What should the Referee do if >sure the ball was out? 3.7.5 & 10.6.3 26 A player hits a loose shot and attempts to clear. The opponent moves to hit the ball. The opponent >stops play and requests a let, believing the player was in line with a direct shot to the front wall.

Online club referee's exam : squash - reddit

The application will remain the same in that the referee will need to determine whether there was a reasonable fear of hitting the opponent. If the opponent was well clear and the striker misjudged his position then it is a No Let as previously but there may well still be instances where "safety Lets" are appropriate if the opponent was possibly in danger of being hit.
