Xulon Press

In 15 years as a sixth-grade Sunday school director, Ellis Hudgins searched bookstores and libraries for an engaging, age-appropriate book to help teach his students about the life of Jesus. He never found one, and this book is his contribution to fill that void. *A Good Man*

Who Came out of Nazareth is based on a one-year adult study Hudgins developed and taught at his church. Several of his sixth-grade students provided valuable criticisms of the draft that are reflected in the final text. Hudgins has worked with junior high through college-age students for more than 40 years as both a Sunday school teacher and director, creating lesson programs and support materials for the teachers in his departments. His first book translates the Bible truths he assembled for adult study in language that a junior high student can read and readily understand. Hudgins taught American history for 14 years at Texas A&M and at the University of Houston, primarily in evening classes. Throughout his career he worked in various design positions in construction technology for the petrochemical industry. After leaving the teacher's desk for four years he was invited back to the University of Houston to teach engineering graphics for an additional six years. Now retired, Hudgins continues to teach Sunday school in the College and Career class of his church in Bellville, Texas. A native of Houston, Ellis is married to Betty, whom he met one summer when he formed a youth choir at his home church. They have four adult sons and six grandchildren. Hudgins earned his Bachelor of Arts degree in history and religion and a Master of Arts in history from Baylor University. He completed his Bachelor of Divinity at Southwestern Baptist Seminary and remained there for an additional year of post-graduate study.

The Man Who Went to War

A Reporter's Memoir from Libya and the Arab Uprising *Doubleday Canada*

Almost a decade since deciding to give up war reporting full-time, and at the unexpected prodding of his wife, award-winning journalist Patrick Graham travels to the heart of the Libyan Revolution and

the Arab Spring. He delivers a story by turns harrowing and comic, rich in both dramatic, on-the-ground reportage and historical detail, of a nation on the brink of transformation. "If you're a recovering journalist listening to reports of a distant war on the radio, then you know, with the kind of arrogant certainty that sometimes irritates your wife, what you would be doing during these moments because you're already there in your head. . . . I may have been at home in my kitchen wearing an apron, but my avatar had been doing some heroic work around the globe. Which is why I found myself mocking the guy on the radio: "For fuck's sake, at least get to Benghazi!" It was around that time that my wife, who had walked in unnoticed, said, "Why don't you go?" Within a few days of his wife's suggestion, Graham was on a plane. It had been a while since he had last reported on a war. Though he lacked the security or credentials of a formal assignment, and was more than a little out of practice, he improvised his way from Egypt, then experiencing its own Arab Spring upheavals, and across the frontier into Libya. The result is an intimate eyewitness account - equal parts harrowing and hilarious - of the Libyan revolution as seen from the heart of the uprising in Benghazi. As ragtag militias try to beat back the assaults of Gaddafi's troops, Graham introduces us to Libyan civilians with haunted pasts and uncertain futures, each of whom must decide whether they, too, will go to war. Meanwhile, Graham encounters both old colleagues and rookie journalists, forcing him to ask questions about the changing nature of war reportage in the age of social media. With a fascinating detour that explores the rebellion's intellectual and spiritual roots in the Sanusi, a Sufi Muslim

political order, *The Man Who Went to War* is a penetrating and engrossing story of a country on the brink of transformation.

The Measure of a Man

A Spiritual Autobiography *Harper Collins*

"I have no wish to play the pontificating fool, pretending that I've suddenly come up with the answers to all life's questions. Quite that contrary, I began this book as an exploration, an exercise in self-questing. In other words, I wanted to find out, as I looked back at a long and complicated life, with many twists and turns, how well I've done at measuring up to the values I myself have set." —Sidney Poitier In this luminous memoir, a true American icon looks back on his celebrated life and career. His body of work is arguably the most morally significant in cinematic

history, and the power and influence of that work are indicative of the character of the man behind the many storied roles. Sidney Poitier here explores these elements of character and personal values to take his own measure—as a man, as a husband and a father, and as an actor. Poitier credits his parents and his childhood on tiny Cat Island in the Bahamas for equipping him with the unflinching sense of right and wrong and of self-worth that he has never surrendered and that have dramatically shaped his world. "In the kind of place where I grew up," recalls Poitier, "what's coming at you is the sound of the sea and the smell of the wind and momma's voice and the voice of your dad and the craziness of your brothers and sisters...and that's it." Without television, radio, and material distractions to obscure what matters most, he could enjoy the simple things, endure the long commitments, and find true meaning in his life. Poitier was uncompromising as he pursued a personal and public life that would honor his upbringing and the invaluable legacy of his parents. Just a few years after his introduction to indoor plumbing and the automobile, Poitier broke racial barrier after racial barrier to launch a pioneering acting career. Committed to the notion that what one does for a living articulates to who one is, Poitier played only forceful and affecting characters who said something positive, useful, and lasting about the human condition. Here is Poitier's own introspective look at what has informed his performances and his life. Poitier explores the nature of sacrifice and commitment, pride and humility, rage and forgiveness, and paying the price for artistic integrity. What emerges is a picture of a man in the face of limits—his own and the world's. A triumph of the

spirit, *The Measure of a Man* captures the essential Poitier.

The Man Who Came Down the Attic Stairs *Boom! Studios*

Emma is excited to start a family in her new home, but after her child's birth she finds her world turning upside-down. The infant cries like it's scared of something, or someone, and Emma's sleepless nights quickly drive a wedge between her and her husband, who seems uncharacteristically detached. When Emma begins to see strange things in the house, the line between reality and fantasy blurs and her grasp of what's real and what's not becomes even more clouded. Is something unnatural haunting the nursery? And what if it also affected her husband, who ventured up into the attic when they first arrived... Inspired by the works of Shirley Jackson and Ira Levin, Celine Loup's *The Man Who Came Down the Attic Stairs* weaves a tale of horror and suspense that captures the isolation of postpartum depression, while exploring the very real fears associated with new motherhood.

The Man Who Went Into the West *Aurum*

Byron Rogers' biography of Wales's national poet and vicar, R.S. Thomas has been hailed as a 'masterpiece', even as a work of 'genius', by reviewers from Craig Brown to the Archbishop of Canterbury. Within someone considered

a wintry, austere and unsociable curmudgeon, Rogers has unearthed an extremely funny story - 'riotously' so, in Rowan Williams' words. Thomas is widely considered as one of the twentieth-century's greatest English language poets. His bitter yet beautiful collections on Wales, its landscape, people and identity, reflect a life of political and spiritual asceticism. Indeed, Thomas is a man who banned vacuum cleaners from his house on grounds of noise, whose first act on moving into an ancient cottage was to rip out the central heating, and whose attempts to seek out more authentically Welsh parishes only brought him more into contact with loud English holidaymakers. To Thomas's many admirers this will be a surprising, sometimes shocking, but at last humanising portrait of someone who wrote truly metaphysical poetry.

The Man Who Walked Between the Towers *Square Fish*

In 1974, French aerialist Philippe Petit threw a tightrope between the two

towers of the World Trade Center and spent an hour walking, dancing, and performing high-wire tricks a quarter mile in the sky. This picture book captures the poetry and magic of the event with a poetry of its own: lyrical words and lovely paintings that present the detail, daring, and--in two dramatic foldout spreads-- the vertiginous drama of Petit's feat. *The Man Who Walked Between the Towers* is the winner of the 2004 Caldecott Medal, the winner of the 2004 Boston Globe - Horn Book Award for Picture Books, and the winner of the 2006 Carnegie Medal for Excellence in Children's Video.

One of The Times 'Best Crime Novels of the Decade' *Hachette UK*

From writer and producer on HBO's *THE WIRE* and *THE DEUCE* comes one of the most critically-acclaimed crime novels of the year: 'He is, quite simply, among America's finest crime writers. This latest story does not disappoint ... lyrical, beautifully observed and constantly surprising, it is a delight' *Daily Mail* 'In his first novel for five years, Pelecanos demonstrates why he deserves to be regarded as one of the best American crime novelists ... It's a moving tale, beautifully told' *The Times* * * * * * Anna Byrne is a jailhouse librarian. In a place where hope is hard to find, the power of books can be a light in the dark. For some of the prisoners, her work is life-changing. Like Michael Hudson, her best student, who's been locked up awaiting trial before his sudden release. He's relieved to be free - to 'come uptown', as they say - but can't shake the question: why is the witness who put him behind bars is suddenly refusing to testify? There's a man who might have the

answer, but he wants something first. Phil Ornazian is a private investigator who moonlights as a petty criminal. He's not exactly proud of it, but times are hard in Washington, D.C. People have to change to survive, or die trying. But everything comes at a price and, at some point, everyone has to pay... * * * * *

* Praise for George Pelecanos: 'Perhaps the greatest living American crime writer' *Stephen King* 'Outstanding' *Sunday Telegraph* 'Powerful' *Observer* 'American crime writing at its finest' *Independent on Sunday* 'Terrific' *Elmore Leonard* 'Powerful' *Michael Connelly* 'I love the way he writes: economical, rhythmic, elliptical and angrily political' *Val McDermid* 'Hard-boiled fiction with heart' *Sunday Telegraph* 'Pelecanos has joined James Lee Burke and Lawrence Sanders at the high table of contemporary crime greats' *The Times* 'The coolest writer in America' *GQ* 'Gold-standard character-driven crime writing that few will ever match' *Financial Times*
