, and alter the way you experience your world.

When Angels Speak of Love *Simon and Schuster*

From writer, critic, and popular cultural icon bell hooks comes a seductive portrait of passion in fifty soul-stirring poems. *When Angels Speak of Love* heralds the debut of a major new poet: bell hooks. World renowned for her courageous, provocative intellectual writing and her alluring charisma, hooks poetically engages the erotic imagination -- creating a tapestry of words that are sensual, lush, and profoundly inspiring. In this beautiful new collection, hooks illuminates our experiences with love -- tracing the link between seduction and surrender; the intensity of desire; and the anguish of death. hooks's previous four titles on the topic of love -- from *All About Love* to *The Will to Change* -- have made her the go-to source for readers longing to bring more love into every aspect of their lives. These words are meant to be read aloud and learned by heart. This ecstatic collection affirms hooks's position as the high priestess of love.

Writing Beyond Race *Routledge*

What are the conditions needed for our nation to bridge cultural and racial divides? By "writing beyond race," noted cultural critic bell hooks models the constructive ways scholars, activists, and readers can challenge and change systems of domination. In the spirit of previous classics like *Outlaw Culture* and

Reel to Real, this new collection of compelling essays interrogates contemporary cultural notions of race, gender, and class. From the films *Precious* and *Crash* to recent biographies of Malcolm X and Henrietta Lacks, hooks offers provocative insights into the way race is being talked about in this "post-racial" era.

Yearning *Routledge*

For bell hooks, the best cultural criticism sees no need to separate politics from the pleasure of reading. *Yearning* collects together some of hooks's classic and early pieces of cultural criticism from the '80s. Addressing topics like pedagogy, postmodernism, and politics, hooks examines a variety of cultural artifacts, from Spike Lee's film *Do the Right Thing* and Wim Wenders's film *Wings of Desire* to the writings of Zora Neale Hurston and Toni Morrison. The result is a poignant collection of essays which, like all of hooks's work, is above all else concerned with transforming oppressive structures of domination.

Sisters of the Yam *Routledge*

In *Sisters of the Yam*, bell hooks reflects on the ways in which the emotional health of black women has been and continues to be impacted by sexism and racism. Desiring to create a context where black females could both work on their individual efforts for self-actualization while remaining connected to a larger world of collective struggle, hooks articulates the link between self-recovery and political resistance. Both an expression of the joy of self-healing and the need to be ever vigilant in the struggle for equality, *Sisters of the Yam* continues to speak to the experience of black womanhood.

Truly Our Sister *A&C Black*

The author offers an interpretation of Mary that is theologically sound, spiritually empowering, ethically challenging, socially liberating, and ecumenically fruitful. She construes the image of Mary so as to be a source of blessing rather than blight for women's lives in both religious and political terms.

Wounds of Passion *Macmillan*

A powerful memoir tells how one woman writer found her own voice while creating a personal love relationship based on feminist thinking and reflects on the impact of birth control and the women's movement on society. Reprint. 17,500 first printing.

The Way of the Superior Man *ReadHowYouWant.com*

What is your true purpose in life? What do women really want? What makes a good lover? If you're a man reading this, you've undoubtedly asked yourself these questions but you may not have had much luck answering them. Until now. In *The Way of the Superior Man* David Deida explores the most important issues in men's lives from career and family to women and intimacy to love and spirituality to offer a practical guidebook for living a masculine life of integrity, authenticity, and freedom. Join this bestselling author and internationally renowned expert on sexual spirituality for straightforward advice, empowering skills, body practices, and more to help you realize a life of fulfillment, immediately and without compromise.

Finding the Mother Tree *Knopf*

NEW YORK TIMES BEST SELLER • From the world's leading forest ecologist who forever changed how people view trees

and their connections to one another and to other living things in the forest—a moving, deeply personal journey of discovery Suzanne Simard is a pioneer on the frontier of plant communication and intelligence; her TED talks have been viewed by more than 10 million people worldwide. In this, her first book, now available in paperback, Simard brings us into her world, the intimate world of the trees, in which she brilliantly illuminates the fascinating and vital truths—that trees are not simply the source of timber or pulp, but are a complicated, interdependent circle of life; that forests are social, cooperative creatures connected through underground networks by which trees communicate their vitality and vulnerabilities with communal lives not that different from our own. Simard writes—in inspiring, illuminating, and accessible ways—how trees, living side by side for hundreds of years, have evolved, how they learn and adapt their behaviors, recognize neighbors, compete and cooperate with one another with sophistication, characteristics ascribed to human intelligence, traits that are the essence of civil societies—and at the center of it all, the Mother Trees: the mysterious, powerful forces that connect and sustain the others that surround them. And Simard writes of her own life, born and raised into a logging world in the rainforests of British Columbia, of her days as a child spent cataloging the trees from the forest and how she came to love and respect them. And as she writes of her scientific quest, she writes of her own journey, making us understand how deeply human scientific inquiry exists beyond data and technology, that it is about understanding who we are and our place in the world.

The Faith Lives of Women and Girls
Ashgate Publishing, Ltd.

Identifying, illuminating and enhancing understanding of key aspects of women and girls' faith lives, *The Faith Lives of Women and Girls* represents a significant body of original qualitative research from practitioners and researchers across the UK. Contributors include new and upcoming researchers as well as more established feminist practical theologians. Chapters provide perspectives on different ages and stages of faith across the life cycle, from a range of different cultural and religious contexts. Diverse spiritual practices, beliefs and attachments are explored, including a variety of experiences of liminality in women's faith lives. A range of approaches - ethnographic, oral history, action research, interview studies, case studies and documentary analysis - combine to offer a deeper understanding of women's and girls' faith lives. As well as being of interest to researchers, this book presents resources to enhance ministry to and with women and girls in a variety of settings.

The Book Thief *Knopf Books for Young Readers*

#1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist-books. With

the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. "The kind of book that can be life-changing." —The New York Times "Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank." —USA Today DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.

For the Strength of Youth *The Church of Jesus Christ of Latter-day Saints*

OUR DEAR YOUNG MEN AND YOUNG WOMEN, we have great confidence in you. You are beloved sons and daughters of God and He is mindful of you. You have come to earth at a time of great opportunities and also of great challenges. The standards in this booklet will help you with the important choices you are making now and will yet make in the future. We promise that as you keep the covenants you have made and these standards, you will be blessed with the companionship of the Holy Ghost, your faith and testimony will grow stronger, and you will enjoy increasing happiness.

Catechism of the Catholic Church
Image

Over 3 million copies sold! Essential reading for Catholics of all walks of life. Here it is - the first new Catechism of the Catholic Church in more than 400 years, a complete summary of what Catholics around the world commonly believe. The Catechism draws on the Bible, the Mass, the Sacraments, Church tradition and teaching, and the lives of saints. It

comes with a complete index, footnotes and cross-references for a fuller understanding of every subject. The word catechism means "instruction" - this book will serve as the standard for all future catechisms. Using the tradition of explaining what the Church believes (the Creed), what she celebrates (the Sacraments), what she lives (the Commandments), and what she prays (the Lord's Prayer), the Catechism of the Catholic Church offers challenges for believers and answers for all those interested in learning about the mystery of the Catholic faith. The Catechism of the Catholic Church is a positive, coherent and contemporary map for our spiritual journey toward transformation.

Belonging *Routledge*

What does it mean to call a place home? Who is allowed to become a member of a community? When can we say that we truly belong? These are some of the questions of place and belonging that renowned cultural critic bell hooks examines in her new book, *Belonging: A Culture of Place*. Traversing past and present, *Belonging* charts a cyclical journey in which hooks moves from place to place, from country to city and back again, only to end where she began--her old Kentucky home. hooks has written provocatively about race, gender, and class; and in this book she turns her attention to focus on issues of land and land ownership. Reflecting on the fact that 90% of all black people lived in the agrarian South before mass migration to northern cities in the early 1900s, she writes about black farmers, about black folks who have been committed both in the past and in the present to local food production, to being organic, and to finding solace in nature. Naturally, it would be impossible

to contemplate these issues without thinking about the politics of race and class. Reflecting on the racism that continues to find expression in the world of real estate, she writes about segregation in housing and economic racialized zoning. In these critical essays, hooks finds surprising connections that link of the environment and sustainability to the politics of race and class that reach far beyond Kentucky. With characteristic insight and honesty, *Belonging* offers a remarkable vision of a world where all people--wherever they may call home--can live fully and well, where everyone can belong.

Bacchai *Bloomsbury Publishing*

Dionysos, the God of wine and theatre has returned to his native land to take revenge on the puritanical Pentheus who refuses to recognise him of his rites. Remorselessly, savagely and with black humour, the God drives Pentheus and all the city to their shocking fate. This version was specially commissioned by the National Theatre for a production in May 2002, directed by Sir Peter Hall and scored by Sir Harrison Birtwhistle.

The Concept of Woman *Wm. B. Eerdmans Publishing*

The culmination of a lifetime's scholarly work, this pioneering study by Sister Prudence Allen traces the concept of woman in relation to man in Western thought from ancient times to the present. Volume I uncovers four general categories of questions asked by philosophers for two thousand years. These are the categories of opposites, of generation, of wisdom, and of virtue. Sister Prudence Allen traces several recurring strands of sexual and gender identity within this period. Ultimately,

she shows the paradoxical influence of Aristotle on the question of woman and on a philosophical understanding of sexual complementarity. Supplemented throughout with helpful charts, diagrams, and illustrations, this volume will be an important resource for scholars and students in the fields of women's studies, philosophy, history, theology, literary studies, and political science. In Volume 2, *Sister Prudence Allen* explores claims about sex and gender identity in the works of over fifty philosophers (both men and women) in the late medieval and early Renaissance periods. Touching on the thought of every philosopher who considered sex or gender identity between A.D. 1250 and 1500, *The Concept of Woman* provides the analytical categories necessary for situating contemporary discussion of women in relation to men. Adding to the accessibility of this fine discussion are informative illustrations, helpful summary charts, and extracts of original source material (some not previously available in English). In her third and final volume Allen covers the years 1500–2015, continuing her chronological approach to individual authors and also offering systematic arguments to defend certain philosophical positions over against others.

The Columbus Anthology *Trillium*

A diverse collection of essayists, poets, and one cartoonist examine life in the rapidly growing city of Columbus, Ohio, challenging the image of the city as one without a cohesive identity.

Uncut Funk *Routledge*

In an awesome meeting of minds, cultural theorists Stuart Hall and bell hooks met for a series of wide-ranging conversations on what Hall sums up as

"life, love, death, sex." From the trivial to the profound, across boundaries of age, sexualities and genders, hooks and Hall dissect topics and themes of continual contemporary relevance, including feminism, home and homecoming, class, black masculinity, family, politics, relationships, and teaching. In their fluid and honest dialogue they push and pull each other as well as the reader, and the result is a book that speaks to the power of conversation as a place of critical pedagogy.

Revolting Prostitutes *Verso Books*

How the law harms sex workers—and what they want instead Do you have to endorse prostitution in order to support sex worker rights? Should clients be criminalized, and can the police deliver justice? In *Revolting Prostitutes*, sex workers Juno Mac and Molly Smith bring a fresh perspective to questions that have long been contentious. Speaking from a growing global sex worker rights movement, and situating their argument firmly within wider questions of migration, work, feminism, and resistance to white supremacy, they make it clear that anyone committed to working towards justice and freedom should be in support of the sex worker rights movement.

The Concept of Woman, Volume 3

Wm. B. Eerdmans Publishing

The culmination of a lifetime's scholarly work, this pioneering study by Sister Prudence Allen traces the concept of woman in relation to man in Western thought from ancient times to the present. In her third and final volume Allen covers the years 1500–2015, continuing her chronological approach to individual authors and also offering systematic arguments to defend certain

philosophical positions over against others. Building on her work from Volumes I and II, Allen draws on four "communities of discourse"—Academic, Humanist, Religious, and Satirical—as she traces several recurring strands of sex and gender identity from the Renaissance to the present. Now complete, Allen's magisterial study is a valuable resource for scholars and students in the fields of women's studies, philosophy, history, theology, literary studies, and political science.

A Needle in a Haystack

Gooden provides advice for how to "dig through the rubble" of the dating world, and date from a place of self and mutual respect. She writes like a friend, offering tips to help you find your love.

Ain't I a Woman

"Ain't I a Woman : Black Women and Feminism is among America's most influential works. Prolific, outspoken, and fearless."- The Village Voice Â "This book is a classic. It . . . should be read by anyone who takes feminism seriously."- Sojourner Â "[Ain't I a Woman] should be widely read, thoughtfully considered, discussed, and finally acclaimed for the real enlightenment it offers for social change."- Library Journal Â "One of the twenty most influential women's books of the last twenty years."- Publishers Weekly Â "I met a young sister who was a feminist, and she gave me a book called Ain't I a Woman by a talented, beautiful sister named bell hooks-and it changed my life. It changed my whole perspective of myself as a woman."-Jada Pinkett-Smith Â At nineteen, bell hooks began writing the book that forever changed the course of feminist thought. Ain't I a Woman remains a classic analysis of the impact of sexism on black

women during slavery, the historic devaluation of black womanhood, black male sexism, racism within the women's movement, and black women's involvement with feminism. Â bell hooks is the author of numerous critically acclaimed and influential books on the politics of race, gender, class, and culture. The Atlantic Monthly celebrates her as one of our nation's leading public intellectuals .

Recovering from Biblical Manhood and Womanhood: How the Church Needs to Rediscover Her Purpose *Zondervan*

This book dismantles every mistruth that you've heard about the role of women in the Bible, her place in the church, and the patriarchal lie of so-called "biblical manhood and womanhood." In its place, Aimee Byrd details a truly biblical vision of women as equal partners in Christ's church and kingdom. The church is the school of Christ, commissioned to discipleship. The responsibility of every believer—men and women together—is being active and equal participants in and witnesses to the faith. And yet many women are trying to figure out what their place is in the church, fighting to have their voices heard and filled with questions: Do men and women benefit equally from God's word? Are we equally responsible in sharpening one another in the faith and passing it down to the next generation? Do we really need men's Bibles and women's Bibles, or can the one Holy Bible guide us all? The answers lie neither with radical feminists, who claim that the Bible is hopelessly patriarchal, nor with the defenders of "biblical manhood," whose understanding of Scripture is captive to the culture they claim to distance themselves from. Recovering from

Biblical Manhood and Womanhood presents a more biblical account of gender, marriage, and ministry. It explores the feminine voice in Scripture as synergistic with the dominant male voice. It fortifies churches in a biblical understanding of brotherhood and sisterhood in God's household and the necessity of learning from one another in studying God's word. Until both men and women grow in their understanding of their relationship to Scripture, there will continue to be tension between the sexes in the church. Church leaders can be engaged in thoughtful critique of the biblical manhood and womanhood movement, the effects it has on their congregation, and the homage it ironically pays to the culture of individualism that works against church, family, and a Christ-like vision of community.

Why Loiter? *Penguin Books India*

Presenting an original take on women's safety in the cities of twenty-first century India, *Why Loiter?* maps the exclusions and negotiations that women from different classes and communities encounter in the nation's urban public spaces. Basing this book on more than three years of research in Mumbai, Shilpa Phadke, Sameera Khan and Shilpa Ranade argue that though women's access to urban public space has increased, they still do not have an equal claim to public space in the city. And they raise the question: can women's access to public space be viewed in isolation from that of other marginal

groups? Going beyond the problem of the real and implied risks associated with women's presence in public, they draw from feminist theory to argue that only by celebrating loitering—a radical act for most Indian women—can a truly equal, global city be created.

Feminism and Pop Culture *Seal Press*
Examines the reciprocal relationship shared between feminism and popular culture from the 1940s to the twenty-first century; and discusses representations of women on television and in films, music, advertisements, and other medias.

Friends of God and Prophets *Bloomsbury Academic*

"[Johnson's] book should be read slowly, thoughtfully and prayerfully by Christians of all denominations, for it has much to say about belonging to the communion of all the saints." -Christian Century>

Where We Stand *Routledge*

Drawing on both her roots in Kentucky and her adventures with Manhattan Coop boards, *Where We Stand* is a successful black woman's reflection--personal, straight forward, and rigorously honest--on how our dilemmas of class and race are intertwined, and how we can find ways to think beyond them.

The Seventh-day Adventist Hymnal. *Review and Herald Pub Assoc*
