Football Periodization: Review and Opinions. I managed to finally finish Raymond Verheijen's book Football Periodization, and I must admit that I wish I've read it earlier. I highly suggest it for everyone working in intermittent, running based team sports.

Football Periodization: Review and Opinions

...

The periodisation aspect stems from its repetition. Training follows a cyclical plan and each day of training is designed to follow those four in-game scenarios mentioned above. Football is unpredictable, but the

repeated training of these actions is creating habits and eventually predictability is created.

Tactical periodisation is a clear example of an integral, inter-connected or inter-related approach, in which all goals are centered around the tactical component of the game.

(PDF) Tactical periodisation in

tennis: An introduction

Periodization is the process or study of categorizing the past into discrete, quantified named blocks of time. This is usually done in order to facilitate the study and analysis of history, understanding current and historical processes, and causality that might have linked those events.. This results in descriptive abstractions that provide convenient terms for periods of time with relatively ...
