Self Assessment: Partnership Tax Return (SA800) - GOV.UK

For all types of partnership, the general rule is that tax is not payable by the partnership itself but by each partner. Each partner's share of the partnership income is added to his or her other taxable income. The partner pays tax on the total of his or her earnings, including their share of the partnership profits.

The tax system for partnerships

Partners share the business's profits, and each partner pays tax on their share. A partner does not have to be an actual person. For example, a limited company counts as a 'legal person' and can...
