Questing Sucks Qs Kevin Weinberg

Questing Sucks is a book which is
 playing with stereotypes and putting
 them to the extreme. The result is a
 funny book which I enjoyed to read.
 Kevin Weinbergs ability to bring out the
 worst in a hero seriously gave me a good
 time. Triggerwarning: Any fan of High
 Fantasy should steer away from the
 book. It is mocking all things you love in
 Fantasy.

As far as Questing Sucks, there is definitely no book out there like it. There really is no way to describe it because there's nothing to compare it to. You'll have to just take my word for it when I say it's a must read but be warned, Kevin's writing is so detailed your emotions will be a roller coaster but in a good way.
