Indeed, as exposed in Yelvington 2001 (cited under General Overviews), new anthropological concerns with concepts of cultural hybridity, syncretism, and cultural politics owe a great deal to this early African diaspora anthropology scholarship. Diaspora provided a counterpoint to established disciplinary paradigms regarding the formation—and stability—of cultural groupings, unhinging groups from determinate locales and stressing geographical and sociocultural heterogeneity.

Diaspora - Anthropology - Oxford Bibliographies

The modern African diaspora, at its core, consists of the millions of peoples of African descent living in various societies who are united by a past based significantly but not exclusively upon "racial" oppression and the struggles against it; and who, despite the cultural variations and political and other divisions among them, share an emotional bond with one another and with their ancestral continent; and who also, regardless of their location, face broadly similar problems in ...
