In the opening of this book, Hunter (p. ix) states, “...this book should be treated as an introduction to the anthropology of the supernatural – as a pointer for further reading and exploration.” Spirits, Gods and Magic accomplishes this goal and then some. Supernatural and paranormal events are naturally interesting to most readers, and this book offers plenty of examples to keep things exciting, while still providing a grounded, academic core for those seeking to learn about starting ...

Spirits, Gods and Magic: An Introduction to the ...

An Introduction to Social Anthropology opens up the field of social and cultural anthropology, demonstrating its value for building an understanding of the vast diversity of human societies and cultures that make up the world today. Without assuming any prior knowledge, the book gradually leads the reader from some of the discipline's earliest foundational approaches and theories, through the fundamental areas that make up contemporary anthropology.

An Introduction To Social Anthropology - PDF Download

This module provides an introduction to the study of how other societies are organised and how they have been studied by anthropologists. Archaeological interpretation increasingly involves the use of ideas from anthropology because this discipline provides an insight into how people live their lives in other cultures. The topics covered include

Introduction to Social Anthropology | Institute of ...

Anthropology had been defined at least from 1932 as "the study of the peoples of the simpler cultures in which attention is diverted from questions of the origin or form of institutions and directed to consideration of how they actually work and what is their meaning and significance in a given environment" in the word of Professor Radcliffe Brown's presidential address to the Anthropological Section of the British Association at its meeting reported by Mr. Driberg's [2].
