### **Continental Airlines Flight Attendant Manual**

Continental Airlines was a major United States airline founded in 1934 and eventually headquartered in Houston, Texas. It had ownership interests and brand partnerships with several carriers. Continental started out as one of the smaller carriers in the United States, known for its limited operations under the regulated era that provided very fine, almost fancy, service against the larger ...

### **Continental Airlines - Wikipedia**

Continental Airlines flight 603 was a regularly scheduled flight from Los Angeles, California, to Honolulu, Hawaii. As was typical of off-season flights to Hawaii, the majority of the passengers were part of a group of retirees headed to the tropical islands for a spring vacation; among the 186 passengers booked on the flight, the average age was 60.
