Tokens - Spink Books
The second volume in a three-volume series, this book is concerned with jetons, medalets and tokens struck in the Low Countries and France from the mid-16th century down to the present day. Jetons of the Low Countries are particularly interesting for the detailed manner in which they illustrate the political history of the Dutch revolts - the process by which the Spanish Netherlands of the mid-16th century evolved into the Dutch Republic of the North and the much smaller Spanish Netherlands ...
