Birmingham Botanical Gardens may seem an unlikely place to explore the wonders of the Industrial Revolution, but hidden behind its fragrant borders Guy Martin finds a hidden world of hi-tech Victorian engineering, show-off architecture, intrepid plant-hunters scouring the furthest corners of the Empire, and city fathers terrified of the 'degenerate' urban poor.

How Britain Worked - Season 1 - IMDb

How Britain Worked. This six-part series examined some of the important engineering advances at the time of the Industrial Revolution. Feeling the country had lost its reputation as the workshop of the world and "went soft" under the auspices of health and safety culture, through replicating original working methods in various practical projects, the series was to highlight the ordinary workers who were experiencing long hours while working to remarkable precision, "within a couple of ...
